The Good Marriage: How and Why Love Lasts

Judith Wallerstein, 2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've

been using *The Good Marriage* by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford *Clinical Social Work Journal* In *The Good Marriage* Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in *The Good Marriage* Elizabeth M Tully *M D Journal of Academy of Child and Adolescent Psychiatry* Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it *Wall Street Journal* With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out *Library Journal* Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution *Readings A Journal of Reviews and Commentary in Mental Health* *NIV, Biblical Theology Study Bible* Zondervan, 2018-09-04 Marvel at the big story and savor each detail Biblical Theology allows you to ponder the individual stories and themes of Scripture while observing how they all fit together in God s grand biblical narrative It answers the question How has God revealed his word historically and organically Biblical Theology studies the theology of individual biblical books and select collections within the Bible and then traces out themes as they develop across time within the canon With three articles introducing Biblical theology and 25 articles unpacking key themes of Scripture the NIV Biblical Theology Study Bible equips you to follow the progressive unfolding of God s story Helpful introductions to books and sections of the Bible combined with 20 000 verse by verse study notes will guide you to a clearer understanding of every portion of Scripture The NIV Biblical Theology Study Bible is printed in exclusive Zondervan NIV Comfort Print typeface Expertly designed specifically to be used for the New International Version NIV text Comfort Print offers an easier reading experience that complements the most widely read modern English Bible translation Features Complete text of the accurate readable and clear New International Version NIV Previously published as NIV Zondervan Study Bible 28 theologically rich articles by authors such as Tim Keller and Kevin DeYoung 20 000 verse by verse study notes Hundreds of full color photos more than 90 maps and over 60 charts Comprehensive book introductions Over 60 trusted contributors Cross references and the NIV
