**Singleness and the Church** Jana Marguerite Bennett, 2017-07-21 Despite the fact that almost half of all Americans are single singleness remains an often overlooked oddity in American culture and in Christian communities Christians ought to be the people who most support singleness given what scripture and tradition suggest but this does not seem to be the case In this exciting new book Jana Marguerite Bennett examines a variety of usually forgotten models of singleness the never married the casually uncommitted the committed but unmarried the same sex attracted the widowed the divorced and the single parent Each chapter in *Singleness and the Church* takes one of these models and considers the cultural commentary Christian debate and a holy guide figures like Paul Augustine Aelred of Rievaulx Elizabeth Ann Seton and Dorothy Day in order to offer a new perspective on singleness the church and what it means to be a single Christian disciple In *Singleness and the Church* Bennett provides a fresh new theology of single life a starting point for restoring singleness in all its amazing varieties to its rightful place in Christian tradition Beyond Church Walls Dr. Richard Rouse, 2016-05-19 Pastoral care has been traditionally understood as pastoral acts administered to individuals or small groups by an ordained or lay religious practitioner As congregations in the twenty first century begin to reclaim the missional nature of church this view must be broadened to include care and concern for the needs of the larger community A missional perspective of pastoral care embraces the notion that all of Gods people not just trained professionals are called to partner in the healing and redemption of the world In *Beyond Church Walls* Rick Rouse sets out to articulate precisely what such an approach to pastoral care looks like and the substantial impact it can have on congregations and communities A skilled teacher and pastor with deep experience in real communities Rouse leads readers through the changing realities of the twenty first century and to new ways for missional churches to succeed in offering pastoral care for the whole community

Hellerman, 2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives Not a whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are deeply rooted relationally in a local church community that is passionately playing its part in God's grand story of Creation Fall Redemption and Restoration and is intently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible's teaching about eternity future for the pursuit of individual religious experience in the here and now *Why We Need the Church to Become More Like Jesus* traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian
