## **On The Apostolic Preaching:**

*On the Apostolic Preaching* Saint Irenaeus (Bishop of Lyon.), 1997 St Irenaeus is the most important theologian of the second century laying the foundation for all future Christian thinkers Irenaeus tells us that he had known Polycarp who had himself known the apostles and been appointed by them as the bishop of the church of Smyrna This direct contact with the immediate successors of the apostles was of importance for Irenaeus in his later defense of Christian practice and teaching In this work *Against the Heresies* he was the first to utilize the full range of apostolic writings in his controversy with the Gnostics and others Uniting for the first time the whole history of God's activity in one all encompassing divine economy Irenaeus demonstrates that there is but one God who has made Himself known through His one Son Jesus Christ by the one Holy Spirit to the one human race bringing His creatures made from mud into the intimacy of communion with Himself

**On the Apostolic Preaching** Irenaeus of Lyon, In his groundbreaking work *On the Apostolic Preaching* Saint Irenaeus the influential 2nd century bishop of Lyon presents a compelling and comprehensive defense of Christian doctrine As one of the earliest and most prominent theologians of the early Church Irenaeus seeks to establish a clear understanding of the apostolic tradition and its significance in the face of growing heresies Through a meticulous examination of Scripture and a deep understanding of the teachings handed down by the apostles Irenaeus articulates the fundamental tenets of the Christian faith He explores the nature of God the role of Christ in salvation history and the unity of the Old and New Testaments With great clarity and conviction Irenaeus demonstrates the continuity between the prophetic writings and the gospel message emphasizing the fulfillment of God's plan through Jesus Christ *On the Apostolic Preaching* stands as a timeless testament to the enduring truth of the Christian message and the importance of preserving the apostolic tradition Irenaeus's work not only refutes the claims of heretical movements but also provides a solid foundation for Christian theology that continues to shape the Church to this day This essential text offers invaluable insights for scholars theologians and all those seeking a deeper understanding of the roots of Christian faith *On The Apostolic Preaching* St . Irenaeus of Lyons, 1997

**The Demonstration of the Apostolic Preaching** Saint Irenaeus, Aeterna Press, IT is a remarkable fact and much to be regretted that none of the works of St Irenaeus the greatest theologian of the second century have come down to us in the language in which they were written Of his chief work the five books *Against Heresies* we have a very early Latin translation and a few fragments of the original Greek preserved through quotation by other writers The work now before us *The Demonstration of the Apostolic Preaching* has recently been found in an Armenian translation and no portion of it seems to have survived in any other language Aeterna Press *Irenaeus's Demonstration of the Apostolic Preaching* Iain M. MacKenzie, 2017-11-22 This title was first published in 2002 The theology of Irenaeus and the *Demonstration of the Apostolic Preaching* in particular is pivotal in showing the way in which the fathers of the church interpreted scripture and distilled doctrine The *Demonstration* is an important hinge showing how the doctrine of the fourth century with its definitive councils

and definitions of faith opens out from the new testament apostolic and evangelical witness Presenting the full translation of the *Demonstration of Irenaeus* by Dean Armitage Robinson this book offers a detailed theological commentary by Canon Iain MacKenzie on this foundational doctrinal text MacKenzie sets out the main theological themes throughout Irenaeus work and explores his method of systematic theology Athanasius s dependence on Irenaeus and Irenaeus influence on doctrine in the fourth century particularly the works of Athanasius Basil of Caesarea Gregory of Nazianzus and Gregory of Nyssa Highlighting the importance of this second century theologian for theology today this commentary and theological interpretation offers an incentive to study Irenaeus in the wider development of Christian doctrine as a cardinal figure in the appreciation of systematic theology *The Apostolic Preaching of the Cross* Leon Morris,1965 To understand the significant terms used in New Testament teaching about Christ s death for example redemption covenant propitiation justification Morris sets these words against the background of the Greek Old Testament the papyri and the Rabbinic writings as a basis for an examination of them in their New Testament setting **The Demonstration of the Apostolic Preaching** St. Irenaeus,Wyatt North,2020-01-08 The *Demonstration of the Apostolic Preaching* is an ancient Christian work written by St Irenaeus in the second century for converts to Christianity St Irenaeus work is a clear definition of the Apostolic message

**Apostolic Preaching Considered in an Examination of St. Paul's Epistles** John Bird Sumner,1830 **The Kerygmatic Spirit** Amos Yong,2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice The Kerygmatic Spirit argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expositional practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large **The Demonstration of the Apostolic Preaching** St. Irenaeus of Lyons,Armitage Robinson,2013-04-18 In a day of many and varied denominations one might wonder what the doctrine and belief of the unified apostolic church looked like Due to a modern day discovery of an ancient lost manuscript now we know The *Demonstration of the Apostolic Preaching* is a faithful trasmission of what the intellectual Christian was taught in the second century Irenaeus Bishop of Lyons famed as the subduer of heretics and as the most brilliant Chrisitian mind of his day now brings us this early body of doctrine being only decades removed from the apostles of Christ **St. Irenaeus** Saint Irenaeus (Bishop of Lyon.),1920 *Demonstration of*

*the Apostolic Preaching* Irenaeus, 2007-07-13 What Irenaeus undertakes in the Demonstration Of The Apostolic Preaching is to set out the main points of the Apostolic message which has been handed down in the Church by the successions of the bishops and is the same in substance in all parts of the world and to demonstrate its truth more especially from the sacred scriptures of the Old Testament      **St. Irenaeus.
