Mr Siggie Morrison With His Comb And Paper:

Mr Siggie Morrison with his Comb and Paper Bill Reed, 2015-06-07 Blurb Act I PARSONS I m beginning to feel what his friends must have gone through when they were really seeing him off The longer they wait the more improbably it is that the bloody plane will ever leave They mouth platitudes to each other about every man having the unimpeachable right to die at home They don t look into each other s eyes knowing that not one of them has even bothered to tell the old boy about pipe dreams tobacco smoke delusions What they mean really is that they can t wait any longer to get him off their hands Blurb Act 2 SURROUND MONOLOGUE I didn t care I had my ticket in my hand in the plane I would have had my ticket in my hand if they hadn t taken it off me before I got on That s not the point It s as good as having your ticket in your hand when you re sitting in the plane and they haven t turfed you off because if they haven t turfed you off then that means you must have had a ticket in your hand to be able to be there on the plane And what I ve got a right to expect is a bit of help from someone coming up and saying Siggie Someone to come up and say my name It s a tremendous bit of help when someone remembers your name when they come up and say Siggie It s terrible when someone comes up and opens his mouth to speak but says nothing Blurb Act 3 As a director I was immediately impressed by the inherent theatricality of the play of what constitutes a theatrical event In this work that gives us not just a play but an experience of the struggle for creation Peter Batey Artistic Director **Bullsh** Bill Reed, Ron Edwards, 2015-06-02 A humorous narrative writtenn for nthe stage around Ron Edwards best selling book Australian Yarns *Living on Mars* Bill Reed, 2016-01-16 A harvesting of 6 full length plays by Bill Reed which have not been published in book or ebook form before yet were performed by professional companies **Tasker** **Tusker Tasker** Bill Reed, 2015-01-14 John Tasker is a divided but enjoined man Physically he is running from the law while hunting down his own father just as his father used to track down the wild tuskers in Sri Lanka At the same time mentally he is tracking down his murderous brother s enemies imaginably or not with a deadly efficiency Adding to his confusion is how his indolent lawyer s job in the Attorney General s Department has itself suddenly become fraught with danger for his own personal safety The resultant clash that erupts between his fervently adopted Australia and his fervently rejected Sri Lanka isn t helping the mental chaos he is thrown into on an otherwise perfectly acceptable day One trouble is his state of being so enjoined Through his own mind s eye he sees how his own milieu has been drawing him inevitably towards the cliff s edge Also through his and his brother s mind s eye he sees too much of the terrorizing worldwide Tamil organizations and from a close up much too gory And through his and his father s mind s eye he sees no good nurture purpose to his existence except the sighing and dying and the leavings from him He can see how it s all so willfully like his father s wild snared tuskers endeavouring to escape trying to drag the lines dragging the antler d sambhur s skulls through the hopelessly impossible bush On top of all this he has the living scaffold of the Sri Lankan Inspector Ekanayake now and ever looming over him The Inspector doesn t care a hoot about any mind s eye or mind s eyes bloody ing hell sorry He only cares for the hunt s

