HIS LOVE. HER FANTASY

Adrian Gabriel Dumitru, Annie P David, His love Her fantasy understanding what love is about As friends as a man but also as a woman we try to define the undefined from a love story Dreaming about love and being in love the path from the fantasy to the love story itself is just a matter of luck or maybe where you find yourself on the timeline of your own life Maybe is the perfect time for you to explore what love is about or maybe other things are important at the moment and the love story can only be a future project Exploring what love is about in our minds as a fantasy or in the real life as a real love story is depending only and only if we are ready or not But what is the difference between fantasy and reality when even the Bible is saying that everything we see is just an illusion Well i believe that the fantasy is only the beginning of defining what we want and the love story is the experiment itself Is it too much to name a love story an experiment Well exploring as a fantasy or as reality is letting your soul understand what love is about And sometimes is even a life lesson The moment when you jump into the fairy tale the real fantasy and you understand the meaning of love the fact that love is about giving and not about

receiving that is the moment when you also understand what life is about Accepting your partner just as he she is just as accepting all the people from our lives is the moment of awakening Me Adrian and my dear Annie are only trying to define the unseen path from fantasy to the love story itself And also let you know that this path is leading you to point when your thinking will be totally redefined Life itself is about love Seeing what love is about is understanding the meaning of life If the love chapter started for you even if it s just a fantasy of reality you should be happy The awakening will come to you

Measure Twice, Love Once Yvonne Kohano,2015-04-21 Fortune smiles upon the brave and frowns upon the coward For Geno Altimari the old Latin proverb proved to be true One pivotal night and a denied entreaty changed everything It cost him years of friendship and missed opportunity for a life that might have been his destiny simply because he was afraid Love was never the same Burying his caution under a laid back smile made it easier to hide his regrets When karma offers him a second chance he wants to be the man everyone believes he is His personal apprehension is harder to conquer But Agnes Amendola needs him and her daughter longs for something special to make her life complete something in Geno's power to provide Can he overcome his anxiety over his past mistakes As their teacher said in first grade Altimari and Amendola sound destined to be together Maybe this time fortune will smile upon them The Flynn's Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises
