Oversight on the Job Training Partnership Act, 1985 United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Employment and Productivity,1986 **Oversight hearing on the Job Training Partnership Act**

United States. Congress. House. Committee on Education and Labor. Subcommittee on Employment Opportunities,1985

Hearing on the Expansion of the Job Corps Program United States. Congress. House. Committee on Education and Labor. Subcommittee on Employment Opportunities,1992 This document reports the oral and written testimony of witnesses who appeared before a House of Representatives hearing centered on the accomplishments of the Job Corps and the need for a new Job Corps center in Fresno California The Job Corps is a 25 year old program that trains disadvantaged youth and places them in jobs Witnesses who included federal and local officials and business and union representatives testified that the Job Corps has had a long record of accomplishments and that having a Job Corps center in Fresno would be good for the area which has a high dropout and youth unemployment rate They strongly urged the establishment of a Job Corps center in the city KC An Employer's Guide to On-the-job Training Under the Manpower Development and Training Act Apprenticeship and Training Bureau,1967

On-the-job Training and the Private Industry Council Claudia K. Norris,1980 **Computers on the Job** Heather Menzies,1982-01-01 Written as the computer revolution dawned on Canadian society Computers on the Job introduces the effects of technological change on people in their homes and workplaces Heather Menzies explains in clear nontechnical terms how the microcochip unleashes the full potential of computers allowing employers to automate many routine jobs and transform others sometimes for the benefit of employees sometimes not She traces the effects of computerization on office work on the service industry and on traditional blue collar occupations forecasting changes that in many cases have come to pass Computers on the Job is a pioneering study of the impact of widespread computer use on Canadian society *New on the Job* Ruth Toor,Hilda K. Weisburg,2007 From job search strategies and discovering your work philosophy to the nitty gritty details of creating acceptable use policies New on the Job serves as a wise mentor for new school library media specialists Expert authors Ruth Toor and Hilda K Weisburg share the joys and perils of the profession along with a wealth of practical advice from a combined six decades of experience in library media centers and as

collaborators on books presentations and workshops BOOK JACKET *Mastering the Job Search Process in Recreation and Leisure Services* Craig Ross,Brent Beggs,Sarah Young,2011-04-18 Mastering the Job Search Process in Recreation and Leisure Services Second Edition is a practical guide full of tools and advice for recreation and leisure service professionals This book simplifies the process of securing a job in recreation and leisure service by explaining every step from both an employer s and applicant s point of view Based on years of experience in the hiring process this book reflects research conducted with over one thousand recreation and leisure services practitioners involved in the job search process The book includes their advice as well as secrets to success *On the Job at a Farm* Jessica Cohn,2016-08-01 Do you like helping

people Would you like to help feed hundreds of people each day Then you might like to go On the Job at a Farm Discover what the key business of farming is all about Judique On The Job Allan MacDonald,2021-11-09 Judique on the Job The Long Road to My Career is a lighthearted memoir detailing the author s experiences growing up on Cape Breton Island travelling partying and his never ending trials and tribulations trying to find a career that would be satisfying on all levels In his search the author had about eighty different jobs many of them unique and interesting With a friendly and folksy tone the book takes the reader on a tour of his adventures in employment including work in correctional services automobile repossession student recruitment and the military The author also gives us the inside scoop on working as a film extra rickshaw runner doorman and working numerous positions in the hospitality industry The book will inspire and reassure younger readers struggling to find success and happiness in their work lives It will also appeal to anyone with a sense of humour and an appreciation for a good story filled with joie de vivre The book s unique title was inspired by a spirited local saying in Judique Cape Breton Island Judique on the floor The expression is well known in the area but its certain origin is not As Judique was long thought to have the best step dancers in the area if a Judique native stepped onto the dance floor people would shout Judique on the floor to alert other dancers they might as well throw in the towel There is a second part to the story where apparently Judiquers also liked to fight so if they were not in the mood to dance someone would sound the battle cry Judique on the floor Who will dare put us off and one or more fisticuffs would ensue This bit of local colour makes for an apt moniker for this unique and humorous tale *On the Job Slaughter* United States. Best Practices for Managing IBM i Jobs and Output (and a few other special tips) Hernando Bedoya,Dawn May,Angela Newton,Mike Rusell,Dan Tarara,Kevin Vette,IBM Redbooks,2008-09-18

Jobs and spooled output consume system resources mainly the CPU used to create and manage them and the storage to contain them Typically in most environments you can manage resources that jobs and spooled files consume successfully However on the largest systems with the largest numbers of jobs and very large numbers of spooled files you can encounter limits Too many jobs can fill up the job table or too many spooled files can consume all the system s storage Having a large number of jobs and spooled files in the system can contribute to potentially long IPLs for unexpected outages Having a very large number of spooled files on a single output queue can result in lock contention This IBM Redpaper publication describes best practices and recommendations for managing jobs and spooled output on IBM i It provides an overview of the various controls within the IBM i operating system that you can configure to adjust the limits for spooled output and jobs It also provides recommendations for setting these values We do not explain in detail each of the configuration controls that we discuss in this paper Rather if you need additional information regarding the

topics that we discuss see the IBM i 6.1 Information Center at <http://publib.boulder.ibm.com/series>
