On Writing Politics 1967 1983

Maria Rovisco, Magdalena Nowicka

On Writing Politics 1967 1983:

Nobel Writers on Writing Ottar G. Draugsvold, 2020-07-17 Since its inception the Nobel Prize for literature has given a very public voice to some of the world's greatest writers and their responses to the honor their acceptance speeches have often been epochal From the famed call to arms by William Faulkner to the multicultural song of Derek Walcott from 1903's Bjornstjerne Bjornson to 1999's Gunter Grass this collection of 28 speeches traces the ideals of the artists and the selection committee itself throughout the 20th century Included are an introduction to each of the writers chosen an abridged copy of the speech or lecture and a bibliography of works in English *The Politics of Remembrance in the Novels of Günter Grass* Alex Donovan Cole, 2022-11-30 This manuscript argues for the importance of Günter Grass as a political thinker in addition to his status as a novelist and public intellectual capable of forming ethical responses to contemporary issues like neoliberalism and place of the petit bourgeoisie in social life I define Grass's trajectory as a thinker through his novels and speeches Primarily I draw attention to the role memory plays in Grass's thought that his work represented an intellectual and aesthetic response to the role Nazism continued to play in West German politics in the post war era To Grass Nazism represented a resurgent threat unaddressed following the end of World War II Later Grass amended his concept of memory politics to address neoliberal capitalism reiterating his radicalism and affirming the need for German society to resist the rise of extreme ideologies **Günter Grass and His Critics** Siegfried Mews, 2008 A comprehensive narrative overview and analysis of the criticism of the controversial German author's works When the Swedish Academy announced that Günter Grass had been awarded the 1999 Nobel Prize for Literature it singled out his first novel *The Tin Drum* 1959 English translation 1963 as a seminal work that had signaled the postwar rebirth of German letters auguring a new beginning after decades of linguistic and moral destruction Nearly fifty years after its publication the novel's significance has been generally acknowledged it is the uncontested favorite among Grass's works of fiction on the part of reading public and critics alike yet its canonical status tends to obscure the decidedly mixed and even hostile reactions it initially elicited Along with *The Tin Drum* Grass's impressive body of literary work since the 1950s has spawned a cottage industry of Grass criticism making a reliable guide through the thicket of sometimes contradictory readings a definite desideratum Siegfried Mews fills this lacuna in Grass scholarship by way of a detailed but succinct descriptive as well as analytical and evaluative overview of the scholarship from 1959 to 2005 Grass's politically motivated interventions in public discourse have kept him highly visible blurring the boundaries between politics and aesthetics Mews therefore examines not only academic criticism but also the daily and weekly press and other news media providing additional insight into the reception of Grass's works Siegfried Mews is Professor of German at the University of North Carolina at Chapel Hill *On Essays* Thomas Karshan, Kathryn Murphy, 2020 Sets out in a new and authoritative way the history of the essay explains how the essay has come to mean what it does surveys the widely various incarnations of the form offers new accounts of major essayists in English and traces a

wide range of significant themes **On Writing and Politics, 1967-1983** Günter Grass, 1985 Grass novelist poet and graphic artist is also a committed political activist In this collection of essays he takes on writing and politics with his accustomed verve and insight Introduction by Salman Rushdie Translated by Ralph Manheim A Helen and Kurt Wolff Book

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies *Encyclopedia of German Literature* Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings

Narrative as Counter-Memory Reiko Tachibana, 1998-07-30 CHOICE 1999 Outstanding Academic Books The wartime and postwar cultural histories of Germany and Japan show similar experiences of defeat occupation and then the reconstruction of powerful societies Little previous research has examined the literary works that reflect these contacts and parallelisms For the first time this book offers an extensive comparative study of German and Japanese narratives that serve as a form of counter memory in Foucault's phrase for the two cultures Rather than attempting to present objective or comprehensive views of history these narratives draw upon personal memories to offer subjective selective and individualistic reports They provide an alternative or counter memory to more official versions of World War II and its aftermath Major writers such as Mishima Yukio Ibuse Masuji Oba Minako Gunter Grass Uwe Johnson Christa Wolf and the Nobel Prize winners Oe Kenzaburo and Heinrich Böll are set in the context of lesser known writers including a nine year old child a medical doctor a woman who served as a journalist and a former prisoner to provide a broad cultural basis for understanding responses to the war from within the two societies This book combines a broad historical scope with detailed examinations of important individual texts with both aspects securely set on a firm foundation of historical and literary scholarship The rhythm of alternation between synthetic generalizations and close textual explication yielding interpretive insights while providing lucid and economical exposition and summary allows for carefully balanced and integrated comparisons Mother Jones Magazine , 1985-06

Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **International Who's Who of Authors and Writers 2004** Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **The Desire to Write** Graeme

Harper,2018-12-18 In this dynamic exploration of the discipline of creative writing Graeme Harper departs from the established how to model in a personal manifesto which analyses why human beings are and have long been passionate about writing Illuminating the five essential keys to creative writing directly related to the desire to undertake it Harper analyses creative writing s past and ponders its future drawing on theories of the self cultural interaction consumption and communication Blending practice based critical context with contemporary creative writing theory this book is an ideal companion for undergraduate and postgraduate students of creative writing and literature Lively and thought provoking it is an invaluable tool for all aspiring and established writers who wish to harness the positive effects of their craft **On Creative Writing** Graeme Harper,2010-03-24 What is Creative Writing Millions of people do it but how do we do it really What evidence of its human undertaking does Creative Writing produce How do we explore Creative Writing as both an art form and a mode of communication How do we come to understand Creative Writing creatively and critically Posing questions about the nature of Creative Writing On Creative Writing asks us to consider what Creative Writing actually is and in doing so encourages us to reflect on how our knowledge of Creative Writing can be increased Emphasizing Creative Writing as an act and actions On Creative Writing considers what lies at the core of the activity called Creative Writing

Reading Rushdie ,2021-11-01 Salman Rushdie is perhaps the most important writer of the present time His significant and controversial literary interventions in debates on post colonial culture and contemporary South Asian Islam are matched by the contribution he has made to postmodern literature in the West culminating in the award to him in 1993 of the twenty fifth anniversary Booker of Bookers prize This collection of articles focuses on Rushdie s five novels The context is set by the introduction The Politics of Salman Rushdie s Fiction which discusses the political stance of Rushdie s fiction the various influences on his work and the textual strategies and techniques he employs for political expression and cultural critique The postmodern post colonial interface the carnivalesque and satire are major themes treated here and in the articles that follow

which also provide diverse other perspectives on Rushdie's thought and method. A number of essays have been commissioned specially for this volume. An appendix listing selected writings by Rushdie and articles on the Satanic Verses Affair is followed by a comprehensive bibliography annotating critical studies of Rushdie's work. **Writers and Thinkers** Daniel

Fuchs, 2017-07-12 This is a collection of critical essays that integrate literature and ideas. Daniel Fuchs presents the writer's individuality as artist and thinker focusing on the writer's interaction within a wide range of cultural, political, and historical periods and situations representative of the modern period. The essays reflect a progression that goes beyond chronology or historical survey in the consistency and interrelation of the literary and cultural themes explored and the references within them. The book is built around writers who are of central concern to the author. It does not pretend to be a comprehensive framework for analysing modernism. Fuchs first deals with high modernism in discussions of Hemingway and Stevens who in different ways critique tradition and collapsing values. The essays that follow deal with the contemporary and here the focus is mainly on American Jewish writers and their cultural impact after modernism. The author's stance is in relation not only to these traditions but to others that might be thought antagonistic: the formalism of the New Critics and the deconstructionism that reduces the author to a replaceable variable in the dialects of cultural power relations. Fuchs pays tribute to the former illustrating wider points in literary, socio-cultural, and political history. The overall emphasis on these extrinsic matters underscores the book's appeal to a wide audience. Books and Bookmen, 1984 **A Bibliography on Writing and**

