standing as one of Africa's top destinations. However, despite being one of Africa's fastest developing tourist countries, it still offers the opportunity to experience the quintessential Africa. Having once stood in the ranks with South Africa over twenty years of post-civil war development and one of Africa's highest growth rates are drawing tourists back to its 2 500km of pristine palm-fringed coastline. Best visited between May and October, Mozambique is dotted north to south with natural historical cultural and architectural wonders remnant of its varied and notable past history of exploration trade and cultural fusion. Highlights include the UNESCO world heritage site Ilha de Moambique a 16th century Arab and Portuguese trading post ancient rock art at Chindhamapere Hill tea plantations and an exploration of Mount Namuli from the highland mountain town of Guru while the coast home to more than 2 000 species of marine fish and five of seven endangered sea turtle species boasts a plethora of delights from windsurfing in Pemba and surfing in Tofo to diving and snorkelling off the islands of Bazaruto Archipelago Bazaruto National Park not to mention some of the richest coral reefs in the world home to over 1 200 species and five of seven endangered sea turtles. With in-depth coverage and practical advice for all budgets the Bradt guide leads the way.

Beat Feminisms Polina Mackay, 2021-12-20 This is the first book-length study to read women of the Beat Generation as feminist writers. The book focuses on one author from each of the three generations that comprise the groups of female writers associated with the Beats: Diane di Prima, Ruth Weiss and Anne Waldman as well as on experimental and multimedia artists such as Laurie Anderson and Kathy Acker who have not been read through the prism of Beat feminism before. This book argues that these writers' feminism evolved over time but persistently focussed on intertextuality transformation revisionism gender interventionist poetics and activism. It demonstrates how these Beat feminisms counteract the ways in which women have been undermined possessed or silenced.

Designing Sustainability Stuart Walker, 2014-05-09 What is the relationship between design sustainability inner values and spirituality? How can we create designs that provide a convincing alternative to unsustainable interpretations of progress growth consumerism and commercialism? Building on the arguments first advanced in his widely acclaimed books *Sustainable by Design* and *The Spirit of Design*, Stuart Walker explains how we can achieve the systemic changes needed to address the challenges of sustainability. Challenging common assumptions about the nature of our contemporary material culture and its relationship to human flourishing, the author introduces approaches to design that draw inspiration from nature, summon the human imagination and create outcomes which are environmentally responsible and socially just as well as meaningful and enriching at a personal level. Offering a unique and original contribution to this vital debate, *Designing Sustainability* is destined to become essential reading for students on courses in design and sustainability and for design practitioners looking for a deeper more meaningful basis for their work.
