

**ON STRATEGY:
THE VIETNAM WAR IN CONTEXT**

On Strategy Vietnam War In Context

Didier Musso

On Strategy Vietnam War In Context:

On Strategy Harry G. Summers, 2002-12-01 This important book is one man's critical analysis of American strategy in the Vietnam war. That man Harry Summers is an active Army officer who began professional life as an enlisted soldier, knows personally the bayonet point reality of war, and has thought widely about strategic issues. His commitment to the nation and Army he serves is unstinting. Colonel Summers has focused his attention at that point in the strategic continuum where military strategy and national policy come together. His main thesis is that a lack of understanding of the relationship between military strategy and national policy caused us to exhaust our will and endurance against a secondary enemy, the guerrilla movement in South Vietnam, instead of focusing our military efforts to check North Vietnamese expansion in support of our national policy of containment. DeWitt C. Smith Jr., Lieutenant General, United States Army, Retired. **On Strategy** Harry G. Summers, 1983. *On Strategy* Harry G. Summers, Army War College (U.S.). Strategic Studies Institute, 1981.

On strategy Harry G. Summers, 1992. *On Strategy* United States Army War College, Carlisle Barracks, Pa. Strategic Studies Institute, 1981. **On Strategy** Harry C. Summers, Jr., 1981-01-01. **On Strategy** Harry G. Summers (jr), 1983.

On Strategy, 1981-06-01. **On Strategy** Harry G. Summers, 2009-02-04. Stunning in its insight. *On Strategy* is required reading not just for everyone who is interested in the Vietnam War but for anyone who is concerned about the place of the United States on the world stage and how America can and more importantly cannot employ its immense military force to help bring peace to an increasingly troubled world. *On Strategy* is just about the best thing I have read on Vietnam. Drew Middleton, The New York Times. Perhaps the most trenchant single postmortem to date of our defeat in Vietnam, a classic, compact, subtle, and surprisingly readable. Newsweek. At our house we sleep less easily now that Harry G. Summers Jr., Colonel of Infantry, is no longer defending us. After two wars and 38 years of active duty, Summers has retired from the Army. Every taxpayer should mourn his loss. Colonel Summers is perhaps the most influential thinker of our time; his book *On Strategy* is required reading at the Army and Naval War Colleges. Jack Beatty, Boston Globe. This investigation of the U.S. Army's role in the Vietnam War is widely recognized as the single most useful postmortem on the unpopular war. The Washington Post Book World. The most detailed exposition of this view that the U.S. threw away whatever chance for victory it may have had through blunders that must not be repeated comes from Col. Harry Summers, whose book *On Strategy* has become must reading for young officers. Time. A masterful analysis of the strategy or lack thereof in the Vietnam War. The best critique of the war I have read, and a book every policy maker in Washington should absorb. Max Cleland, Atlanta Journal-Constitution.

Enquiring History: The Vietnam War in Context Dale Scarborough, 2015-08-14. Exam Board AQA Edexcel OCR and how the Vietnam experience shaped US foreign policy over the following decades and into the present. eBook retailers **American Strategy in Vietnam** Harry G Summers, 2012-04-19 A politico military assessment of the Vietnam War analyzing the U S Army s strategic and tactical ideologies Particularly relevant today it stresses the futility of any military action without the full support of the people *State* ,1983 **Parameters** ,1987 *Ancient China on Postmodern War* Thomas M. Kane, 2007-04-17 Sun Tzu and other classical Chinese strategic thinkers wrote in an era of social economic and military revolution and hoped to identify enduring principles of war and statecraft The twenty first century is a time of similarly revolutionary change and this makes their ideas of particular relevance for today s strategic environment Placing these theories in historical context Dr Kane explores ancient Chinese reactions to such issues as advances in military technology and insurgency and terrorism providing interesting comparisons between modern and ancient The book explains the way prominent Chinese thinkers such as Sun Tzu Han Fei Tzu and Lao Tzu treated critical strategic questions It also compares their ideas to those of thinkers from other times and civilizations e g Clausewitz to illuminate particularly important points In concluding the book addresses the question of how ancient Chinese ideas might inform contemporary strategic debates *Ancient China on Postmodern War* will be of much interest to students of strategic studies Chinese philosophy and military history *Honorable Warrior* Lewis Sorley, 1998 A man of extraordinary inner strength and patriotic devotion General Harold K Johnson was a soldier s officer loved by his men and admired by his peers for his leadership courage and moral convictions Lewis Sorley s biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ s Army Chief of Staff during the Vietnam War A native of North Dakota Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary heroism The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine What followed should have been the most rewarding period of Johnson s military career Instead it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war Johnson fundamentally disagreed with the three men LBJ Secretary of Defense Robert McNamara and General William Westmoreland running our war in Vietnam He was sharply critical of LBJ s piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves He was equally despondent over Westmoreland s now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North s supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation s flawed approach to the war Sorley s study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era **Military Media Review**

,1987 **US Defence Strategy from Vietnam to Operation Iraqi Freedom** Robert R. Tomes,2006-12-13 This volume examines the thirty year transformation in American military thought and defence strategy that spanned from 1973 through 2003 *Strategy and Grand Strategy* Joshua Rovner,2025-01-17 Wartime leaders should understand the link between violent means and political ends They should also have a sense of how strategic decisions will affect the post war peace Yet they often fail to make these connections Mistaking strategy for grand strategy or misunderstanding the relationship between them can frustrate soldiers and statesmen alike Sometimes it can lead to national ruin In this Adelphi book Joshua Rovner offers a lucid analysis of strategy a theory of victory and grand strategy a theory of security He demonstrates vividly how these concepts interact in case studies from antiquity to the present and he describes the implications for war and peace at a time of extraordinary technological change Rovner s work will prove indispensable to policymakers scholars and anyone seeking to grasp these essential but often misunderstood concepts **Military Review** ,1990 **Professional Journal of the United States Army** ,1990

Yeah, reviewing a ebook **On Strategy Vietnam War In Context** could ensue your close associates listings. This is just one of the solutions for you to be successful. As understood, skill does not suggest that you have astounding points.

Comprehending as well as understanding even more than supplementary will manage to pay for each success. adjacent to, the broadcast as capably as insight of this On Strategy Vietnam War In Context can be taken as competently as picked to act.