conclusion and how John Tasker should know it What is the Inspector doing in Canberra and asking so many pointed questions What might he know about the shadowy and murderous Tasker twin brother with apparently the justified alias of Tusker All John Tasker can now see is how his world and the manic world of his fearsome brother are being forced to converge so suddenly and so bizarrely This is the first title in the ongoing Inspector Ekanayake series The Rhyming Cutlets of Pirip Bill Reed,2021-03-24 We cannot blame Charles Dickens for not meeting our national Arts treasure Philip P Pirip but go blame yr rotn Fate whos flushs beat yr faces straights It could be said though Dickens did lend his major characters to Philip P Pirip although lend might not be the best word rather freedom opened the door to its wide open spaces to allow them to escape and give vent to their grievances with their famous author seeing as to how he never once mentioned the fabulous Surnev diamonds that they once had their hands on and now wanted back at whatever cost to literature Fabulous royalties might have been Charles Dickens s lot but the diamonds were the only avenue for riches beyond creative writing for Miss Haversham Estella Mister Jaggers Compeyson Orlick Biddy and a whole cast of actors and naked actresses who now demanded their jewel dues and were willing to kill for them That escape fell to them after Great Expectations found its way onto one of the heaps in the rubbish tip that was beloved of Pirip and in fact the location of his Tiphome a dump in itself From that fact it was only a short fictional distance for the Dickens s characters to land on Pirip s lap with a vengeance They came to lap but I stukk out tongue take thapt How our hero struggles with them might not be in any universal history books but in artistic circles it set the standard for the license to cull **Wi** Bill Reed,2020-01-03 Surely you remember Wi a name especially chosen to fit our attention spans The world record kidnappee nabbee swipee snatchee hoisted so many times even he s lost count How about those three times in five minutes effort That takes rare raw talent that does I mean if it wasn t for our Wi how many of these yabbers yarns shaggy dogs and yank your chain whoppers could I trot out for you Even getting across one s not easy when it s always against the wind from people laughing in your face No really without our Wi where would all the odd balls be drowning their sorrows by ingesting the food in Dominic s Eatery swallowing whole mouthfuls without a thought for their own safety Would any plate get the Wi wipe and come out miraculously unscathed from what had been just laid upon it Without Wi how many screwballs could have hired him to do all they ve always wanted to do God knows and the Talls say God knows because if you take it that God made him in His own image then maybe you ve stumbled across the one time God spoke too soon Okay setting that aside coming to you is a cast of Lankan characters and you d cast too and barf and burp if you had some of Dominic s food inside you let s not kid ourselves Not all of us have cast iron guts and can absorb what could canonize you if you kept it down And our Wi can t help being White either Did he ever ask for the hoists he s had to suffer or complained about the lack of duty of care his kidnappers have shown him their kidnappee after all No All he asked was a hideaway high above the stars so bright At least he got that And though having to watchfully wait at least he received the epiphs too With the epiphs he could epiphicatedly dream so I guess he had something

going for him And let s not forget he s Talls recorded as having said Just let me know if I m breathing too much and I ll stop Hey what kidnappee or country like Australia gets a kidnappee so considerate Is he a peach of a pooch or what Bill Reed is an Australian novelist playwright and short story writer with national awards for all three He now lives in both Australia and Sri Lanka *The Wolfman of Oz* Bill Reed,2020-06-04 Y ou could say man into wolf and wolf into man got blasted into existence You could also say the Tasmanian Aborigines and the Tasmanian Wolf got blasted out of existence It s called extinction and it lasts forever and when Ihe the wolfman did the sums of early Tasmania it all added up This was except for one thing the existence of the truly last Thylacine Wolf hiding out somewhere life giving and life preserving from the ever hunters and the always killers This made it all the more urgent for Ihe to find the great beast first in order to brace up its unique animal kind courage before they tracked it down They are always tracking it down But Ihe was Man and also Wolf as one and he was on the scent too that for every eye done to extinction was a human hunter s eye and for every done in eye tooth was a human hunter s tooth And for flesh what better than human flesh But first there was his famous arch enemy to hunt down and run from both It was bad enough when he planted his foot in the wrong place and the Army s report about it concluding In any hairy situations this will undoubtedly change how he gets a lot of looks But what would the Army know about the trauma that transmogrifies It s always been nits or nothing with him anyhow It s just that Ihe the wolfman didn t want to end up like the presumed last Tasmanian Wolf hanging from a rafter That great shame *Burke's Company* Bill Reed,2017-10-04 the Theatre of the Absurd and the Theatre of Cruelty are even more pervasively embodied in the plays of Alexander Buzo Thomas Keneally and Bill Reed In Buzo s case it is Absurdism which is especially apparent in Keneally and Reed Artaudian myth and language in space It was Reed in Burke s Company who pioneered Artaudian techniques in a play of stature If the play is given imaginative production it powerfully exemplifies one of Artaud s most famous metaphors The figures on stage will suggest universal human victims burning at the stake signaling through the flames Professor Dennis Carroll Contemporary Australian Theatre Currency Press *Dogod* Bill Reed,2015-04-02 Ed following is the Thomas Nelson Australia s 1977 blurb for the original edition but here annotated in italics by the author for this reprint Bill Reed s first novel is a celebration of the Australian language Dogod employs a language that uses our sounds our national images our landscapes and our slang to examine our rhythms and forms of speech Leading back through the images as words of Joyce Carroll Thackeray and Shakespeare I thought I was the one making with the jokes here here is a lament for the human condition as it is affected in modern times I lamented a bit over the manuscript too All I know was it was a neat pile of typescript pages but next morning it had paws marks all over it As a bone to a dog so are we as toys to the gods Hence Dog god a chaotic deity tossing and pouncing with bestial delight on His Its favourite human plaything Jelf A walking disaster area Jelf hardly needs Dogod s assistance to attract the natural and unnatural contempt of his associates as he lurches on his apocalyptic journey apocalyptic is first class with his allotted dog pass Jelf travels Economy through Australia s visible and

