Mothers on the Margin? E. Anne Clements, 2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God

Paul, a Jew on the Margins Calvin J. Roetzel, 2003-01-01 Paul s messianism put him at the margins of Pharisaism his preaching placed him in tension with the Synagogue and his Gospel set him on the outer border of Hellenistic religion This book explores the tensions and creativity that Paul s marginality let loose In six short chapters Roetzel explains Paul s complex relationship to first century Judaism and elements of the early church In so doing he tackles a great many of the most disputed areas of Pauline theology How can we speak of Paul as a convert How far did Paul accept the apocalyptic myth What are we to make of Paul s theology of weakness How far did Paul embrace pluralism And how could Paul preach that Gentiles shared in God s election without excluding Jews
