Love Anarchy Emma Goldman A Biography

Paul Avrich

Love Anarchy Emma Goldman A Biography:

Love, Anarchy, & Emma Goldman Candace Falk, 2019-06-27 More than an account of Emma Goldman's legendary career as a political activist this biography offers an intimate look into her tumultuous affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman *Love, Anarchy, and Emma Goldman* Candace Falk, 1990 Candace Falk's biography captures Goldman's colorful life as a social and labor reformer revolutionary anarchist feminist agitator for free love and free speech and advocate of birth control And it gives the reader a rare glimpse into Goldman as a woman alone searching for the intimacy of a love relationship to match her radiant social vision Falk explores the clash between Goldman's public vision and private life focusing on her intimate relationship with Ben Reitman Chicago's celebrated social reformer hobo king and red light district gynecologist During this passionate and stormy relationship Goldman lectured in public about free love and women's independence while in private she struggled with intense jealousy and longed for the comfort of a secure relationship Falk's account draws upon a serendipitous discovery of a cache of intimate letters between Goldman and Reitman Falk then goes beyond Goldman's ten year relationship with Reitman following Goldman's inner passions through her years of exile and later life Written with a literary sensitivity Falk tells a riveting story consistently placing Goldman in the context of late nineteenth and early twentieth century radicalism *Love, Anarchy, and Emma Goldman* Candace Falk, 2019 One of the most famous political activists of all time Emma Goldman was also infamous for her radical anarchist views and her scandalous personal life In public Goldman was a firebrand confidently agitating for labor reform anarchism birth control and women's independence But behind closed doors she was more vulnerable especially when it came to the love of her life This is more than an account of Goldman's legendary career as a political activist it offers an intimate look into her affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman The result is both a riveting love story and a primer on an exciting explosive era in American politics and intellectual life *Emma Goldman's No-Conscription League and the First Amendment* Erika Pribranic-Smith, Jared Schroeder, 2018-12-07 Emma Goldman's Supreme Court appeal occurred during a transitional point for First Amendment law as justices began incorporating arguments related to free expression into decisions on espionage and sedition cases This project analyzes the communications that led to her arrest writings in *Mother Earth* a mass mailed manifesto and speeches related to compulsory military service during World War I as well as the ensuing legal proceedings and media coverage The authors place Goldman's Supreme Court appeal in the context of the more famous Schenck and Abrams trials to demonstrate her place in First Amendment history while providing insight into wartime censorship and the attitude of the mainstream press toward radical speech **Polyamory, Monogamy, and American Dreams** Mimi Schippers, 2019-10-28 This book introduces the poly gaze as a cultural tool to examine how

representations of polyamory and poly lives reflect or challenge cultural hegemonies of race class gender and nation What role does monogamy play in American Identity the American dream and U S exceptionalism How do the stories we tell about intimate relationships do cultural and ideological work to maintain and legitimize social inequalities along the lines of race ethnicity nation religion class gender and sexuality How might the introduction of polyamory or consensually non monogamous relationships in the stories we tell about intimacy confound disrupt or shift the meaning of what constitutes a good American life These are the questions that Mimi Schippers focuses on in this original and engaging study As she develops the poly gaze Schippers argues for a sociologically informed and cultivated lens with which anyone regardless of their experiences with polyamory or consensual non monogamy can read culture media images and texts against hegemony This will be a key text for researchers and students in Gender Studies Queer Studies Cultural Studies Critical Race Studies Media Studies American Studies and Sociology This book is accessible and indispensable reading for undergraduate student and postgraduates wanting to gain greater understanding of debates around the key concept of heteronormativity

Consent Pamela Susan Haag, 2018-09-05 Whom over the past two centuries has society construed as sexual victims Where and when did the notion of consent so crucial for law and politics today emerge In this brilliantly insightful work Pamela Susan Haag traces the evolution of public wisdom on some of society's most private and controversial matters At once an investigation of social history popular culture legal doctrine and political theory her book shows how in contemporary America the history of sexual rights is inextricably intertwined with that of liberalism Haag examines the nineteenth century obsession with the perils of seduction and twentieth century disputes over white slavery arranged marriages interracial relationships and rape The history of heterosexual modernity and identity must she argues be viewed as a crucial component of a much larger historical narrative that of the ways in which individual freedom and citizenship have been continually redefined in American liberal culture She illuminates the development of liberalism from its classic stage that ended after the post Reconstruction era to a modern version that came to fruition with the judicial acceptance of the right to privacy Finally she shows how debates over the meaning of heterosexual consent and violence contributed to this transformation

Bisexuality and the Eroticism of Everyday Life Marjorie Garber, 2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal

