Horse Crazy Jean O'Malley Halley,2019-07-01 Horse Crazy explores the meaning behind the love between girls and horses Jean O Malley Halley a self professed horse girl contends that this relationship and its cultural signifiers influence the manner in which young girls define their identity when it comes to gender Halley examines how popular culture including the pony book genre uses horses to encourage conformity to gender norms but also insists that the loving relationship between a girl and a horse fundamentally challenges sexist and mainstream ideas of girlhood Horse Crazy looks at the relationships between girls and horses through the frameworks of Michel Foucault s concepts of normalization

and biopower drawing conclusions about the way girls agency is both normalized and resistant to normalization Segments of Halley s own experiences with horses as a young girl as well as experiences from the perspective of other girls are sources for examination Horsey girls as she calls them are girls who find a way to defy the expectations given to them by society thinness obsession with makeup and beauty frailty and gain the possibility of freedom in the process Drawing on Nicole Shukin s uses of animal capital theories Halley also explores the varied treatment of horses themselves as an example of the biopolitical use of nonhuman animals and the manipulation and exploitation of horse life In so doing she engages with common ways we think and feel about animals and with the technologies of speciesism All the King's Horses Kimberly Gatto,Victoria Racimo,2017-08-14 When Elvis Presley decided he wanted to buy a horse in 1966 he didn t want just any horse He wanted a Golden Palomino Priscilla Presley remembers He would get up at 3 00 in the morning go to certain farms and ranches and say Do you have a Golden Palomino for sale People would say That was Elvis Presley Elvis s legendary love of horses drove him to find the Golden Palomino who would become his beloved companion Rising Sun and to fill Graceland s stables and Circle G Ranch with horses for family and friends to ride In the first ever book dedicated to Elvis s equestrian side horse lovers Kimberly Gatto and Victoria Racimo share rare stories interviews and photographs that shed light on the beautiful quiet life the King lived when he was with his horses **Running for Their Lives** Sherrie A. Inness,2000 Girl Power has become the rallying cry for a new generation of girls as they navigate on their own terms the perilous yet exhilarating journey from girlhood to adulthood Though this transformation is often difficult for middle class white girls growing up in the United States it is unimaginably more difficult for girls often in developing countries who contend with such life threatening issues as poverty abuse and civil war Indeed girl power is a luxury these girls can t afford Consider the young Thai teenage girl who must work in a button factory in order to save some money for her daughter Think about the poverty stricken young girl who is raped in rural Pakistan and whose rapist is never brought to trial Consider the journey of the African girl who is adopted and brought to the United States yet discovers that she is not accepted because of her race These stories and other equally painful sagas will resonate with readers of this collection whose chapters will give these and other disenfranchised girls a place to speak a place to express some of the pain emotional and physical of their journey through girlhood **Dark Horse** Tami Hoag,2004-06-01 In her latest thriller New York Times bestselling author Tami Hoag takes readers on a suspense filled ride of shocks and twists leading to an explosive finish It is the story of an ex cop a missing girl and a killer locked in a race where there can be only one winner and the losers die trying In a trailer in a Florida swamp time is running out for eighteen year old Erin Seabright A pawn in a kidnapper s terrifying game for a ransom no one can pay her last hope is a washed up ex cop who has already lost it all not once but twice The wealthy world of the Palm Beach horse set seems a long way from a cop s world in the narcotics division A lifetime ago undercover sheriff s detective Elena Estes worked the mean streets and BackTop alleys living by her wits and playing the long odds until she took one risk too many

Now Estes lives on the ragged edge of lost hope and self hatred hiding from the past and believing she doesn't deserve to have a future But the past is about to come back with a vengeance and the future is about to become a race between life and death A young woman is missing and her twelve year old stepsister comes to Estes for help No one but serious studious Molly Seabright seems concerned about what's happened to her troubled older sister But Molly is convinced Erin is in danger Estes has no P I license no interest in a new career and no desire to break her self imposed exile But the more she learns about the people Erin Seabright was involved with the more her long dormant cop instincts come back to life One trip to the show grounds where Erin worked as a groom and Estes is quickly pulled to the dark side of a glamorous sport Behind the glittering ultra rich facade is an ultra ruthless world of drugs payoffs and dirty deals A world of dissolute playboys and crooked horse dealers of royalty and rabble of rivals and enemies An obscenely wealthy world where anything can be had for a price including a life And in that world stalks a killer who will lead Estes down a dark twisted trail of decadence and deceit mayhem and murder from the gilded life of Palm Beach to the darkest corners of the Florida swamps to a final show down that could cost her everything A race against time and evil A race in which Estes is the dark horse and no one is betting on her to win

Works William Shakespeare, 1880 **Guardians of Cahokia** Rebecca E Kohles, 2007-06 Alexandra Markum former Olympic equestrian gold medal winner and powerful seer for the Cherokee race often struggles to accept the reality of her metaphysical capabilities She and her friends believe that they will find serenity in the small northwestern Illinois town of Grand Detour where they can live out their lives in the uncomplicated atmosphere of a refurbished equestrian retreat Then an old friend calls and wants Alex's help with a missing person's case and Alex finds herself camped in the middle of mystical Cahokia Mounds and locking horns with the U S Marshals office and her exboyfriend Ian Valin Surrounded by a Native American secret society extremely large mythical creatures and a mysterious woman in sapphire Alex becomes overwhelmed when someone close to her is brutally killed The final straw is when a powerful prophecy is revealed that could spell her impending doom and Alex must face one of her greatest fears if she wants to save those around her
