

On The Paris Commune

Robert Tombs

On The Paris Commune:

Writings on the Paris Commune Karl Marx, 1971 *The Paris Commune 1871* Robert Tombs, 2014-06-11 The Paris Commune was the biggest and last popular revolution in western Europe ending the cycle of revolutions that started in 1789. The Parisians, reeling from defeat in the Franco-Prussian War, set up their own revolutionary administration. Government troops eventually retook the city and took a terrible revenge; thousands died in the bloodbath that followed. The short-lived Commune and its repression cast a long shadow. It exposed deep divisions in French society and became a potent inspiration for the radical left. This stirring new study, written with great zest and a vivid sense of time and place, lets the reader experience these tumultuous events at first hand and provides a comprehensive synthesis of recent research in both French and English.

The History of the Paris Commune of 1871 Thomas March, 1896 **The Paris Commune** Karl Marx, 1920 *The Paris Commune* Donny Gluckstein, 2011 For two months in 1871 the workers of Paris took control of Europe's most celebrated capital city. When they established the world's first workers' democracy, the Paris Commune, they found no ready-made blueprints and no precedents to study for how to run their city without princes, prison wardens, or professional politicians. All they had was the boundless revolutionary enthusiasm of Paris's socialists, communists, anarchists, and radical Jacobins, all of whom threw their energies into creating a new society. As the city's bakers, industrial workers, and other ruffians built new institutions of collective political power to overturn social and economic inequality, their former rulers sought to thwart their efforts by any means necessary, ultimately deciding to drown the Communards in blood. By paying particular attention to the historic problems of the Commune, critical debates over its implications, and the glimpse of a better world the Commune provided, Gluckstein reveals its enduring lessons and inspiration for today's struggles. Donny Gluckstein is author of *The Nazis, Capitalism, and the Working Class* and *The Tragedy of Bukharin*. He is a lecturer in history in Edinburgh and is a member of the Socialist Workers Party.

[The Paris Commune](#) Carolyn J. Eichner, 2022-03-18 At dawn on March 18, 1871, Parisian women stepped between cannons and French soldiers, using their bodies to block the army from taking the artillery from their working-class neighborhood. When ordered to fire, the troops refused and instead turned and arrested their leaders. Thus began the Paris Commune, France's revolutionary civil war that rocked the nineteenth century and shaped the twentieth. Considered a golden moment of hope and potential by the left and a black hour of terrifying power inversions by the right, the Commune occupies a critical position in understanding modern history and politics. A 72-day conflict that ended with the ferocious slaughter of Parisians, the Commune represents for some the final insurgent burst of the French Revolution's long wake; for others, the first successful socialist uprising; and for yet others, an archetype for egalitarian socio-economic, feminist, and political change. Militants have referenced and incorporated its ideas into insurrections across the globe throughout the twentieth and into the twenty-first centuries, keeping alive the revolution's now iconic goals and images. Innumerable scholars in countless languages have examined aspects of the 1871 uprising, taking

perspectives ranging from glorifying to damning this world shaking event The Commune stands as a critical and pivotal moment in nineteenth century history as the linchpin between revolutionary pasts and futures and as the crucible allowing glimpses of alternate possibilities Upending hierarchies of class religion and gender the Commune emerged as a touchstone for the subsequent century and a half of revolutionary and radical social movements

Voices of the Paris Commune

,2015-11-01 The Paris Commune of 1871 the first instance of a working class seizure of power has been subject to countless interpretations reviled by its enemies as a murderous bacchanalia of the unwashed while praised by supporters as an exemplar of proletarian anarchism in action As both a successful model to be imitated and as a devastating failure to be avoided All of the interpretations are tendentious Historians view the working class s three month rule through their own prism distant in time and space Voices of the Paris Commune takes a different tack In this book only those who were present in the spring of 1871 who lived through and participated in the Commune are heard The Paris Commune had a vibrant press and it is represented here by its most important newspaper Le Cri du Peuple edited by Jules Vall s member of the First International Like any legitimate government the Paris Commune held parliamentary sessions and issued daily printed reports of the heated contentious deliberations that belie any accusation of dictatorship Included in this collection is the transcript of the debate in the Commune just days before its final defeat on the establishing of a Committee of Public Safety and on the fate of the hostages held by the Commune hostages who would ultimately be killed Finally Voices of the Paris Commune contains a selection from the inquiry carried out twenty years after the event by the intellectual review La Revue Blanche asking participants to judge the successes and failures of the Paris Commune This section provides a fascinating range of opinions of this epochal event

***The History of the Paris Commune of 1871* Prosper-Olivier Lissagaray,2020-05-05**

In 1871 the working class of Paris incensed by their lack of political power and tired of being exploited seized control of the capital This book is the outstanding history of the Commune the heroic battles fought in its defence and the bloody massacre that ended the uprising Its author Lissagaray was a young journalist who not only saw the events recounted here first hand but fought for the Commune on the barricades He spent the next twenty five years researching and writing this history which refutes the slanders levelled at the Communards by the ruling classes and is a vivid and valuable study in urban political revolution one that retains its power to inspire to this day This revised edition translated by Eleanor Marx includes a foreword by the writer and publisher Eric Hazan

