a loving home The tiny poodle was a scrubby stray found on a hot day under a car with hair so long and badly matted he could not even move He weighed three pounds The human read about the tiny poodle and went to the shelter where they cleaned him up so well that he looked so beautiful Five people were interviewed but the compassionate human was the lucky one chosen or they were lucky to find each other They brought each other peace comfort and love in a true loving bond It was meant to be They awakened each other's souls and had such an amazing journey together that will touch your heart
