

Allow me to present the real state of affairs in contrast to this: the ascetic ideal springs from the protective and healing instincts of a degenerating life, which uses every means to maintain itself and struggles for its existence; it indicates a partial physiological inhibition and exhaustion against which the deepest instincts of life, which have remained intact, continually struggle with new methods and inventions. The ascetic ideal is one such method: the situation is therefore the precise opposite of what the worshippers of this ideal imagine, – in it and through it, life struggles with death and against death, the ascetic ideal is a trick for the preservation of life.
