Liner Notes for the Revolution Daphne A. Brooks, 2021-02-23 Winner of the Ralph J. Gleason Music Book Award, Rock & Roll Hall of Fame Winner of the American Book Award, Before Columbus Foundation Winner of the PEN Oakland Josephine Miles Award, Winner of the MAAH Stone Book Award, A Pitchfork Best Music Book of the Year, A Rolling Stone Best Music Book of the Year. Brooks traces all kinds of lines, finding unexpected points of connection, inviting voices to talk to one another, seeing what different perspectives can offer, opening up new ways of looking and listening by tracing lineages and calling for more space. New York Times: An award-winning Black feminist music critic takes us on an epic journey through radical sound from Bessie Smith to Beyoncé. Daphne A. Brooks explores more than a century of music archives to examine the critics, collectors, and listeners who have determined perceptions of Black women on stage and in the recording studio. How is it possible she asks that iconic artists such as Aretha Franklin and Beyoncé exist simultaneously at the center and on the fringe of the culture industry? *Liner Notes for the Revolution* offers a startling new perspective on these acclaimed figures, a perspective informed by the overlooked contributions of other Black women concerned with the work of their musical peers. Zora Neale Hurston appears as a sound archivist and a performer, Lorraine Hansberry as a queer Black feminist critic of modern culture, and Pauline Hopkins as America's first Black female cultural commentator. Brooks tackles the complicated racial politics of blues music, recording, song collecting, and rock and roll criticism. She makes lyrical forays into the blues pioneers Bessie Smith and Mamie Smith as well as fans who became critics like the record label entrepreneur and writer Rosetta Reitz. In the twenty-first century, pop superstar Janelle Monáe's liner notes are recognized for their innovations, while celebrated singers Cécile McLorin Salvant, Rhiannon Giddens, and Valerie June take their place as cultural historians. With an innovative perspective on the story of Black women in popular music and who should rightly tell it, *Liner Notes for the Revolution* pioneers a long overdue recognition and celebration of Black women musicians as radical intellectuals.

Called to Heal the Brokenhearted William H. Barnwell, 2016-03-21 In this stirring book, William H. Barnwell tells the stories of prison inmates and the Kairos Prison Ministry volunteers who work with them. Set mostly at the huge Louisiana State Penitentiary at Angola, Barnwell's narrative illustrates how offenders who have done the worst can and do change, becoming model inmates and, if released, productive citizens. The stories also reveal how Kairos volunteers have found healing for broken hearts. Given that the United States incarcerates more people per capita than any country in the world, reformers are seeking radically new ways to reduce our prison populations. Kairos volunteers and inmates alike have much to contribute to the ongoing reform discussions. Now

serving 300 state and federal prisons 30 000 Kairos volunteers work with 20 000 inmates each year They take part in long weekend retreats with the inmates and follow up with regular prison visits Since its beginning in 1976 Kairos has served over 250 000 inmates Broad based nondenominational and nonjudgmental Christian Kairos seeks to carry out its slogan listen listen love love among inmates who have had few to listen to them and fewer still to love them In Called to Heal the Brokenhearted are stories of undeniable redemption They point the way to personal transformation for the inmates and the volunteers One Kairos inmate speaks of the change this way he makes guitars out of the good wood hidden beneath the surface of throwaway pianos I find my work incredibly fulfilling he says I see myself in every piano discarded by society but redeemed and put to use in a new way
