Love Cycles The Science Of Intimacy:

Love Cycles: the Science of Intimacy Winnifred Cutler,2025-08-18 Enhance your health well being and sexual life by taking control of your hormonal rhythms In LOVE CYCLES Dr Winnifred Cutler tells how and why our love lives wax and wane with biological regularity She claims that by understanding these love cycles we can take control of the hormonal rhythms to enhance sensuality inhibit the aging process ward off PMS increase the probability of a successful pregnancy and encourage quality of life Her substantial research is heavily cited and illustrated clearly with graphs and supporting references Readers will discover why monogamy and restraint make biologic sense how hormones are affected by our sexual behavior and how both men and women can take control of their fertility Dr Cutler presents her controversial discoveries in the fields of human sexual behavior reproductive physiology and cosmic influences of reproduction LOVE CYCLES also explains her groundbreaking 1986 discovery of human pheromones in scientific detail This remarkable book is a unique blend of science philosophy and common sense This is a serious scientific work with profound practical application In fact LOVE CYCLES is very much about the scientific process how a scientist follows a hunch designs a study and experiences the triumph of discovery Winnifred Cutler s analysis of her data is visionary and inspiring **Love Cycles** Winnifred Berg Cutler,1996-04 *Time and Intimacy* Joel B. Bennett,2000-11 This volume examines the role of time in relationships with a focus on the transpersonal dimension of intimacy and the temporal aspects of relationships For scholars and students in personal relationships psych of religion family studies intimacy **The Whole Man Program** Jed Diamond,2007-08-24 The perfect gift for every man over 40 Michael Gurian Rich with solutions to becoming a whole man Warren Farrell Ph D author of *Why Men Are the Way They Are* In *The Whole Man Program* Jed Diamond treads fearlessly into the new territory of what it means to be a healthy man This book guides and inspires you to make more conscious choices that will enhance your body mind and soul David Simon M D Medical Director of the Chopra Center for Well Being author of the Nautilus Award winning *Vital Energy and Return to Wholeness* and coauthor of *The Chopra Center Cookbook* You can take positive steps toward improving your health and maximizing your passion productivity and purpose Written by the bestselling author of *Male Menopause* and based on the latest breakthrough information *The Whole Man Program* offers proven techniques that will help you reach a whole new level of physical emotional and spiritual health You ll learn how to lose weight and meet specific fitness goals prevent heart disease cancer depression and other diseases put life and love back into your sex life find your calling and be happy with your work life and achieve new levels of energy and vitality and have fun while you re doing it So get with the program start reading *The Whole Man Program* today and feel better than ever *The Myth of Sex Addiction* David J. Ley,2014-07-10 The media today is filled with powerful men in trouble for their sexual behaviors and invariably they are diagnosed as sexual addicts Since Adam first hid his nakedness from God and pointed the finger at Eve men have struggled to take responsibility for their sexuality Over the past three decades these behaviors have come to reflect not a

moral failing but instead evidence of an ill defined disease that of sexual addiction The concept of sexual addiction is a controversial one because it is based on questionable research and subjective moral judgments Labeling these behaviors as sex addiction asserts a false dangerous myth that undermines personal responsibility Not only does this epidemic of sex addiction excuse mislabel male sexuality as dangerous and unhealthy but it destroys our ability to hold people accountable for their behaviors By labeling males as weak and powerless before the onslaught and churning tide of lust we take away those things that men should live up to personal responsibility integrity self control independence accountability self motivation honor respect for self and others In *The Myth of Sex Addiction* Ley presents the history and questionable science underlying this alleged disorder exposing the moral and cultural judgments that are embedded in the concept as well as the significant economic factors that drive the label of sex addiction in clinical practice and the popular media Ley outlines how this label represents a social attack on many forms of sexuality male sexuality in particular as well as presenting the difficulty this label creates in holding people responsible for their sexual behaviors Going against current assumptions and trends Ley debunks the idea that sex addiction is real or at least that it is as widespread as it appears to be Instead he suggests that the high sex behaviors of some men is something that has been tacitly condoned for countless years and is only now labeled as a disorder as men are being held accountable to the same rules that have been applied to women He suggests we should expect men to take responsibility for sexual choices rather than supporting an approach that labels male sexual desire as a demonic force that must be resisted feared treated and exorcised