History of the Commune of 1871 Lissagaray,2019-11-27

In History of the Commune of 1871 author Lissagaray presents a meticulously detailed and passionate account of the Paris Commune exploring the revolutionary fervor that gripped France during this tumultuous period The work is characterized by its journalistic prose and historical rigor blending firsthand accounts with insightful analyses of the socio political structures at play Lissagaray contextualizes the Commune within the broader narrative of French revolutionary history illuminating its significance as an early expression of socialist ideals and its resonance with the ongoing struggles for worker s rights in

contemporary society Lissagaray a committed socialist and participant in the events he describes brings a unique and personal perspective to his work His background as a journalist and activist informs his passionate advocacy for the Commune's ideals as he seeks to honor those who fought for a new vision of societal organization His deployment of vivid descriptions and emotional weight showcases both his commitment to the cause and a profound understanding of the historical moment offering readers an intimate glimpse into the lives and struggles of those involved This book is a must read for anyone interested in social movements revolutionary theory or the history of France Lissagaray's compelling narrative not only serves as a historical document but also invites contemporary readers to reflect on the enduring legacy of the Commune and its aspirational quest for justice and equality Through this lens readers can appreciate the profound implications of the Commune's vision for modern social change In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Communards Mitchell Abidor, 2010 *Communards The Story of the Paris Commune of 1871 As Told by those Who Fought for It* Texts selected edited and translated by Mitchell Abidor Published by Marxists Internet Archive Publications 2010 In this unique collection of texts translated into English for the first time we hear the genuine voices of the Paris Commune of 1871 Every Communard drew something different from the experience of the Commune and *Communards* allows all of them to have their say If socialism wasn't born of the Commune it is from the Commune that dates that portion of international revolution that no longer wants to give battle in a city in order to be surrounded and crushed but which instead wants at the head of the proletarians of each and every country to attack national and international reaction and put an end to the capitalist regime Edouard Vaillant a member of the Paris Commune Documents include the records of stormy meetings of the Commune deciding on the execution of hostages minutes of meetings of the First International throughout the siege as well as reminiscences of participants written down 25 years after the event Much of this would be new to French speakers it is all new for those who do not normally read in the French language No history of the Commune may be written in the future without reference to *Communards* *Communards* is available only through Erythros Press and Media and proceeds go towards the operations of the Marxists Internet Archive

The Paris Commune of 1871 Frank Jellinek, 1937 *The Communards of Paris, 1871* Stewart Edwards, 1973 The spirit of an event consecrated in anarchist legend is captured in these documents The seventy three day Paris Commune of 1871 the largest urban insurrection in modern history was a prelude to the revolutions of this

century Eyewitness reports accounts of participants and archival documents are used by the author to illustrate the many facets of a revolution that was unplanned unguided and formless Book jacket **On the Paris Commune** ,1932

Revolution & Reaction John Harland Hicks,Robert Tucker,S. Robert Tucker,1973 The Paris Commune 1871 Stewart Edwards,1971 **Massacre** John Merriman,2014-12-09 From a pre eminent Yale historian comes the first popular history of the 1871 Paris Commune a seminal episode in modern European history The Paris Commune lasted for only 64 days in 1871 but during that short time it gave rise to some of the grandest political dreams of the nineteenth century before culminating in horrific violence Following the disastrous French defeat in the Franco Prussian War hungry and politically disenchanted Parisians took up arms against their government in the name of a more just society They expelled loyalists and soldiers and erected barricades in the streets In *Massacre* John Merriman introduces a cast of inimitable Communards from les p oleuses female incendiaries to the painter Gustave Courbet whose idealism fueled a revolution And he vividly recreates the Commune s chaotic and bloody end when 30 000 troops stormed the city burning half of Paris and executing captured Communards en masse A stirring evocation of the spring when Paris was ablaze with cannon fire and its citizens were their own masters *Massacre* reveals how the indomitable spirit of the Commune shook the very foundations of Europe *Paris and the Commune, 1871-78* Colette E. Wilson,2007 Colette Wilson writes clearly and authoritatively and her original scholarly and beautifully illustrated book makes a strong contribution to our understanding of the Paris Commune its aftermath in the early years of the Third Republic and French cultural memory overall **The Paris Commune of 1871** Eugene Schulkind,1972

The Commune of Paris, 1871 Roger Lawrence Williams,1968 **History of the Paris Commune of 1871** Prosper Olivier Lissagaray,2011-09-27 Full version that includes introduction by Eleanor Marx preface appendices author s notes glossary of French terms and review by E Belfort Bax Lissagaray s *Histoire de la Commune* is the only authentic and reliable history as yet written of the most memorable movement of modern times It is true Lissagaray was a soldier of the Commune but he has had the courage and honesty to speak the truth He has not attempted to hide the errors of his party or to gloss over the fatal weaknesses of the Revolution and if he has erred it has been on the side of moderation in his anxiety not to make a single statement that could not be corroborated by overwhelming proofs of its truth Wherever it was possible the statements of the Versaillaise in their Parliamentary Inquiries in their press and in their books are used in preference to the statements of friends and partisans and whenever the evidence of Communards is given it is invariably sifted with scrupulous care And it is this impartiality this careful avoidance of any assertion that could be considered doubtful which should recommend this work to English readers Eleonor Marx

On The Paris Commune Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change.
