Journey to America Manny Quijada,2022-07-24 We all make important and crucial decisions at some point in life Some decisions can truly be life changing A month after I turned sixteen years old I was given the opportunity to leave my country and go north in the continent to the great United States of America It was not an easy thing to do by any means neither was it to decide over After seeking God s answer in prayer for a few days I decided to leave my known life behind to venture into the unknown trusting in God alone to make it safe to my destination As I made the decision to leave my country that also included leaving behind the most beautiful girl I had known I was risking my life in many ways trying to reach the Land of the Free the Home of the Brave with only one purpose in my heart I wanted nothing more than to become a successful man in order to have something to offer to the girl I considered to be the love of my life This was my one and only reason for leaving my country However as the day for my departure approached the strange feeling that I was going to end up with a broken heart at the end of it all became very overwhelming each day and even more so during the entire journey Although I hoped that was not going to be the case I wanted God s will to be done above all else I believed that God had a reason for taking me away from her my country my friends and family at the time He did If He did not want me to go to America the way I did He simply would have said so when I asked if He wanted me to go It took twenty five days from the day I left my home in El Salvador until the day I arrived at my new home in Orange County California There were a number of dangers that I faced during a three week period going across four different countries traveling for more than three thousand miles While my faith was tested in different ways each day my mind and my body were also put to the test in more ways than I expected It all began on the eleventh day of February in the year two thousand and two A group of fifteen individuals full of hope and dreams of a better future decided to begin a journey that would forever change their lives Although unique my story is not the only one for there are millions more that have come before and after me This however is the story of my Journey to America *Love's Journey in Sugarcreek* Serena B. A Compass of Faith: a Man'S Journey to America Joseph Mbungu Nsiesi,2012-05-17

Death was sleeping all around us I could feel her in the high cries of uncomfortable babies and the low moans of old men as they fight the pain and discomfort of dysentery This would be a trip through hell and perhaps some unfortunate souls on this boat would make not make it out alive as is often the case on the Congo River Perhaps we all knew that some of us wouldnt all arrive at our destination and that we would meet our Lord our Maker here on this black river of death and hope Death and hope Can it be one and the same With this river the answer is yes People lived and died under the power of this powerful river every single day It was now my turn to make this journey on its surface Despite my deepest fears I feel the warm breeze of Gods grace lingering around me in the air Yes hope is a powerful element in each of our hearts and that is what everyone here now clings onto tightly and with both fists even if it means kissing death right on the lips