invisible landscapes Dogod is both funny and profound It is an examination of the comic tragedy that is within each of us and within our society Its wit its humour and its deeper purposes are brilliantly sustained Its challenge is for you the reader At least putting reader singular was spot on NB Also there s nothing about the plot here I remember distinctly that there was one as in Jelf chasing Alyce chasing Quilty chasing Henry chasing a whole host of others or vice versa while the Australian dream really doggedly chases them all and keeps spoiling the plot like the real hound it is About the author Bill Reed is a playwright novelist and short story wroughtist He dangles shaken hanging from the pelt *Stigmata* Bill Reed,2015-04-06 You have the stigmata his grip firming when she tries to pull her hand away So have I The scar across my eye you see Take a hermit innocent Christ like withdrawn foreign looking non English speaking then place him where the innocent are getting raped in an insular community The result is awful predictability amid cries of no more But the rapes continue until the rapist is caught Remove a hermit innocent Christ like withdrawn foreign looking non English speaking to the desolate mainland Let the child of the rapist follow why to the desolate mainland where the neighbours are a half witted man and his fighting cock of a sister Add a city detective on the pry an abattoir a sometime nightclub entertainer and her squatter husband Minds on the edge rubbing against each other Double double toil and trouble In *Me the Old Man* Bill Reed demonstrated his skill in portraying inhumanity and its often insanity Readers of *Stigmata* will not be disappointed with this follow up work Originally a well known and widely performed and award winning playwright Bill Reed began writing fiction in his late thirties *Stigmata* was his fourth novel and became the winner of the FAW Australian Natives Award in 1981 To date he has written thirteen novels including 1001 Lankan Nights books 1 and 2 He has worked as a publishing director and journalist in Australia and overseas including Canada Britain and the Subcontinent During that time he became Publishing Director of two major Australian publishing houses but now mostly resides in Sri Lanka It s that interaction of innocence and inhumanity that so chills the blood like certain Samuel Beckett novels it could have left the reader feeling suicidal but in fact the final effect is one of driving elation Jill Neville review Sydney Morning Herald **Me, the Old Man** Bill Reed,2015-03-03 I not only write books I am this book The actual person or persons After a flash flood in 1965 an elderly man became trapped down a Sydney parkland storm drain Children discovered him but did not tell their parents Instead they fed him a biscuit and a little water once a day for three weeks When he was finally rescued the flesh on his legs had become putrescent He could not remember how long he had been down there Bill Reed extends this situation to explore the interaction of innocence and inhumanity that is so prevalent in these days of random violence Here the old man like so many others has come to Australia with all the hopes of regeneration But the sun has not shone on him very much and his brother and sister have disowned him He has had to live in sordid hostels and to endure the barbs of a society that pays respect only to the fittest As his minds drifts the old man dreams he is back home in Belfast He has got beyond the smell of his own rotting flesh and the fleas and rats He no longer feels the cold or works up the desperation to plead with the children to get help He floats mentally waiting for the

