All In With Love

James Gardiner,2022-08-19 Imagine stepping into the spotlight of New York and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn t seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of

fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life *You Only Fall in Love Three Times* Kate Rose,2020-01-14 Discover the three types of love and the key to finding the one you re truly meant to be with We love and we love again sometimes our hearts get broken but somehow we find the courage to dive back in In this soul searching book relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are what they want and finally to the discovery of their Twin Flame According to Rose love is a journey of self discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy She introduces readers to the three types of love we will all experience The Soulmate introduces us to the dream of love but somehow what seemed like it would be happily ever after wasn t meant to last forever We are so consumed with making The Karmic Love work that we often fail to question whether it should work As painful as it is to accept this love that felt so right in the beginning is actually all wrong The Twin Flame comes into our lives and often we don t even know it s love because it s too easy This is the love who helps us to accept ourselves just as we are because this is precisely what they do In *You Only Fall in Love Three Times* Kate Rose shows us that happy endings may not happen quite the way they do in fairytales but they happen nonetheless

Subject Catalog, 1976 Library of Congress,1976 **Love, Dad** Laurie Steed,2023-08-01 A must read for all new parents Love Dad explores what it means to be a father in the twenty first century The father of two young boys Laurie reflects on how his own experiences have defined the kind of man he is and the kind of parent he would like to become His stories triumphant funny and sad draw on Laurie s own childhood experiences and important relationships with family and mates alongside the challenges of trauma and mental health shared by many men This memoir openly shares how Laurie strives to overcome challenges from breaking generational cycles to maintaining joy in work and parenthood and how others fresh to parenting can learn from this authentic story of a new dad and his family **Love and the Single Dad** Susan Crosby,2010-01-01 Newly minted father Donovan McCoy had to give it a try he owed it to the little boy who now called him Daddy So the photojournalist had to say goodbye to his life on the road and learn to find joy a little closer to home Perhaps with the girl now woman who despite all his travels he d never been able to forget Beauty queen turned attorney Laura Bannister had never really left But she d long abandoned the hope of attaining her real definition of home a man she loved and children of her very own Yet here was Donovan and his precious child making her wonder if happily ever after could still be in the cards for all of them **The Emerald Home Run** Steven Andrew Janda,2011-06-01 If you look for parallels in

baseball and the Bible you will find them The Emerald Home Run is a true story which combines the Bible and a book author Steven A Janda wrote about the parables of Christ in 2008 entitled Ready or Not Here I Come Suddenly says Janda I began to notice many interesting parallels in Major League Baseball On April 15 2009 Ken Griffey Jr hit his 613th career home run The Emerald Home Run after returning to the Seattle Mariners from a nine year absence with the Cincinnati Reds and briefly with the Chicago White Sox As soon as Griffey hit the home run Hall of Fame Announcer Dave Neihaus said this was Griffey's 400th home run as a Mariner Instantly says Janda I remembered Moses who delivered the children of Israel after 400 years of bondage to the Egyptians The author reveals numeric mysteries including how Revelation appears in Genesis how the tribes of Israel in the Law of Moses are joined numerically to Genesis and revealed in Major League Baseball by the Gregorian calendar And children will love the secret formula for multiplying certain number patterns into millions without a calculator The revelations in this book have never appeared in text books The Emerald Home Run is truly an arithmetic lesson for the whole world to enjoy Do not be left behind About the Author Steven A Janda of Renton Washington invites readers to learn about the Babe Ruth 999 Mystery and much more at [www EmeraldHomeRun.blogspot.com](http://www.EmeraldHomeRun.blogspot.com) Publisher's Web site <http://www.strategicpublishinggroup.com/title/TheEmeraldHomeRun.htm> *A Father's List* Steve Allen

Westmoreland, 2025-06-03 A spare unflinching generous and lusty masterpiece of adventure writing Andrea Lawlor author of Paul Takes the Form of a Mortal Girl A necessary reminder of the beauty of being young and queer and free This book is a gift Imogen Binnie author of Nevada An achievement in the major category Hilton Als author of My Pinup A treasured cult classic following a young gay man crisscrossing 1970s and 80s America in search of salvation Now reissued with an introduction from Eileen Myles and an afterword from the author Abused by his father and stifled by closeted life as a

teenager in Kansas City Joe the wide eyed narrator of *Tramps Like Us* graduates from high school in 1974 and hits the road hitchhiking But it isn't until he reunites with Ali his hometown's other queer outcast that Joe finds a partner in crime When the two of them finally wash up in New Orleans they discover a hedonistic paradise of sex drugs and music a world that only expands when they move to San Francisco in 1979 Told with openhearted frankness Joe Westmoreland's *Tramps Like Us* is an exuberantly soulful adventure of self discovery and belonging set across a consequential American decade In New Orleans and San Francisco and on the roads in between Joe and Ali find communities of misfits to call their own The days and nights blur a blend of LSD and heroin new wave and disco orgies and friends and the thrilling spontaneity of youth all of which is threatened the moment Joe Ali and seemingly everyone around them are diagnosed with HIV But miraculously the stories survive As Eileen Myles writes I love this book most of all because it is so mortal Back in print after two decades and with an introduction by Myles and an afterword by the author *Tramps Like Us* is an ode to a nearly lost generation an autofictional chronicle of America between gay liberation and the AIDS crisis and an evergreen testament to the force of friendship
