On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History

James R. Arnold

On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History:

On Fields of Fury Richard Wheeler, 1991 This compelling collection of eyewitness accounts an engrossing chronological narrative extracted from memoirs and soldiers letters depicts the bloody battles of Grant's desperate all out assault on Lee's armies from May through July 1864 from book description Amazon.com Grant and Lee Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee's excessive casualties in Virginia the consequent drain of Confederate resources from Grant's battlefronts and Lee's refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee's own priorities constantly undermined the Confederacy's chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle *On the Fields of Fury* Richard Wheeler, 1992-02-01 This compelling collection of eyewitness accounts an engrossing chronological narrative extracted from memoirs and soldiers letters depicts the bloody battles of Grant's desperate all out assault on Lee's armies from May through July 1864 A gripping chronicle Kirkus Reviews 100 halftones *The Battle of the Crater* John F. Schmutz, 2009-06-08 The Battle of the Crater is one of the lesser known yet most interesting battles of the Civil War This book detailing the onset of brutal trench warfare at Petersburg Virginia digs deeply into the military and political background of the battle Beginning by tracing the rival armies through the bitter conflicts of the Overland Campaign and culminating with the siege of Petersburg and the battle intended to lift that siege this book offers a candid look at the perception of the campaign by both sides *The American Civil War* Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning

assessments of each work's value. The essays cover every aspect of the war from strategy, tactics and battles to logistics, intelligence, supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front. Some sections cover civilian leaders, the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war. Breadth of topics is matched by breadth of genres covered. Essays discuss surveys of the war, general reference works published and unpublished papers, diaries and letters as well as the vast body of monographic literature including books, dissertations and articles. Genealogical sources, historical fiction and video and audio recordings also receive attention. Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience.

Making Sense of the Molly Maguires Kevin Kenny, 1998-02-12. Twenty Irish immigrants suspected of belonging to a secret terrorist organization called the Molly Maguires were executed in Pennsylvania in the 1870s for the murder of sixteen men. Ever since there has been enormous disagreement over who the Molly Maguires were, what they did and why they did it. As virtually everything we now know about the Molly Maguires is based on the hostile descriptions of their contemporaries, arguing that such sources are inadequate to serve as the basis for a factual narrative, author Kevin Kenny examines the ideology behind contemporary evidence to explain how and why a particular meaning came to be associated with the Molly Maguires in Ireland and Pennsylvania. At the same time, this work examines new archival evidence from Ireland that establishes that the American Molly Maguires were a rare transatlantic strand of the violent protest endemic in the Irish countryside. Combining social and cultural history, Making Sense of the Molly Maguires offers a new explanation of who the Molly Maguires were as well as why people wrote and believed such curious things about them. In the process, it vividly retells one of the classic stories of American labor and immigration.

Eagles on Their Buttons Versalle F. Washington, 1999. Eagles on Their Buttons is a fascinating examination of the Fifth Regiment of Infantry, United States Colored Troops, the Union Army's first black regiment from Ohio. Although the Fifth USCT was one of more than 150 regiments of black troops making up more than 10 percent of the Union Army at the end of the war, it was unique. The majority of USCT regiments were made up of freed men who viewed the army as an escape from slavery and a chance to take up arms against their former masters. The men serving in the 5th USCT, however, were freemen who were raised in a northern state and saw serving in the army both as a way to gain equal rights under the law and as an opportunity to prove their worth as men. A War of the People Jeffrey D. Marshall, 1999. The Civil War left no Vermonters untouched and few families free from pain. More than 140 letters carefully selected from some 9000 in several archives convey in personal terms the combat experience of Vermonters throughout the war. Vermont raised seventeen infantry regiments, one cavalry regiment, three batteries of light artillery and three companies of sharpshooters, nearly 35,000 soldiers in all. As a result of this impressive commitment, Vermont suffered one of the highest

rates of military deaths of any Union state A War of the People covers the war chronologically with editor Jeffrey D Marshall providing running commentary on both the war overall and Vermonters experiences Supplemented with maps and photographs it includes many voices from privates to colonels mothers wives and best friends young and old writing about battle narratives camp life financial advice family matters and much more An African American soldier from Hinesburgh a French Canadian soldier who enlisted in Milton and dozens of others record their experiences in unforgettable words Marshall s battlefield homefront choice of letters provides a deeper understanding of the social and political dimensions that although secondary to military concerns were an integral part of Vermont s war years

