Collapse

Jared Diamond, 2013-03-21 From the author of *Guns Germs and Steel* Jared Diamond's *Collapse* How Societies Choose to Fail or Survive is a visionary study of the mysterious downfall of past civilizations Now in a revised edition with a new afterword Jared Diamond's *Collapse* uncovers the secret behind why some societies flourish while others founder and what this means for our future What happened to the people who made the forlorn long abandoned statues of Easter Island What happened to the architects of the crumbling Maya pyramids Will we go the same way our skyscrapers one day standing derelict and overgrown like the temples at Angkor Wat Bringing together new evidence from a startling range of sources and piecing together the myriad influences from climate to culture that make societies self destruct Jared

Diamond's Collapse also shows how unlike our ancestors we can benefit from our knowledge of the past and learn to be survivors. A grand sweep from a master storyteller of the human race. Daily Mail. Riveting, superb, terrifying. Observer. Gripping. The book fulfils its huge ambition and Diamond is the only man who could have written it. Economist. This book shines like all Diamond's work. A Season of Dying Deborah Mark McClellan, 2012-05-11. Middle-aged, a single mother and newly divorced, Debra Bergman is a woman who freely admits she has gone to hell and back one too many times in her life due to the bad choices involving men with addictive and destructive behaviors. She has survived a disastrous ten-year marriage to her daughter's father, making her strong enough she believed to weather any storm that would come her way. Despite a reputation for being a player, Debra discovers a fierce attraction to the charismatic and captivating musician Michael Jamison. In spite of flashes of past relationships and Michael's excessive drinking and suspicious behaviors, Debra surrenders to her desires, believing the marriage was God's plan for her life and allows Michael to find his way into her mind and body. But for Michael, the lure of celebrity and being in the spotlight were too desirable for him to leave behind. And when all she believed in revolts against her with a vengeance, she collapses into a downward spiral, crossing the threshold of a black hole that threatens not just her life but her faith as well. Debra soon discovers that her only hope out of the darkness and desolation in her life is to embark on yet another relationship.

After Lacan Willy Apollon, Danielle Bergeron, Lucie Cantin, 2012-02-01. After Lacan combines abundant case material with graceful yet sophisticated theoretical exposition in order to explore the clinical practice of Lacanian psychoanalysis. Focusing on the groundbreaking clinical treatment of psychosis that Gifric Groupe Interdisciplinaire Freudien de Recherches et d'Interventions Cliniques et Culturelles has pioneered in Quebec, the authors discuss how Lacanians theorize psychosis and how Gifric has come to treat it analytically. Chapters are devoted to the general concepts and key terms that constitute the touchstones of the early phase of analytic treatment, elaborating their interrelations and their clinical relevance. The second phase of analytic treatment is also discussed, introducing a new set of terms to understand transference and the ethical act of analysis in the subject's assumption of the Other's lack. The concluding chapters broaden discussion to include the key psychic structures that describe the organization of subjectivity and thereby dictate the terms of analysis, not just psychosis but also perversion and obsessional and hysterical neurosis.
