Dan R McConnell

Mrs Eddy Purloins From Hegel Paperback By Haushalter Walter M:

The Emergence of Christian Science in American Religious Life Stephen Gottschalk, 2024-07-26 Christian Science is one of only two indigenous American religions the other being Mormonism Yet it has not always been examined seriously within the context of the history of religious ideas and the development of American religious life Stephen Gottschalk fills this void with an examination of Christian Science's root concepts the informing vision and the distinctive mission as formulated by its founder Mary Baker Eddy Concentrating on the quarter century preceding Eddy's death a period of phenomenal growth for Christian Science Gottschalk challenges the conventional academic view of the movement as a fringe sect He finds instead a serious and distinctive though radical religious teaching that began to flower just as orthodox Protestantism began to fade He gives a clear and detailed account of the rancorous controversies between Christian Science and the various mind cure and occult movements with which it is often associated and contends that Christian Science appealed to disenchanted Protestants because of its pragmatic quality a quality that relates it to the mainstream of American culture This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973

The Kingdom of the Cults Walter Martin, 2019-05-21 In an era of rapid growth of false religions worldwide Christians need information they can trust This comprehensive new edition of the leading book on cults will equip you no matter your background to understand and use biblical truth to counter false religions including many that masquerade as mainstream Christianity Reflecting the developments in cults and world religions in recent years this edition updated by expert Jill Martin Rische daughter of Walter Martin gives you the authoritative information you need to know As our culture becomes less and less outwardly Christian awareness of the belief systems of those around us has never been more vital Readable and reliable for everyone whether you're a teacher a pastor or a regular church attender *The Kingdom of the Cults* remains the go to reference book on this crucial topic

A Different Gospel Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson

Christian Science Stephen Gottschalk, 1978

Mind Sciences Todd Ehrenborg, 2016-09-06 Is evil a state of mind that can be changed Is there a latent divinity in us all Is there a personal God The answers to these questions given by the mind sciences groups such as Christian Science Religious Science and the Unity School of Christianity are not the same ones given by orthodox Christianity Moreover these mind sciences appeal to many people who seek cures to illness

that conventional medicine and Christianity do not offer Can we put our trust in them Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood Mrs. Eddy Purloins from Hegel Walter Milton Haushalter,1936 Christian Science Today Charles S. Braden,2025-07-31 First published in 1958 in Christian Science Today the author s aim is to see what has happened in Christian Science since Mrs Eddy s time Since the founder of Christian Science passed away much has been written about Mary Baker Eddy and her movement but not a single full length study has appeared on the basis of entirely objective scholarship It is the purpose of this book to remedy that lack The book raises fundamental questions like has the essential nature of her teaching been modified Are there any trends in Christian Science thought today that are new and if so how has the Church regarded them Have there been sectarian offshoots What has become of them How is the Church dealing currently with those who hold views supposedly at variance with the official views The author is deeply respectful of the values in the faith founded by Mrs Eddy and he states fully and fairly the facts he has learned about Christian Science the Church and those who direct it In his thorough documentation he relies on both official and unofficial sources including a vast amount of unpublished material This is an important historical reference work for scholars of Christianity and religion Due to modern production methods it has not been possible to include two fold out image plates within the book Any purchasers of the book will be able to receive a free pdf of the relevant pages by contacting Routledge Customer Services <https://www.routledge.com/contacts/customer-service> **God's Perfect Child** Caroline Fraser,2024-06-04 From the Pulitzer Prize winning author the most powerful and persuasive attack on Christian Science to have been written in this century Los Angeles Times Book Review Millions of Americans from Lady Astor to Ginger Rogers to Watergate conspirator H R Haldeman have been touched by the Church of Christ Scientist Founded by Mary Baker Eddy in 1879 Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills an extreme expression of the American faith in self reliance In this unflinching investigation Caroline Fraser herself raised in a Scientist household shows how the Church transformed itself from a small eccentric sect into a politically powerful and socially respectable religion and explores the human cost of Christian Science s remarkable rise Fraser examines the strange life and psychology of Mary Baker Eddy She takes us into the closed world of Eddy s followers who refuse to acknowledge the existence of illness and death and reject modern medicine even at the cost of their children s lives She reveals just how

Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new age beliefs and other modern healing cults A passionate expos of zealotry God s Perfect Child tells one of the most dramatic and little known stories in American religious history A work of impassioned rationality important and profoundly disturbing Susan Jacoby Newsday New Startling Fraser has an eye and ear for the kind of detail that can help readers make up their own minds about an always controversial American religious expression Martin Marty The Boston Globe Splendid The New York Times **Mrs. Eddy Purloins from Hegel** Walter M. Haushalter,2013-10 This is a new release of the original 1936 edition *The English Catalogue of Books Published from January, 1835, to January, 1863 ,1864* *Chicorel Index to Parapsychology and Occult Books* Marietta Chicorel,1978 *The Christian Century* ,1937 *Religious Books 1876-1982* ,1983 **Mary Baker Eddy** Robert Peel,1972 The Emergence of Christian Science in American Religious Life, 1885-1910 Stephen Gottschalk,1969 *Truth Seeker* ,1941 The Religious Bodies of America Frederick Emanuel Mayer,1958 More Books Boston Public Library,1937 *The British Library General Catalogue of Printed Books to 1975* British Library,1984 **The Encyclopedia of American Religions** J. Gordon Melton,1978
