On Trial Billie Wright Dziech, Charles B. Schudson, 1989 This book the first to examine the experience of child victims their families who attempt to seek justice in America s courts offers practical reforms that would bring greater sensitivity justice to the legal process Reviewing American legal history the equivocal treatment of children sex crimes Dziech Schudson explain how current courtroom procedures often fail to acknowledge a child s abilities needs how child witnesses are often re victimized by the legal system that is supposed to help them They argue that there is no justification for subjecting abused children to a second round of trauma in court This important book recommends sweeping changes to assure justice for children their families those accused of harming them **Seeking Justice in Child Sexual Abuse** Karen M.

Staller, Kathleen Coulborn Faller, 2009-11-20 St Mary County is a small rural midwestern enclave with a unique approach to handling accusations of child sexual abuse Hoping to spare children the trauma of lengthy court appearances and probing interrogations St Mary s professionals strive to obtain confessions from accused sex offenders rather than ask the victim to bear the burden of proof Treating this county as a critical case study scholars from a variety of fields come together to analyze this community s unique approach They address relevant case law innovative treatments for both victim and offender and the social history of child sexual abuse as a national policy concern They cover legal burdens and scientific methods prosecutors and protocol the interrogation of victims and suspects the use of expert witnesses defense strategies and practice wisdom in videotaping In addition they examine the unfolding drama of a single legal case from incidence to conviction The result is a fascinating dialogue that confronts the unique complexities of child sexual abuse for readers on all sides of the issue Introducing a model that makes enormous headway in the pursuit of justice fairness and trauma treatment this interdisciplinary text is an indispensable tool for all communities seeking redress Working with the Courts in Child

Protection Jane N. Feller, 1995-04 Provides guidance to nonlawyers who work with the judicial system Provides general and background information about the various applicable court systems explains recent developments in the laws affecting child protection and presents practical examples and tips to enhance the professional's performance in court involved cases Bibliography glossary and list of resources From Madness to Mutiny Amy Neustein, Michael Leshner, 2005 A powerful

expose of the family court system s prejudice against mothers trying to protect their sexually abused children **The 325: Canada's Criminal Code (w/ Other Acts) - a Case Compilation** , A case compilation of the 325 most cited CC Extradition Act and Charter cases that I compiled to facilitate a one file download Assumes a person doesn t want to take the time to immerse themselves in case stream and nuances of the topic in CANLII org where I obtained the cases and did the digesting of same myself to put it all together for you **Child Mental and the Law** Barry Nurcombe, 2010-06-15 The legal aspects of child mental health have changed in recent years yet many who deal professionally with disturbed children are ill informed about the rights and responsibilities of minors Child Mental Health and the Law addresses the need for a comprehensive up

to date text that describes the evolution of child mental health law and the relevance of the law to the child mental health clinician

**Child Victims and Witnesses** Jane Crisp, 1995-11 Presents the findings of a project that was designed to assess current practices used in the handling of criminal court cases involving children as victims witnesses The project utilized case file reviews and interviews of participants in recently adjudicated cases to describe current approaches to children in the criminal justice system The 3 states are Alabama Florida and South Carolina Extensive bibliography Tables

**The Hostage Child** Leora N. Rosen, Michelle Etlin, 1996-08-22 This cogently argued book is a timely contribution to the general literature on child sexual abuse British Journal of Social Work The authors have gathered information on 206 cases and focus on five representative examples that illustrate what they see as an increasing anti mother bias in the courts These five cases of the failure to safeguard children are effective Whatever may have happened in the past the authors make a well researched convincing case that the pendulum has now swung the other way Now many lawyers child advocates psychologists and judges accept a crazy mother or vindictive ex syndrome thus allowing real perpetrators to continue abuse with no supervision In these cases judges acquiesce to a paternalistic myth of the American family and in so doing ignore the reality of American children Publishers Weekly starred review A needed assessment of a terrible problem Booklist provocative Library Journal Recommended Choice Without anger or hysteria Rosen and Etlin document the interlocking complex ways in which our antiquated system fails incested children and those who struggle to protect them Just as important they propose an innovative solution This is must reading for anyone interested in the problem of child sexual abuse Elizabeth Morgan M D Ph D It is comfortable to believe that incest and child sexual abuse need not concern us because we have institutions set up to deal with these problems This book disallows that comfort and shows that the system has failed and worse that it has generated a dangerous atmosphere of denial and cover up While Rosen and Etlin expose a system whose breakdown is shocking and fundamental at the same time they present a proposal for relief for the children who are now trapped like hostages in this social war

**A Coordinated Response to Child Abuse and Neglect** Diane DePanfilis, Marsha K. Salus, 1994-04 Addresses community prevention identification and treatment efforts Intended to be used by all professionals involved in child protection CPS law enforcement education mental health legal services health care and early childhood professionals Provides general information to anyone who is concerned about the problem of child maltreatment Glossary bibliography and list of resources
