Subcommittee on Agricultural Labor,1976 *On the Farm* Stevie Cameron,2010-08-13 NATIONAL BESTSELLER Stevie Cameron s investigative tour de force about one of North America s most prolific serial killers now widely regarded as a true crime classic Veteran investigative journalist Stevie Cameron first began following the story of missing women in 1998 when the odd newspaper piece appeared chronicling the disappearances of drug addicted sex trade workers from Vancouver s notorious Downtown Eastside It was not until February 2002 that pig farmer Robert William Pickton would be arrested and 2008 before he was found guilty on six counts of second degree murder These counts were appealed and in 2010 the Supreme Court of Canada rendered its conclusion The guilty verdict was upheld and finally this unprecedented tale of true crime could be told Covering the case of one of North America s most prolific serial killers gave Stevie Cameron access not

only to the story as it unfolded over many years in two British Columbia courthouses but also to information unknown to the police and not in the transcripts of their interviews with Pickton such as from Pickton's long time best friend Lisa Yelds and from several women who survived terrifying encounters with him. Cameron uncovers what was behind law enforcement's refusal to believe that a serial killer was at work. *The Farm Cost Situation*, 1952
