

On War

Camilla Rothe

On War:

Machiavelli on War Christopher Lynch, 2023-12-15 *Machiavelli on War* offers a comprehensive interpretation of the philosopher-historian's treatment of war throughout his writings from poems and memoranda drafted while he was Florence's top official for military matters to his posthumous works *The Prince* and *Discourses on Livy*. Christopher Lynch argues that the issue of war permeates the form and content of each of Machiavelli's works, the substance of his thoughts, and his own activity as a writer, concluding that he was the first great modern philosopher because he was the first modern philosopher of war. Lynch details Machiavelli's understanding of warfare in terms of both actual armed conflict and at the intellectual level of thinkers competing on the field of knowledge and belief. Throughout Machiavelli's works, he focuses on how military commanders' knowledge of human necessities, beginning with their own, enables and requires them to mold soldiers organizationally and politically to best deploy them in operations attuned to political context and changing circumstances. Intellectually, leaders must shape their own and others' minds to reject beliefs that would weaken their purpose. For Machiavelli, this meant overcoming the classical and Christian traditions in favor of a new teaching of human freedom and excellence. As *Machiavelli on War* makes clear, prevailing both on the battlefield and in the war of ideas demands a single-minded engagement in reasoning about everything, beginning with oneself. For Machiavelli, Lynch shows, the successful military commander is not just an excellent leader but also an excellent human being in constant pursuit of the truth about themselves and the world.

Property, Piracy and Punishment: Hugo Grotius on War and Booty in *De iure praedae*, 2009-03-25 In 1604-1605 Hugo Grotius wrote *De iure praedae*, a commentary on the law of booty and prize and a first step towards the Law of War and Peace of twenty years later. Not published in his own times, rediscovered in 1864 and subsequently published, it has been over-interpreted and under-studied. The sixteen essays in this volume discuss *De iure praedae*, its intellectual sources, personal and political circumstances, and overall consequences, exploring how Grotius as a humanist, theologian, jurist, and politician proceeded in this, his first exercise in the theory of natural law and rights. The essays are written by an international and interdisciplinary team of specialists based on papers delivered at a conference at NIAS in Wassenaar in 2005. Originally published as Volumes 26 (2005), 27 (2006), and 28 (2007) of Brill's journal *Grotiana*.

Hearing on War-related Illnesses and on the VA's Sexual Trauma Counseling Program United States Congress, House, Committee on Veterans' Affairs, Subcommittee on Health, 1998.

On War Carl von Clausewitz, 2004-06-01 If in the next place we keep once more to the pure conception of War, then we must say that the political object properly lies out of its province, for if War is an act of violence to compel the enemy to fulfil our will, then in every case all depends on our overthrowing the enemy, that is, disarming him, and on that alone.

Thoughts on War Phillip S. Meilinger, 2020-03-17 A remarkable work that challenges the received wisdom of Clausewitz's *On War*, a paradigm as to how to wage combat in our modern global environment. John A. English, author of *Monty* and the Canadian Army, War is changing. Unlike when modern military doctrine was forged, the

United States no longer mobilizes massive land forces for direct political gain. Instead the US fights small overseas wars by global mandate to overthrow dictators, destroy terrorist groups and broker regional peace. These conflicts hardly resemble the total wars fought and expected by foundational military theorists such as Carl von Clausewitz yet their paradigms are ingrained in modern thinking. The twenty-first century's new geopolitical situation demands new principles for warfare deemphasizing decisive land victory in favor of airpower, intelligence systems and indigenous ground forces. In *Thoughts on War* Phillip S. Meilinger confronts the shortcomings of US military dogma in search of a new strategic doctrine. Inter-service rivalries and conventional theories failed the US in lengthy Korea, Vietnam and Middle East conflicts. Jettisoning traditional perspectives and their focus on decisive battles, Meilinger revisits historical campaigns looking for answers to more persistent challenges: how to coordinate forces, manipulate time and fight on two fronts. This provocative collection of new and expanded essays offers a fresh, if controversial, perspective on time-honored military values, one which encourages a critical revision of US military strategy. Meilinger presents a new strategic and operational paradigm for how to fight and win tomorrow's wars with reduced risk and cost. This book will appeal not only to military professionals but to scholars and civilian policymakers as well. Colonel John Andreas Olsen, Royal Norwegian Air Force, author of *Airpower Pioneers*.

