On Wings Of Magic:

On Wings of Magic Andre Norton, Patricia Mathews, Sasha Miller, 2014-08-05 This epic fantasy omnibus chronicles the lives of a community of witches fighting to survive hardship and imprisonment after a destructive battle In the triumphant conclusion to the three book series Witch World The Turning when the Witches of Estcarp combined their powers to prevent the invasion of Karsten the world was plunged into chaos Now the survivors struggle to defeat the invaders and rebuild their shattered lives Praise for On Wings of Magic Both stories are well crafted and mesh with Norton s own creations although this book is no place to start one s exploration of the Witch World It does however merit a place in any Norton collection

Before unification Germany was a loose collection of variously sovereign principalities nurtured on deep thought fine music and hard rye bread It was known across Europe for the plentiful supply of consorts to be found among its abundant royalty but the language and culture was largely incomprehensible to those outside its lands In the long eighteenth and nineteenth centuries between the end of the Thirty Years War in 1648 and unification under Bismarck in 1871 Germany became the land of philosophers poets writers and composers This particularly German cultural movement was able to survive the avalanche of Napoleonic conquest and exploitation and its impact was gradually felt far beyond Germany s borders In this book

Roderick Cavaliero provides a fascinating overview of Germany s cultural zenith in the eighteenth and nineteenth centuries He considers the work of Germany s own artistic exports the literature of Goethe and Grimm the music of Wagner Schumann Mendelssohn and Bach and the philosophy of Schiller and Kant as well as the impact of Germany on foreign visitors from Coleridge to Thackeray and from Byron to Disraeli Providing a comprehensive and highly readable account of Germany s cultural life from Frederick the Great to Bismarck **Genius Power and Magic** is fascinating reading for anyone interested in European history and cultural history **Ozark Magic and Folklore** Vance Randolph, 2012-07-31 Includes eye opening

Magic Carpet Exodus of Yemenite Jewry Esther Meir-Glitzenstein,2014-07-15 In 1949 50 Operation Magic Carpet brought the majority of the Jews of Yemen to Israel through secret co operation between the Imam of Yemen the British colonial rulers of Aden the Israeli Government and the American Jewish Joint Distribution Committee JDC In order to immigrate to Israel Yemenite Jews sold or abandoned their property took their sacred books with them and set out on foot trekking many difficult and treacherous kilometres to reach the southern border of Yemen and cross into Aden When they arrived in Aden they were located in a transit camp from which they were later flown to Israel Operation Magic Carpet strengthened the Zionist claim of a historic Jewish right to the Land of Israel As a result a heroic myth developed presenting the bravery and ingenuity of Israelis who set out to rescue their distant brethren from lives of distress degradation and persecution in the context of the return of ancient Hebrews to Zion and its concomitant realisation of the eschatological visions of the prophets of Israel Based on archival documents the author reveals the enormous personal cost of the operation The abandonment of immigrants to death in the desert during their trek to Aden and the substantive loss of personal property in leaving their homes at short notice calls into question the personal benefit of such a brutal upheaval and demands a re assessment of the aims of the immigration operation and its prime movers Pertinent is discussion of the interests of the various states and organisations that were involved in this exodus which can be seen in retrospect as the first stage in the evacuation of ancient Jewish communities throughout the Middle East and their transfer to Israel On the wider political level the question to be posed is Did the Jews in the Muslim countries pay the price for the establishment of the State of Israel and the creation of the Palestinian refugee problem
