**Origins and Grand Finale** Gary Haitel, 2014-05-15 Origins and Grand Finale presents an in depth study of how modern science and astronomy compare to the biblical narrative of the origin of the universe as well as the origin of life Distinguishing between scientific facts and fairy tales as well as biblical facts and poetry author Gary Haitel attempts to build a perfect harmony between science and theology In Origins and Grand Finale Haitel is not proposing new scientific theories Instead he merely examines current scientific theories however bizarre they may seem and explains how they relate to the biblical narrative The second part of this guide focuses primarily on biblical end times and the abuse of

political authority In the third part Haitel reflects upon not only the finale of humanity as described in the Bible but also the finale of an individuals physical life here on earth and what to expect after the body returns to the dust of the earth Are we just complex biological accidents or are we immortal spiritual eternal beings Written in a straightforward down to earth fashion Origins and Grand Finale offers a unique opportunity to understand the perfect harmony between science and theology

*End-Time Events* Randall Cobb,2025-01-07 As I visit different congregations I find that 98 percent of them do not teach the truth when it comes to the end times I happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment The Bible clearly instructs us to be vigilant I have covered all the events leading up to the return of Christ But it also teaches that no one can say for certain that we are living in the end times This is at best a debatable proposition Jesus himself repeatedly said that no one knows or can know the day or hour of his return Matthew 24 36 Mark 13 32 Acts 1 7 To be sure we are surrounded by events and developments that could be interpreted as signs of the end On every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars Mark 13 7 9 But has there ever been a period in the history of the world when this was not the case

*Revelation Made Easy* Michael J. Sedgwick,2014-07-27 According to Revelation 1 3 this final book of the Bible is the only one that contains a declared blessing to those who read it and obey its instructions But isn t it just about scary end time prophecies that don t make any sense Thankfully the answer is no The book of Revelation gives us more than prophecies it provides a fuller picture of Jesus Christ and encourages believers to hold fast to their faith and continue following Christ no matter what they might face Michael J Sedgwick s *Revelation Made Easy* helps readers approach this seemingly daunting biblical book with fresh eyes and an open heart Tackling end times topics such as the Antichrist the Rapture and the Tribulation he shares various conflicting historical interpretations and checks them according to what the scriptures tell us Who is the Antichrist What are the prophetic feasts of Israel What is the coming Tribulation period Discover the answers to your end times questions in this easy to follow guide and learn to appreciate the book of Revelation as much as you love the Gospels

*The Beast* Jonathan P. Leonard,2014 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 1 8 18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 1 8 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day