final water rush of the coming last storm And as he does so the author uses himself as a character to the story as one of the brutalisers the sheer fact of writing about the old man in this terrible state possibly morally aligning him to the teasing torturing children Using Edward Nugent's real writings to give an authentic voice to the old man doesn't help his frame of mind either Bill Reed has been involved in writing and publishing for most of his life in Australia Britain Canada and the Subcontinent He has had nine plays professionally staged and has written thirteen novels including 1001 Lankan Nights books 1 and 2 He has won national awards in playwriting short story and novel categories He now resides in Sri Lanka Edward Nugent was born in Belfast in 1900 and migrated to Australia after WW2 eventually living in a Salvation Army home in Adelaide where his major preoccupations were his manual typewriter and his old fiddle He tragically died in a room fire in 1979 two days after receiving an advanced copy of this book The quote above was his reaction **Throw Her Back** Bill Reed, 2018-01-10 Smith and then his son Terry found they were just as snagged on Hindu's damning wheel as their forebears had been for over 170 years until the family finally managed to carry on to Australia The two of them thought they could ride belatedly to the rescue of Terry's once little sister who was simply never handed over at the adoption ceremony those years before especially since they discovered she had escaped being returned to sender at birth as some sort of yoni assembled piece of misadventure But they found themselves caught in the spokes of child racketeers' caste delusions and probes into the country's female gender issues that are only attached by wires to ultrasound machines Nandi Baba the Kapalika priest with his best brandy Tantra practices gave them hope of saying enough is enough until his conjured Hag goddess a quiver sexually came down upon them The book is set in Australia India and Sri Lanka and is fictionally based on real events and most devastatingly on even Indian Government statistics showing in many places mathematically impossible discrepancies between official birth rates of boys over girls *Shorts* Bill Reed, 2016-08-01 Here are the award winning or noted short form plays whose productions range from a few minutes to lengthy one acters Each inclusion in this collection has been selected by the Australian Script Centre to be listed for viewing or purchase on its website Australianplays.org These twelve plays are designed either for full production or as workshop exercises with allowances for a few or a goodly number of actors and theatre support staff Some have been produced many times by groups either in advanced level schools or at theatre festivals *Daddy the 8th* Bill Reed, 2016-06-24 An ensemble of actors who are about to start rehearsing a play about the Moree race riots visit Endeavour Lane in Moree to get a feel of the lie of the land This is where the young Aboriginal Cheeky McIntosh was shot and killed during the infamous 1982 rumble between local whites and blacks The leader/director/writer of the ensemble has a more intimate knowledge of the site Back in 1982 he remembers playing cricket with his school chums using as a lark a wicket made up of a piece of the makeshift stockade Cheeky and his mates tried to hole up behind Now while the actors mill around Endeavour Lane an old man appears in their midst sits down and declares he is waiting for a bus Endeavour Lane is a dead end to take him to the murder trial of the three Whites charged with Cheeky

s death The old man is Daddy a local Moree elder Is he out of his time Is he trying to interfere with the ensemble s thinking about putting on a play about that night back in 1982 Is he really waiting for a bus to take him to some trial about the riot They might be the wiser if they could concentrate on what Daddy is saying rather than arguing amongst themselves They do understand though that dabbling with the theatre is dabbling with an illusion that can be more real than reality and just as killing Still they cannot understand why that full scale riot at Myall Creek Massacre even further back in 1838 should keep cropping up in what should have otherwise been their lazy n hazy Sunday morning especially since not a line of script has been written yet It begs the question about which Daddy down the millennia are they dealing with here Bill Reed is a novelist playwright and short story writer He has worked as editor and journalist both in Australia and overseas and has won national competitions for drama and for long and short fiction

Auntie and the Girl Bill Reed, 2016-06-28 Dorothy is married to a south Indian surgeon who has been shot in a gang related murder in Melbourne She knows nothing about what s behind this but she feels obliged to travel to her mother in law in Chennai to relate what little she does know This she dreads doing not just because this once Australian everyone s auntie has always turned a blithe deaf ear to her but more because the old girl is a scrawn a whack job a dizzy shouting commands and bouncing around doing power praying in her so called God s Kip out Auntie s alarming behaviour is exasperated by the current domestic help a girl who has the old shrew s measure In God s Kip out surliness and plain dumb disobedience palpably beats screaming fits every time If trying to muster up Auntie s comprehension wasn t enough Dorothy is soon reminded of her fury towards Auntie s other son Navin who is a doctor specialising in local fertility clinics and of course offering legal terminations to those who would prefer to try again for a son rather than waste a pregnancy on a girl As screechingly obtuse as Auntie is Navin remains stubbornly obtuse to any moral problem with what he does he has the comfort of the broader picture of his beloved ultra sound machine s screen Nor does Dorothy bank on the physical manifestations of her husband s killing coming to literally try to beat Auntie s door down to get at her It is as well Inspector Charles Ekanayake is in refuge there with his beloved auntie for his secondment to the Indian CID from Sri Lanka He doesn t mind broken legs on the front lawn

