A collection of this year's best stories. With this collection of short stories and poems, Indian publisher Shail Raghuvanshi managed to immerse us in powerful words and characters that take you inside their hearts. In these snippets of life, you learn something about yourself, allowing you to bring some power into your own life. From a love story within a love story, magic on a stage, nostalgic memories, and smoky bar friendships, this collection provides profoundly empathetic portrayals of various human experiences. You'll laugh and cry as you sink into world after world, character after character. Love lost, love found, and love redeemed. Romantic love, platonic love, and the unexpected. All these stories and poems celebrate love just like it is in real life. First, you'll forget yourself as you read. Then, upon surfacing, there is the possibility to know yourself and others anew. *Love is in the Air* is a collection of 20 poignant love short stories and 9 feel-good love poems. **Love is in The Air** Ian McKenzie, 2015-03-20. My son especially was interested in what I did and would put questions to me that I answered by automatic writing. This is done by tuning into frequencies like a radio, a channeled voice that would tell me what to write. Sometimes the information came so fast I had to approximate the words they told me. In other

words some of the time I filtered what was told to me so that the information is as close as can be After a while I started asking my own personal questions about my life and what I was going through and at other times I asked about spiritual and even sought out who were the aliens I again had experienced Eventually my writing revealed further information about controversies such as major events that changed the world In the end I decided if my book could help other people then why not have it published It is not unique as there have been others such as David Icke PTaah and Seth material Rather I think my book validates other channeled books Even if the book is read as fiction as long as it has been entertaining or even thought provoking then my goal of publishing it has been accomplished Love Is the Key, Part 2 David J Adams,2018-10-24

The devil is in the detail Dr. Phillip Botha,2012-10-21 It is time someone told the truth about the devil no holds barred

Everything that we see touch smell hears taste eat or drink has an influence over us Whether it is a innocent enough CD we buy from the Music Store or a hamburger from the corner shop each and every thing that we are exposed to influence the way in which we think and act whether we want to believe it or not This book is written with the intention of creating awareness around the devil and his plan to lead us astray to make us believe in him rather than God The devil plans on winning us over by exposing us to literally endless accounts of manipulative techniques and brainwashing which I will discuss in full detail in this book after all the devil is in the detail Love Letter to the Earth Thich Nhat Hanh,2013-06-17 The world renowned Zen monk argues for a more mindful spiritual approach to environmental protection and activism one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change Love Letter to the Earth is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same Love and Need Adam Plunkett,2025-02-18 Braiding together biography and criticism Adam Plunkett challenges our understanding of Robert Frost s life and poetic legacy in a pathbreaking new work By the middle of the twentieth century Robert Frost was the best loved poet in America He was our nation s bard simple and sincere accompanying us on wooded roads and articulating our hopes and fears After Frost s death these cliches gave way to equally broad though opposed portraits sketched by his biographers chief among them Lawrance Thompson When the critic Helen Vendler reviewed Thompson s biography she asked whether anyone could avoid the conclusion that Frost was a monster In Love and Need The Life of Robert Frost s Poetry Adam Plunkett blends biography and criticism to find the truth of Frost s life one that lies between the two poles of perception Plunkett reveals a new Frost through a careful look at the poems and people he knew best showing how the stories of his most important relationships heretofore partly told mirror dominant themes of Frost s enduring poetry withholding and disclosure privacy and intimacy Not least of these relationships is the fraught intense friendship between Frost and Thompson the major biographer whose record of Frost Plunkett seeks to set straight Moving through Frost s most important work and closest relationships with the attention to detail necessary to see familiar things anew Plunkett offers an original interpretation of Frost s poetry tracing Frost s distinctive achievement to an engagement with poetic tradition far deeper and more extensive than he ever let on Frost invited his readers into a conversation like the

one he sustained with his literary forebears intimate and profound yet Frost kept his private self at a remove Here Plunkett brings the two together the poet and the poetry and draws us back into conversation with America's poet **In God's Love** Janet Hurlow, 2010-03-25 In Gods Love contains all 532 passages that were revealed to me The passages of In Gods Love contain wisdom truth knowledge challenges and most importantly love Some of the themes of In Gods Love are God the universe creation freewill suffering Satan morality Jesus prayer wealth sexuality death hell heaven the messengers and their mission This is just a little taste of what In Gods Love says about these topics What does In Gods Love say about God His nature is kind and gentle Look at a flower Turn it in your hand How does it feel Is it soft velvety and rich in color How does that fragile petal make you feel Gods nature is like that He is as gentle as the soft petal from the flower you are holding in your hand He is such a delight and so much more Your God is an awesome Being His merriment is beyond what any creation has ever known God shall nourish the spirit and satisfy the thirst of the soul All else is in vain His beauty is all beauty His love is all love His life is all life Have you heard the most wonderful music on Earth Mmm Hold your baby with love and tenderness Gods love is like this only a zillion of times more intensified This is what its all about God loves you all In His creation is the most wicked sinner whom no man in his pain could forgive This sinner cried out to God with a contrite and loving heart In this cry compassion and mercy bore his spirit up to God forever What does In Gods Love say about the universe Signs of life are in the Heavens beyond your sun and there is a Creator who is your God Can these little ones God has made be all Look at the heavens at night Has God made all this for no reason A God who has a reason for everything Such wonders are very real Right and strong are many worlds and many people What does In Gods Love say about Creation Without God creation would not exist This is the Spirit of all life He is why things are He chose you to be His adopted child What a marvelous gift Blessings of life are sent to you from God He chose you because He wanted you He wanted you to live forever and share in His gifts and mysteries of eternal life Earth people could have roamed the Earth as senseless as the wild boar On Earth animals are made for mankind This is a God who honored you and made you human instead of a wild dog that roams the forest in search of prey What a gift He made you human He chose you to share in His delights forever God made mankind and gave him her a mind a consciousness a reality God made mankind and woke His creation up What does In Gods Love say about our freewill Make your choice Will you choose an eternity of happiness or will you choose an eternity of pain Select Make your decision Spirit of truth and love or spirit of deception and hate Bitter is the cup set before the wicked Would you drink from such a bitter chalice when the sweet wine is passed Would you choose the bitter This is foolish Such is the wickedness of man The wise choose the sweet wine which is the chalice of God and the saints Such a blessed cup Wise are all who drink from the chalice of the Lamb and do not pass it up In this is wisdom What does In Gods Love say about suffering While you wait much suffering is relieved by your words to God Wisdom is sent to small ones who suffer in Earths toil Suffering is soon gone and then you see that sorrow is virtues child perfecting the souls of man Is sorrow a saint in Gods