"The Bloody Fifth" Vol. 2 John F. Schmutz,2017-05-19 Second in the sweeping history of the Fifth Texas Infantry that fought with Robert E Lee s Army of Northern Virginia in the Civil War In the first volume Secession to the Suffolk Campaign John F Schmutz followed the regiment from its inception through the successful foraging campaign in southeastern Virginia in April 1863 Gettysburg to Appomattox continues the regiment s rich history from its march north into Pennsylvania and the battle of Gettysburg its transfer west to Georgia and participation in the bloody battle of Chickamauga operations in East Tennessee and the regiments return to Virginia for the overland battles Wilderness to Cold Harbor Petersburg campaign and the march to Appomattox Court House The narrative ends by following many of the regiment s soldiers on their long journey home Schmutz s definitive study is based upon years of archival and battlefield research that uncovered hundreds of primary sources many never before used The result is a lively account of not only the regiments marches and battles but a personal look into the lives of these Texans as they struggled to survive a vicious war more than 1 000 miles from home The Bloody Fifth The 5th Texas Infantry Regiment Hood s Texas Brigade Army of Northern Virginia with photos original maps explanatory footnotes and important and useful appendices is a significant contribution to the history of Texas and the American Civil War A scholarly work enhanced with maps and exhaustive notes yet thoroughly accessible to readers of all backgrounds Midwest Book Review

The Myth of the Lost Cause Edward H. Bonekemper,2015-10-05 History isn t always written by the winners Twenty first century controversies over Confederate monuments attest to the enduring significance of our nineteenth century Civil War As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books They composed a new narrative the Myth of the Lost Cause seeking to ennoble the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans Lincoln and Grant Edward H. Bonekemper,2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln

and General Ulysses S Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War Though generally remembered by history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates

The 10 Biggest Civil War Blunders Edward H. Bonekemper, 2018-01-22 What makes the Civil War so fascinating is that it presents an endless number of what if scenarios moments when the outcome of the war and therefore world history hinged on a single small mistake or omission In this book Civil War historian Edward Bonekemper highlights the ten biggest Civil War blunders focusing in on intimate moments of military indecision and inaction involving great generals like Robert E Lee Ulysses S Grant and William T Sherman as well as less effective generals such as George B McClellan Benjamin Butler and Henry W Halleck Bonekemper shows how these ten blunders significantly affected the outcome of the war and explores how history might easily have been very different if these blunders were avoided

Understanding U.S. Military Conflicts through Primary Sources James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards

Americans at War James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank Americans at War

addresses this imbalance between officers accounts and enlisted men s accounts by invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat Davis and Lee at War Steven E. Woodworth,1995 Woodworth shows how the lack of a unified purpose and strategy in the East sealed the Confederacy s fate *Infantry* ,1993 American Civil War James R. Arnold,Roberta Wiener,2011-07-19 This essential reference work helps promote a thorough understanding of the conflict that divided the nation and proved more costly in terms of human suffering than any in American history Coinciding with the 150th anniversary of the start of the Civil War American Civil War The Essential Reference Guide offers an accessible single volume source on the conflict that helped define the American nation Enhanced by historical illustrations and documents this guide promotes a nuanced understanding of the events personalities and issues related to the war and its aftermath In addition to an A Z encyclopedia of major leaders events and issues this work includes a comprehensive overview essay on the war plus separate essays by a prominent Civil War historian on its causes and consequences Perspective essays tackle such widely debated issues as the primary cause of the Confederate defeat and will inspire readers to exercise critical thinking skills Biographies of military and political leaders provide insights about those individuals who played major roles in the conflict while entries on key battles showcase the strategies of both sides as they struggled to emerge victorious **American Civil War** Justin D. Murphy,2019-06-24 By providing detailed analyses of Civil War primary sources this book will help readers to understand the history of the bloodiest of all American conflicts This meticulously curated collection of primary source documents covers every aspect of the American Civil War from its origins to its bloody engagements all the way through the Reconstruction period With approximately 300 primary sources this comprehensive set includes orders and reports of significant battles political debates and speeches legislation court cases and literary works from the Civil War era The documents provide insight into the thinking of all participants drawing upon a vast range of sources that offer both a Northern and Southern perspective The book gives equal treatment to the Eastern and Western Theaters and to Union and Confederate sources and the primary sources are presented in chronological order making it easy for readers to compare and contrast documents as the key events of the conflict unfold Each primary source begins with an introduction that sets the document in its proper context and concludes with an analysis of the document that will help students to understand the document s significance Prologue ,1998 **General James Longstreet** Jeffry D. Wert,1994-12 Argues that Longstreet was unfairly blamed for the defeat at Gettysburg

On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History Introduction

In today's digital age, the availability of *On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History books and manuals for download and embark on your journey of knowledge?

FAQs About On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History Books

1. Where can I buy On The Fields Of Fury From The Wilderness To The Crater An Eyewitness History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