Reveal. Bill Reed, 2018-02-27 If you are a famous enough author long presumed dead and you keep sending notes to your Publisher through some far off precocious teenage girl who says she s never heard of you and the frightening predictions in those notes keep coming true then you can t be dead Can you For one the mother of Jimmy Massey knew nothing of you walking into the sea off southern Sri Lanka or your predictions of the murders of all sorts of priests across Asia and Australasia nor a thing about the woman child making them Nor did she have a clue as to why her little Jimmy a simple taxi driver got slaughtered along with the priest in Cairns Cathedral that Easter But she did know Dr Valentino Sebastian kept coming and literally sniffing around her tribe people s little chapel even if she couldn t know what he could do with birthings seemingly at will The mother of Jimmy Massey knew that no matter how much sniffing around her and hers went on or what all the police and all the nosey parkers in the world

might say she could see in her mind that there black shore your notes kept going on about She could hear the nearing howling She sensed the coming But not one thing ever was going to come anywhere near what she held enclosed unto herself as dearly as life itself Nuh huh You and all the others can take your prophecies and predictions and shove them all **Water Workout** Bill Reed,2017-10-04 THE POOL IS A GREAT GYM FOR ALL AGES You don t have to be a swimmer or sprightly to experience the joys of water and the benefits of water exercising In your own or the local pool you have the best fitness medium imaginable The pool is not just for kids to play around in or for competitive swimmers only Even if you can t swim it s for you a fitness center that comes without embarrassment because you are doing something sensible that looks sensible Use the pool as a gym for general day by day fitness body building using even only old socks on your hands or feet sports training and injury recovery pregnancy gentle yet great flexibility help aches and pains relief no matter what your age Or simply to feel good Or going one step further to get back to feeling good Water exercising is also great fun Do it to music Do it in pairs or groups or just indulge yourself Get strong or try slimming with it If you push against water you will meet a smooth resistance that gives back what you put in You feel that special soft resistance that only water gives so soothingly and relaxingly So use it to benefit yourself or your loved ones or friends Water is the only fitness apparatus you need have Be your own coach in your own pool *Crooks* Bill Reed,2015-04-07 You would have to wonder why a Rhodes Scholar a VC winner and a Commissioner of Police named his son Frank E R Stein by way of a ha ha monstrous joke or why he cackled derision every time his eyes lit upon the boy or why he showered more affection on his adopted son Costas the otherwise offspring of a Mr Bigs of organized crime And as the well is so poisoned such is the quest Frank Stein must make to seek revenge for the gangland killing of his crusading crime fighting half brother At least it is a way to presuppose the kingpins presumably coming for him too after all even as a joke it s not how you bow out but how you get stuck in Rape assassination shocking intrusions of a vicious crime world it s all there for a tragic and hilarious story to unfold before Frank Stein assisted by his own side comprising of a woman in search of an international bestseller and an indigenous brother who survives writing sports reports without going to any games when all he needs is a deaf dumb and blind rich white sort to tide him over And yes haunting over all is a shadowy guardian Chinese toughie as well as his ubiquitous father from his wheelchair One has to ask what have the famous father s shocking WW1 experiences to do with the resulting mayhem What has be done to his sons What did the Nip bullet the old boy finally coughed up after forty years look like even as a metaphor Underlying the rich gallery of these and other grotesques there are the wit and the pace and the bawdry of *Crooks* In the real life crime parlance of a pushover to put down this book won t disappoint crime buffs about the author Originally a well known playwright Bill Reed began writing longform fiction in his late thirties To date he has written thirteen novels including the so called noteworthy 1001 Lankan Nights books 1 and 2 He has had eight plays professionally staged He has worked as an editor and journalist in Australia and overseas before finally putting his feet up in Sri Lanka *Passing Strange* Bill