Congressional Record United States. Congress, 1904 Congressional Record United States. Congress, 1990 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824*, the *Register of Debates in Congress 1824-1837* and the *Congressional Globe 1833-1873*. Our War Too Margaret Paton-Walsh, 2002 In the late 1930s a number of American women, especially those allied with various peace and isolationist groups, protested against the nation's entry into World War II. While their story is fairly well known, Margaret Paton Walsh reveals a far less familiar story of women who fervently felt that American intervention was absolutely necessary. Paton Walsh recounts how the United States became involved in the war but does so through the eyes of American women who faced it as a necessary evil. Covering the period between 1935 and 1941, she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women's organizations, informal women's networks and even male-dominated lobbying groups. In the Great Debate over whether America should enter the war, some women favored aid to the Allies not because they hoped for war but because they hoped aid would forestall more direct US involvement but also because they believed war was preferable to a Nazi victory. Paton Walsh shows that this activism involved some of the most prominent women of their day, Elizabeth Cutter Morrow whose son-in-law Charles Lindbergh was an isolationist spokesman, supported the revision of the Neutrality Acts to allow the sale of arms to the Allies and expressed her support in a national radio broadcast. Soon other women joined this debate, Esther Brunauer of the AAUW, journalist Dorothy Thompson and organizations like the

League of Women Voters and National Women's Trade Union League broke from the pacifist tradition to advocate American aid for the Allied cause. Focusing on the conflict in Europe, Paton Walsh shows how these women grasped the implications of the Lend Lease program for America's entry into the war but supported it nevertheless. By late 1941 the Women's Division of the Fight for Freedom Committee had been established no longer merely advocating aid to Britain to keep American boys out of battle; this organization supported direct American involvement in the war as a means of stopping Nazi oppression. While most historians have focused on women's pacifism, Paton Walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs. *Our War Too* is a story of American women trying to reconcile the irreconcilable to preserve both their principles and their peace. It expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on American public opinion over the build up to the war.

Introduction to All Quiet on the Western Front (2022 film) Gilad James, PhD, The upcoming film *All Quiet on the Western Front* is set to be a new adaptation of Erich Maria Remarque's classic novel published in 1929. Directed by Edward Berger, the film will be produced by DreamWorks Pictures and will star Daniel Brühl, newcomer Felix Kammerer, and David Striesow. Filming began in late 2021, and the release date is yet to be announced. The story follows a group of young German soldiers who enlist in World War I filled with idealism and patriotism. However, as they face the brutal reality of trench warfare, they are forced to confront the devastating effects of the war on their physical and mental well-being, as well as their disillusionment with the patriotic propaganda that inspired them to enlist. The novel is considered a masterpiece of anti-war literature, and the film is expected to be a powerful portrayal of the human cost of conflict.

Negri on Negri Antonio Negri, 2004-06-01. Political philosopher, convicted activist, leftist intellectual, and coauthor of the bestselling *Empire*. Antonio Negri is one of the most controversial thinkers at work today. In this book-length conversation with Anne Dufourmentelle, Negri offers thoughtful responses to twenty-six terms alphabetically arranged that have had special significance for his life and work. Negri speaks openly here of his involvement with political movements, his exile, his return to Italy, and years there in prison, and his life since. But beyond the biographical, there is much here to explain Negri's ideas on globalization, the future of social change, and the history of political thought. The book's

subjects fascism Heidegger the Red Brigades Wittgenstein empire Kant the unconscious and many others are often thresholds from which Negri shares his views on still larger topics Negri on Negri provides a fascinating glimpse into his mind and life Perhaps nowhere else can one engage so readily the ideas of this major contemporary thinker *House documents*, 1884 **Documents on German Foreign Policy 1918-1945, Series C.** United States Department of State, 1957 **The New York Times Index**, 1914 The Outlook, 1915

The Engaging Realm of E-book Books: A Thorough Guide Revealing the Pros of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent mobility and ease of availability, have freed readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or carefully searching for particular titles in bookstores. Kindle devices, stylish and portable, seamlessly store an extensive library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether commuting on a bustling train, lounging on a sunny beach, or just cozying up in bed, E-book books provide an unparalleled level of ease. A Literary Universe Unfolded: Exploring the Wide Array of Kindle On War On War The E-book Store, a digital treasure trove of bookish gems, boasts an wide collection of books spanning diverse genres, catering to every readers preference and choice. From gripping fiction and mind-stimulating non-fiction to timeless classics and modern bestsellers, the Kindle Shop offers an exceptional abundance of titles to discover. On War Introduction

In the digital age, access to information has become easier than ever before. The ability to download On War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On War has opened up a world of possibilities. Downloading On War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience

allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On War Books

1. Where can I buy On War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a On War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of On War books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
