Way Juanita Tischendorf,2018-09-04 Is it ever too late to have a last chance at love Who knows but the heartwarming book Love Will Find A Way may have the answer This book carries itself with grace and class despite its tough subject matter And that s due largely to the persons of Parker and Trinity Parker learns that he has inoperable cancer and not long to live A stock broker by trade and use to overcoming obstacles and predicting outcomes he finds himself at a loss on how to close the deal It is by chance he runs into Trinity a will o the wisp free spirit who has hidden issues of her own one of which is learning she has terminal cancer But sometimes chemistry overshadows practicality and the two are drawn together in ways both heartwarming and sad Despite the subject matter the book provides humor to soften the absurdities of life Humor is splatter through the pages giving definition to the characters demonstrating what is important Love Will Find A Way is entertaining

Love Has a Name Adam Weber, 2020-08-25 Discover the joy of stepping out and intentionally loving the people around you. Love has a name, and that name isn't Mark or Adam or even yours. That name is Jesus, and when we make love about him, everything else falls into place. Struggling to love? Pick up this book. Mark Batterson, New York Times bestselling author of *The Circle Maker* and lead pastor of National Community Church. Who does Jesus love? The stranger who looks strange. The driver who cuts us off in traffic. The person online who thinks differently than we do. Loving people is hard. Especially when it involves the difficult people in our lives and those different from us. We say we love others, but really, we don't. Instead of loving, we hurt, belittle, and overlook people. Which is precisely why we need to learn how to love from Jesus and from one another. Adam Weber knows firsthand how important it is to learn to love. And he's learned incredible lessons from incredible people, some of them quite unexpected. With hope, humor, stretched comfort zones, biblical truth, and maybe a few tears, *Love Has a Name* looks at the most powerful of these stories, showing us twenty-seven people and one school who have taught Adam how to love like Jesus. One name at a time.

Love Has a Name S. Ann Cole, Headstrong, dominant, and stubborn as hell, Axia Blacksville is the queen of her own universe. She calls the shots, sets the rules, then breaks them if she feels like it. There's nothing she wants that she can't have. Nothing she craves that she won't get. A taste of him? And she neither wants nor craves tech billionaire Lovello Nelson. Because if there's one thing she hates, it's pretty boys. But the cocky, illegally handsome womanizer who has love as a name is determined to get the saucy, stubborn, dark-haired femme fatale beneath him and under control. And he won't stop until she's his mind, body, and soul. In a fierce war of hearts, someone has to give in. Submit. This is bound to end in disaster. A beautiful disaster.

The Way of Love Livio Melina, Carl Anderson, 2010-09-17 In response to Benedict XVI's first encyclical, the Pontifical John Paul II Institute for Studies and Marriage and Family reflects together with the Holy Father on love. From the very beginning, the fundamental work of the Institute has been pursuing a deeper understanding of God's plan for marriage and family. In these twenty-five years, various generations of students and professors following the legacy of John Paul II have been able to discover and communicate the beauty of the vocation for which all men have been created: the call to love. Twenty-six professors from the Institute's various sessions express what, in their understanding, are the main themes of the document, approaching the topics raised by the Holy Father with different theological and

philosophical perspectives by so doing they have highlighted the significance and fecundity of the lines of thought suggested by the Pope This book is offered as a path towards a fuller understanding of the profundity and richness of the love with which God fills us and wants us to communicate in our turn **Love Will Find a Way (A Riveting, Emotional Romance)**

Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out *Love the Way*
