On The Other Side Of That Window:

Sakharov And Power: On The Other Side Of The Window Boris Altshuler, 2022-11-08 This book is a testimony to the amazing life of Andrei Sakharov 1921 1989 the great scientist and great man the creator of the most terrible weapon in the history of mankind and at the same time the Nobel Peace Prize Winner Sakharov's life is one might say an exciting detective story a chain of incredible events not accidental however but dictated by the genius and fortitude of the protagonist The theme of this book acquired new striking meanings after the Sakharov documents of the KGB of the USSR and of the Politburo of the Soviet ruling Communist Party were declassified I'm not on the top floor I'm next to the top floor on the other side of the window Sakharov once joked referring to the top floor of political power This joke accurately reflects the uniqueness of his status which has become his destiny Andrei Sakharov is a giant among thought leaders who have shaped the fate of mankind This book is an important commemoration of his 100th birthday to summarize his creative experience of producing miracles which will help to find constructive solutions to the challenges of the 21st century The peculiarity of this book is that the main storyteller is Sakharov himself it collects the most significant quotes from his memoirs alternate with vivid memories of people who knew him offering documentaries and explanations **The Woman from the Other Side**

Stephen Rowley, 2023-12-08 This collection of short stories focuses on the lives of ordinary working class people from Northern Ireland It is set against the backdrop of the Troubles and the province's more recent history Strong female characters often carry the narrative and the story which gives its title to the collection is that of a Catholic woman from the South who marries a staunch Northern Protestant and they settle in Belfast The strife which ensues reflects the divided communities which the rest of the book can testify to In their depiction of everyday violence and intimidation the stories bring to light more latent themes of homosexuality sexism and prejudice A strong focus on family bonds means that the collection provokes a profound resonance with a large number of us who have grown up in tight family circles In many ways the Troubles serve to underline the tensions inherent in these bonds **Cases & Materials on Criminal Law** Michael T.
