On Target In Childrens Church:

On Target in Children's Church Ruth Gibson, 1984-01-01 *On Target* J. Brackemyre, 2005 **Relational Children's Ministry** Dan Lovaglia, 2016-04-05 Children's ministry has the power to change the lives of kids and families Unfortunately it is not always clear that the work a person does with kids is really making a lasting difference Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped and most likely the responses will be mixed And for good reason Research over the past decade has revealed an alarming lack of long term growth in the faith community as children progress through student ministries into adulthood Clearly something needs to change Relational Children's Ministry seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long term impact Ministry leaders will Learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long term discipleship is embedded Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context Children's ministry leaders will receive practical training to refocus their children's ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations *Energizing Children's Ministry in the Smaller Church* Rick Chromey, 2008 Energizing Children's Ministry in the Smaller Church helps you with your smaller church children's ministry make a huge and mega impact Part of the ESCN product line **Rock-Solid Children's Ministry** Larry Fowler, 2013-01-17 How Do We Measure Success in Our Ministry to Kids In children's ministry the essence of what we do is to impact the immeasurable the heart of a child While Bible knowledge is highly valuable in this endeavor knowing Scripture does not automatically translate to changing the heart of a child Practical application is also desirable but changing behavior can be done without a heart change Relating Scripture in such a way that it meets a child where he or she is at is critical but as an approach it may fail to build a solid enough foundation to equip children for the challenges that they will face later in life All three approaches must be synergized to have a greater impact and all three must be retargeted at the bull's eye the heart of a child Read this book to discover the seven standards of a rock solid children's ministry *Sustainable Children's Ministry* Mark DeVries, Annette Safstrom, 2018-01-23 Are you a children's ministry leader on the edge of burnout Sustainable Children's Ministry shows you how to recruit volunteers partner with parents navigate politics and care for your own soul instead of frantically scrambling to do it all yourself This practical resource will help you build a ministry foundation that will still be standing long after you are gone *Grow Your Church from the Outside In* George Barna, 2002-10-02 According to the author America has more unchurched people than the entire populations of all but 11 of the world's 194 nations Based on research among several thousand unchurched people the book

discusses their values attitudes beliefs religious practices demographics life goals and spiritual expectations Using additional research conducted among churches that have had great success in attracting and retaining unchurched people the author also outlines perspectives and effective strategies for churches that wish to reach those who avoid churches Understanding what makes the unchurched tick will give you a better chance of relating to them in meaningful ways *Children's Ministry on Purpose* Steven J. Adams,2017-03-28 Many children s ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet despite good intentions many children s ministries today are not effective They lack purpose and intentionality A twenty five year veteran of children s ministry in the local church pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present position at Saddleback Church In this book Steve applies the revolutionary insights of the Purpose Driven Church to children s ministry and leads readers on a journey of discovery showing them how to develop an intentional ministry process that moves children toward spiritual health while building a healthy ministry environment for those who work with kids You will learn how to ask and answer five simple but powerful questions Why are we on this journey Where are you and where are you going Who are we trying to reach How will we move our children towards spiritual health What are the essential elements necessary for the journey There is no single key to a successful children s ministry nor is there only one way that works for everyone But there is a proven process you can follow and Steve shows how children s ministries all over the world are reaching their God given potential by discovering their biblical purpose avoiding the traps of frustration and burnout **Understanding Children's Spirituality** Kevin E. Lawson,2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation

Children's Ministry Lawrence O. Richards,Larry Richards,1988 This book combines both biblical and theological foundations for children s ministry with a careful assessment of other issues in nurturing children such as developmentalism the context of learning and growth values cognitive abilities and social relationships Church and Ministry Strategic Planning William Winston,Robert E Stevens,David L Loudon,R Henry Migliore,2012-10-12 Spiritual management is required for spiritual organization and yet a ministry s master plan should be the Master s plan for that ministry Church and Ministry Strategic Planning assists readers in developing a Biblically based blueprint for carrying out the many activities in which the church or ministry is involved The authors show clearly how careful planning is inspired by the Scriptures Suppose one of

you wants to build a tower Will he not first sit down and estimate the cost to see if he has enough money to complete it Luke 14 28 and how it improves making decisions today which ultimately affect the ministry s effectiveness tomorrow Church and Ministry Strategic Planning covers all areas of this type of planning and can be read and reviewed quickly Through the use of a model of the strategic planning process the authors show how to develop mission statements define strategic objectives develop strategy options and operating strategies appraise performance and monitor strategic planning Readers are led step by step through these key areas of creating a strategic plan Examples and worksheets at the end of each chapter enable pastors administrators and lay leaders to develop a strategic plan fitting to their specific ministry or church The appendixes provide tools used in planning as well as a complete sample strategic plan for a large church Put these concepts to immediate use in decisionmaking and pursue God s purpose and vision for the church or ministry If readers take the time and effort to study this book apply its format and prayerfully keep God in every step of the plan here is what the authors believe plan administrators can expect 1 A sense of enthusiasm in the church or ministry 2 A 5 year plan in writing to which everyone is committed 3 A sense of commitment by the entire church to its overall direction 4 Time for the leaders to do what they have been called to do 5 Clear job duties and responsibilities 6 Clear and evident improvement in the health and vitality of every member of the church staff 7 Measurable improvement in the personal lives of all those in responsible positions with time for vacations family and personal pursuits 8 The ability to measure very specifically the growth and contribution made by senior pastors or evangelists at the close of their careers 9 Guaranteed leadership of the church or ministry because a plan is in place in writing and is understood Even more importantly a management team and philosophy will be in place to guide the church or ministry into its next era of growth Explore this Biblical perspective on planning and develop a strategic plan that is systematic and continuous and allows the church or ministry to assess its market position establish goals objectives priorities and strategies to be completed within specified time periods achieve greater staff and member commitment and teamwork aimed at meeting challenges and solving problems and muster its resources to meet these changes through anticipation
