## **On Stage The Beatles:**

*On Stage, the Beatles* Deborah Keenan, 1976 Traces the career of the Beatles an innovative rock group of the 60 s Includes biographical sketches of each member      **The Beatles** Mark Lewisohn, 2013 Simultaneously published in Great Britain by Little Brown UK Title page verso      **The Beatles In Cleveland** Dave Schwensen, 2011 Beatlemania swept across North America when John Lennon Paul McCartney George Harrison and Ringo Starr appeared on The Ed Sullivan Show in February 1964 The decade of the 1960 s seemed to change overnight from black and white to color as a generation fell under the influence of the group s music style and personalities Hot on the success of A Hard Day s Night the Beatles 1964 summer tour filled auditoriums with screams of delight and excitement and in some cases full blown fan hysteria This was the case on September 15th in Cleveland Ohio when police stopped the show in mid performance and ordered the Beatles off the stage The next year The Beatles and all rock n roll shows were banned from appearing in the city In August 1966 the group launched their final tour but the innocence portrayed in A Hard Day s Night only two years earlier was missing Controversy raging over Lennon s remarks about Christianity and the group being more popular than Jesus made their safety more of a concern than ever before A scheduling change brought the Beatles back to Cleveland on August 14th for the tour s first outdoor show at Municipal Stadium The results were the same but on a much larger scale as thousands of fans rushed onto the field police stopped the show and The Fab Four were chased into a luxury house trailer behind the stage It was obvious they could no longer be protected in front of audiences and Lennon was overheard for the first time saying it would be the last tour This is the inside story of both these special moments in time and a magical history tour back to the days of Beatlemania Includes eyewitness accounts from concert promoters opening acts on stage deejays journalists Beatles insiders and fans who were there Includes never before published photos of The Beatles on and off stage As a young fan author Dave Schwensen witnessed these events when his parents took him to see The Beatles in Cleveland Relive the excitement as he takes you behind the scenes and on stage for two of the wildest out of control concerts in Beatles and rock n roll history A concert by The Beatles was not just about the music but also the emotions stirred by the most influential group in the history of popular music      *The Beatles on Screen* Stephanie Fremaux, 2018-05-17 The 1960s ushered in a time of creative freedom and idealism reflected in the popular music and films on both sides of the Atlantic At the forefront of driving that creative change were four mop topped musicians from Liverpool The Beatles While many scholars have examined their role as songwriters as countercultural and political figures and as solo artists few have considered the important role film played in The Beatles career This book focuses on the overlooked films the Beatles performed in from 1964 to 1970 in order to chart their journey from pop stars to musicians Through these case studies The Beatles on Screen uncovers how the relationship between film and pop music has changed the ways in which bands communicate with their fans      **The Solo Beatles Film & TV Chronicle 1971-1980** Jörg Pieper, 2009-05-17 This book is meant as a companion volume to The Beatles Film TV

Chronicle 1961-1970 and covers the first ten years of the solo careers of the individual Beatles from 1971 to 1980. It is the indispensable reference book for every serious Beatles video collector with several years' worth of research and investigation into the massive amount of film material held in archives around the world. The book includes details on over 100 hours' worth of solo material with many items covered for the very first time and is fully illustrated with over one hundred and eighty thumbnail images b/w taken from a variety of film sources. As a bonus, the book also includes a chapter of updates regarding recently discovered and new information about films of The Beatles as a group during the years from 1961 to 1970. Through the years, the author has been consulted for several Beatles film and book projects including the 2011 Martin Scorsese documentary *George Harrison: Living in the Material World*. **Beatles Gear** Andy Babiuk, 2001. Chronicles the Beatles' use of instruments from 1956 through 1970 including photographs and discussion about Paul's 1963 Hofner 500 1 violin bass, John's Rickenbacker 325 12-string and George's Gibson Les Paul. *Comedy on Stage and Screen* Wieland Schwanebeck, 2022-09-26. This book introduces readers to the genre of comedy both on the stage and on the screen. It chronicles the history of comedy starting with Ancient Greece before summarising key chapters in Anglophone literary history such as Shakespearean comedy, Restoration comedy and Theatre of the Absurd. The book features an overview of key comic techniques including slapstick, puns and wit as well as concise summaries of major theoretical debates including the superiority theory and the Freudian account of laughter. The book works with many examples from the history of Anglophone comedy including Oscar Wilde, Monty Python and classic sitcoms. It addresses current research into cringe humour and the controversial topic of diversity in the field of comedy and it connects classical tropes of comedy like the fool or the marriage plot to present-day examples. The book thus serves as an up-to-date study guide for everyone interested in comedy and its various subgenres. **With the Beatles** Alistair Taylor, Phairic Gillibrand, 2011-05-02. When we went to the Palace to get The Beatles their OBEs, John Lennon had some acid with him. I'm gonna slip it into the Queen's tea, he told me. I want to open her mind and try to get her to declare war on somewhere nice and warm so we can all go and fight on the beaches. After Jane Asher dumped Paul McCartney, he literally used to cry on my shoulder. We hit the bottle together. Hard. I had everything and I threw it all away, he would say. Alistair Taylor was with The Beatles from the moment they signed with Brian Epstein. In fact, apart from the signatures of each of the Fab Four, his is the only other name on the contract. From the very beginning, he travelled, ate, partied and even holidayed with them right up until the beginning of the group's spectacular break-up. As the group's Mr. Fixit, he settled paternity cases, bought islands, houses and estates and took care of John, Paul, George and Ringo when their lifestyles became a little too lively. Alistair Taylor was privy to all the secrets that we were never supposed to know. Now, on the 50th anniversary of Ringo's appointment as drummer, he reveals for the first time what it was really like to ride the rollercoaster that was the sixties with The Beatles. *The Beatles 101* Vikki Reilly, 2020-12-14.