The Lives of Agnes Smedley Ruth Price, 2005-01-07 Was she a selfless political activist A feminist heroine A gifted writer who rose from poverty to become a leading journalist and author of the cult classic *Daughter of Earth* A spy for the Soviet Union Or all of these things Drawing on fifteen years of intensive research and unprecedented access to previously unpublished documents this vibrant book brings to life one of the twentieth century's most fascinating women Ruth Price traces Agnes Smedley's unlikely trajectory from a small Missouri town to the coal country of Colorado to Berkeley and Greenwich Village to Berlin Moscow and China Fueled by a fury at injustice Smedley threw herself headlong

into the crucial issues of the time from Indian independence to birth control women's rights and the revolution in China Her friends included such figures as Margaret Sanger Langston Hughes Emma Goldman Jawaharlal Nehru Mao Zedong and many others Perhaps most important Price uncovers an astonishing truth Smedley long thought to be the unfair target of a Cold War smear campaign was indeed guilty of the espionage charges leveled against her by General Douglas MacArthur and others Smedley worked to foment armed revolution in India and gathered intelligence for the Soviet Union seeing it as a bulwark against fascism Price argues that Smedley acted out of a passionate idealism and that she exhibited a courage and compassion worthy of a renewed if more complicated admiration today Epic in scope painstakingly researched and unflinchingly honest *The Lives of Agnes Smedley* offers a stunning reappraisal of one of America's most controversial Leftists and a new look at the troubled historical terrain of the first half of the twentieth century [Anarchist Voices](#) Paul Avrich, 2021-03-09 Through his many books on the history of anarchism Paul Avrich has done much to dispel the public's conception of the anarchists as mere terrorists In *Anarchist Voices* Avrich lets American anarchists speak for themselves This abridged edition contains fifty three interviews conducted by Avrich over a period of thirty years interviews that portray the human dimensions of a movement much maligned by the authorities and contemporary journalists Most of the interviewees anarchists as well as their friends and relatives were active during the heyday of the movement between the 1880s and the 1930s They represent all schools of anarchism and include both famous figures and minor ones previously overlooked by most historians Their stories provide a wealth of personal detail about such anarchist luminaries as Emma Goldman and Sacco and Vanzetti [American Moderns](#) Christine Stansell, 2021-05-11 In the early twentieth century an exuberant brand of gifted men and women moved to New York City not to get rich but to participate in a cultural revolution For them the city's immigrant neighborhoods home to art poetry cafes and cabarets in the European tradition provided a place where the fancies and forms of a new America could be tested Some called themselves Bohemians some members of the avant garde but all took pleasure in the exotic new and forbidden In *American Moderns* Christine Stansell tells the story of the most famous of these neighborhoods Greenwich Village which thanks to cultural icons such as Eugene O'Neill Isadora Duncan and Emma Goldman became a symbol of social and intellectual freedom Stansell eloquently explains how the mixing of old and new worlds politics and art and radicalism and commerce so characteristic of New York shaped the modern American urban scene *American Moderns* is both an examination and a celebration of a way of life that's been nearly forgotten *Dreamers of a New Day* Sheila Rowbotham, 2011-07-01 From the 1880s to the 1920s a profound social awakening among women extended the possibilities of change far beyond the struggle for the vote Amid the growth of globalized trade mass production immigration and urban slums American and British women broke with custom and prejudice Taking off corsets forming free unions living communally buying ethically joining trade unions doing social work in settlements these dreamers of a new day challenged ideas about sexuality mothering housework the economy and citizenship Drawing on a wealth of research Sheila

Rowbotham has written a groundbreaking new history that shows how women created much of the fabric of modern life. These innovative dreamers raised questions that remain at the forefront of our twenty first century lives. *Anarchism and Authority* Paul McLaughlin, 2016-04-15. Examining the political theory of anarchism from a philosophical and historical perspective, Paul McLaughlin relates anarchism to the fundamental ethical and political problem of authority. The book pays particular attention to the authority of the state and the anarchist rejection of all traditional claims made for the legitimacy of state authority, the author both explaining and defending the central tenets of the anarchist critique of the state. The founding works of anarchist thought by Godwin, Proudhon and Stirner are explored and anarchism is examined in its historical context, including the influence of such events as the Enlightenment and the French Revolution on anarchist thought. Finally, the major theoretical developments of anarchism from the late nineteenth century to the present are summarized and evaluated. This book is both a highly readable account of the development of anarchist thinking and a lucid and well reasoned defence of the anarchist philosophy. The Biography Book Daniel S. Burt, 2001-02-28. From Marilyn to Mussolini, people captivate people. A.E.'s Biography best selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers and documentaries and movies, all based on the lives of over 500 historical figures, from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals. *Elizabeth Gurley Flynn* Lara Vapnek, 2018-04-17. In 1906, fifteen year old Elizabeth Gurley Flynn mounted a soapbox in Times Square to denounce capitalism and proclaim a new era for women's freedom. Quickly recognized as an outstanding public speaker and formidable organizer, she devoted her life to creating a socialist America free from poverty, exploitation, greed and injustice. Flynn became the most important female leader of the Industrial Workers of the World and of the American Communist Party, fighting tirelessly for workers' rights, to organize and to express dissenting ideas. Weaving together Flynn's personal and political life, this biography reveals previously unrecognized connections between feminism, socialism, free love and free speech. Flynn's remarkable career casts new light on the long and varied history of radicalism in the United States. About the Lives of American Women series. Selected and edited by renowned women's historian Carol Berkin, these brief biographies are designed for use in undergraduate courses. Rather than a comprehensive approach, each biography focuses instead on a particular aspect of a woman's life that is emblematic of her time or which made her a pivotal figure in the era. The emphasis is on a good read featuring accessible writing and compelling narratives without sacrificing sound scholarship and academic integrity. Primary sources at the end of each biography reveal the subject's perspective in her own words. Study questions and an annotated bibliography support the

student reader *Anarchist Seeds beneath the Snow* David Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world **The Daring Life and Dangerous Times of Eve Adams** Jonathan Ned Katz, 2021-05-18 On these pages Eve Adams rises up loves rebels her times eerily resembling our own Joan Nestle cofounder of the Lesbian Herstory Archives and author of *A Restricted Country* 2022 Lambda Literary Awards Finalist Historian Jonathan Ned Katz uncovers the forgotten story of radical lesbian Eve Adams and her long lost book *Lesbian Love* Born Chawa Zloczewer into a Jewish family in Poland Eve Adams emigrated to the United States in 1912 took a new name befriended anarchists sold radical publications and ran lesbian and gay friendly speakeasies in Chicago and New York Then in 1925 Adams risked all to write and publish a book titled *Lesbian Love* Adams's bold activism caught the attention of the young J Edgar Hoover and the US Bureau of Investigation leading to her surveillance and arrest Adams was convicted of publishing an obscene book and of attempted sex with a policewoman sent to entrap her Adams was jailed and then deported back to Europe and ultimately murdered by Nazis in Auschwitz In *The Daring Life and Dangerous Times of Eve Adams* acclaimed historian Jonathan Ned Katz has recovered the extraordinary story of an early daring activist Carefully distinguishing fact from fiction Katz presents the first biography of Adams and the publisher reprints the long lost text of Adams's rare unique book *Lesbian Love* **Emma** Howard Zinn, 2012-08 A play in two acts about Emma Goldman American Anarchist In this play historian and playwright Howard Zinn dramatizes the life of Emma Goldman the anarchist feminist and free spirited thinker who was exiled from the United States because of her outspoken views including her opposition to WWI With his wit and ability to illuminate history from below Zinn reveals the life of this remarkable woman **Untold Stories of the Spanish Civil War** Raanan Rein, Susanne Zepp-Zwirner, 2023-11-23 This is the first scholarly volume to offer an insight into the less known stories of women children and international volunteers in the Spanish Civil War Special attention is given to volunteers of different historical experiences especially Jews and voices from less researched countries in the context of the Spanish war such as Palestine and Turkey Of an interdisciplinary nature this volume brings together historians and literary scholars from different countries Their research is based on newly found primary sources in both national and private archives as well as on post essentialist methodological insights for women's history Jewish history and studies on belonging By bringing together a group of emerging and senior scholars from different countries we highlight the polyphony of voices of diverse individuals drawn into the Spanish Civil War Contributors to this volume have explored new or little

researched primary sources found in archives and documentary centers including papers held by relatives of the people we study The volume is aimed at both scholarly and non scholarly public including any readers interested in the Spanish Civil War twentieth century European history Jewish studies women s history or anti fascism This volume can be used both in undergraduate college courses and in postgraduate university seminars **American Social Leaders and Activists** Neil A. Hamilton, 2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history

Bad Sex Nona Willis Aronowitz, 2022-08-09 Named a Most Anticipated Book by Bustle Esquire Nylon and The Millions Intimate thoughtful and accessible to anyone struggling with the persistent maddening inequities of contemporary sex Rebecca Traister New York Times bestselling author of Good and Mad From Teen Vogue sex and love columnist Nona Willis Aronowitz a blend of memoir social history and cultural criticism that probes the meaning of desire and sexual freedom today At thirty two years old everything in Nona Willis Aronowitz s life and in America was in disarray Her marriage was falling apart Her nuclear family was slipping away Her heart and libido were both in overdrive Embroiled in an era of fear reckoning and reimagining her assumptions of what sexual liberation meant were suddenly up for debate In the thick of personal and political turmoil Nona turned to the words of history s sexual revolutionaries including her late mother early radical pro sex feminist Ellen Willis At a time when sex has never been more accepted and feminism has never been more mainstream Nona asked herself What exactly do I want And are my sexual and romantic desires even possible amid the horrors and bribes of patriarchy capitalism and white supremacy Nona s attempt to find the answer places her search for authentic intimacy alongside her family history and other stories stretching back nearly two hundred years Stories of ambivalent wives and unchill sluts free lovers and radical lesbians sensitive men and woke misogynists women who risk everything for sex who buy sex reject sex have bad sex and good sex The result is a brave bold and vulnerable exploration of what sexual freedom can mean Bad Sex is Nona s own journey to sexual satisfaction and romantic happiness which not only lays bare the triumphs and flaws of contemporary feminism but also shines a light on universal questions of desire
