Never Give Up Dirk De Bock, 2017-02-25 I've always thought that Hold On would be my last book Certainly after a vicious attack in 2008 that destroyed my life for many years The writing was difficult I couldn't concentrate

didn't do much writing for several years due to these injuries and the struggle with my health. So I started to publish my writings in small and cheap little poetry books and that was the positive side of it. After more than 7 years the doctor finally found a good medicine and it felt like coming alive again. So much energy and inspiration that came back to me. I could focus again without having pain or headaches all the time. I didn't feel tired anymore. My life had started again. Again another proof that God is still on my side and I call this medicine the miracle of God. That's also what I told to my doctor. So here it is already my number 5. Never Give Up and I would like to say thanks again to Xlibris for hanging on and also believing in me when times were rough.
