Babatunde, 2008-10-30 In his first book God The Truth Abd Rasheed discussed wholly about God Who What Where and How He is In this book he went further to expose God's ultimate creation man his being nature composition drives etc Topical subjects like soul senses body psyche intuition desire fear death wisdom happiness peace of mind sin religion and many others are discussed and analyzed It is a highly philosophical and motivating book a must read for discerning minds Happiness is a house with many doors the door presented in this book is the one the author knows and readers are invited to enter the house happiness through this door you are welcome to the bliss of eternity **Creating a Culture of Invitation in Your Church** Michael Harvey MBA, 2015-07-17 We like to think our church welcomes visitors But how welcoming can we be if we are not inviting We are welcoming as long as people get themselves across the church threshold but we fail to take our welcome outside During the years Michael has been developing Back to Church Sunday he has conducted an extensive study on the seemingly simple subject of invitation Over 650 times in 12 countries he has asked Why don't we invite our friends to take a closer look at Christ The many answers form the impetus for this book After considering why it seems so hard to invite friends to church Michael looks at our concerns over acceptance and rejection and suggests ideas gleaned from years of trying to establish a culture of invitation When I have specifically encouraged Christians to issue an invitation some people say yes and some no God sent his son to invite us all into a relationship and so to be like God is to be a person who invites **The conversation of a soul with God** Henry M'Cormac, 1877 *The Works of the English Reformers* William Tyndale, 1831 **Sacred Relationships** Dr. Kate Pola Brooks, 2014-12-05 Everything You Want To Understand About Relationships Sacred Relationships Psychology for the Soul is designed to define the inter relatedness of everything and everyone It gives clarity to the functioning of the mind the psyche and the heart Sacred Relationships

Sermons of Arthur C. McGill Arthur C. McGill, 2007-01-01 Throughout the 1960s and 1970s Arthur McGill had numerous opportunities to air his rich theological musings outside of the classroom We are now fortunate some twenty five years after his death to have seventeen sermons brought to us by the aid of his wife Lucille McGill and editor David Cain University of Mary Washington These homilies reveal the core themes that distinguish his theological writings relaxing in our neediness before God participating in the death to life pattern of self expenditure and rooting our hope in the unique power of Christ The collection culminates with what Cain notes as McGill s signature sermon on The Good Samaritan wherein we see that the reception of grace always precedes the extension of grace In addressing day to day issues such as possessions speech loneliness and anger McGill is both prophetic and pastoral He does not hesitate to say that the wickedness of Nineveh alas is the wickedness of the United States At the same time he brings a refreshing word with theological depth about human suffering and the God who models ultimate vulnerability

Emotional Empowerment Patrizia Patz, 2022-03-10 Feelings and emotions are part of our everyday life Sometimes we are supposed to show them sometimes we are supposed to hide them in other words to control our emotions But when we look at it soberly we are emotionally illiterate We don t really know what to do with our feelings Why have we forgotten how to deal with them Or have we just never learned it This book provides answers to these questions Because in order to come to our senses again we need a different attitude towards feelings They can be a gateway to and a tool for manipulation Or a catalyst of our innermost being and thus a source of empowerment But without awareness we have no choice Only when we know our feelings do we gain clarity and are able to take responsibility for changing something Patz relentlessly dispels outdated myths about feelings and shows practical and attractive ways to live our authentic potential
