Angel in the Road Lynda Coble, 2009-12-31 At the age of five Susannah Taylor Powers survived a tragic accident that killed 86 people including her own parents But the same miracle that saved her life transformed it into a battleground of the fear guilt and lies Years later rumors of Susannah's gift for miraculous healings trapped the grown up Miracle Lady in a tango of fame and horror from which it seemed she would never escape

Angel End Road D.J. Manly, Freelance journalist Colton West can't wait to finally end it with the rich and shallow Martin Their relationship had been a mistake from the beginning But just when Colton feels that he's made it clear to Martin it's over and he can move on with his life and career he gets a phone call that will change his world forever Whitfield Vermont is the sleepy little town where Colton grew up a town he couldn't wait to leave It's also the place where his best high school friend was found murdered years before left on a road outside town that goes nowhere The killer was never caught although a stoic old man named George Hill who lived with his young grandson in the only house on that road was considered by many to be the prime suspect and passed away several years later But now another boy has been found dead at the end of that same lonely road with his body eerily laid out in the same disturbing manner as Colton's best friend And this time the victim is Colton's fifteen year old nephew With the original murder suspect deceased Colton knows the killer of both teenagers is

still on the loose perhaps preparing to strike again and Colton won't rest in his investigation until he unearths the whole ugly truth The Friend on the Road and Other Studies in the Gospels John Henry Jowett,1922 **Ann Angel's Freedom**

Butts,John Joseph Vincent Forbes,Leonidas Chalmers Glenn,Wilbur Armistead Nelson,1925 **Bulletin** ,1925 *The Book of Numbers* Timothy R. Ashley,2022-12-06 The book of Numbers tells a story with two main characters God and Israel The way the story is told sounds odd and often harsh to readers today The main point of the book is nevertheless of immense importance for God's people in any age exact obedience to God is crucial This comprehensive and erudite commentary presents a thorough explication of this significant Hebrew text Timothy Ashley's introduction discusses such questions as structure authorship and theological themes and it features an extended bibliography of major works on the book of Numbers Then dividing the text of Numbers into five major sections Ashley elucidates the theological themes of obedience and disobedience which run throughout His detailed verse by verse comments primarily explain the Hebrew text of Numbers as it stands rather than speculate on how the book came to be in its present form This second edition includes revisions that reflect Ashley's decades of experience with the book of Numbers as well as updates to the footnotes and bibliography which add many important works published in the last thirty years With these new features Ashley's commentary solidifies its place as the church's most faithful and definitive reference on the book of Numbers Chasing the North Star Robert