Written Language Konrad Ehlich, Florian Coulmas, Gabriele Graefen, 2011-06-01 The bibliography offers information on research about writing and written language over the past 50 years. No comprehensive bibliography on this subject has been published since Sattler's 1935 handbook. With a selection of some 27,500 titles it covers the most important literature in all scientific fields relating to writing. Emphasis has been placed on the interdisciplinary organization of the bibliography creating many points of common interest for literacy experts, educationalists, psychologists, sociologists, linguists, cultural anthropologists, and historians. The bibliography is organized in such a way as to provide the specialist as well as the researcher in neighboring disciplines with access to the relevant literature on writing in a given field. While necessarily selective, it also offers information on more specialized bibliographies. In addition, an overview of norms and standards concerning script and writing will prove very useful for non-professional readers. It is therefore also of interest to the generally interested public as a reference work for the humanities. The United States and Germany in the Era of the Cold War, 1945-1990 Detlef Junker, Philipp Gassert, Wilfried Mausbach, David B. Morris, 2004-05-17 Publisher Description

Ordinary Enchantments Wendy B. Faris, 2004 Ordinary Enchantments investigates magical realism as the most important trend in contemporary international fiction, defines its characteristics and narrative techniques, and proposes a new theory to explain its significance. In the most comprehensive critical treatment of this literary mode to date, Wendy B. Faris discusses a rich array of examples from magical realist novels around the world, including the work not only of Latin

American writers like Gabriel Garcia Marquez but also of authors like Salman Rushdie Gunter Grass Toni Morrison and Ben Okri Faris argues that by combining realistic representation with fantastic elements so that the marvelous seems to grow organically out of the ordinary magical realism destabilizes the dominant form of realism based on empirical definitions of reality gives it visionary power and thus constitutes what might be called a remystification of narrative in the West Noting the radical narrative heterogeneity of magical realism the author compares its cultural role to that of traditional shamanic performance which joins the worlds of daily life and that of the spirits Because of that capacity to bridge different worlds magical realism has served as an effective decolonizing agent providing the ground for marginal voices submerged traditions and emergent literatures to develop and create masterpieces At the same time this process is not limited to postcolonial situations but constitutes a global trend that replenishes realism from within In addition to describing what many consider to be the progressive cultural work of magical realism Faris also confronts the recent accusation that magical realism and its study as a global phenomenon can be seen as a form of commodification and an imposition of cultural homogeneity And finally drawing on the narrative innovations and cultural scenarios that magical realism enacts she extends those principles toward issues of gender and the possibility of a female element within magical realism Mother Jones Magazine ,1985-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues *The Ashgate Research Companion to Cosmopolitanism* Maria Rovisco, Magdalena Nowicka, 2016-04-01 The study of Cosmopolitanism has been transformed in the last 20 years and the subject itself has become highly discussed across the social sciences and the humanities The Ashgate Research Companion to Cosmopolitanism pursues distinct theoretical orientations and empirical analyses bringing together mainstream discussions with the newest thinking and developments on the main themes debates and controversies surrounding the subject The contributions are grouped into three parts each reflecting a different analytical focus within a variety of intellectual disciplines and methodological approaches Part I Cultural Cosmopolitanism is primarily concerned with the empirically grounded aspects of cosmopolitanism which are apparent in mundane practices and lifestyle options on the micro scale of daily interactions It focuses on the outlooks and lived experience of ordinary individuals and groups in concrete situational contexts and social structures Part II Political Cosmopolitanism sets out the main topics and issues dealt with by scholars writing within the tradition of political cosmopolitanism Addressing timely issues such as human rights global justice and global democracy it focuses on Cosmopolitanism as an ethico political ideal and a political project to devise new forms of supranational and transnational governance Part III Debates reflects the major debates and controversies on the subject and deliberately eschews any bland consensus to instead foreground the key arguments and lively intellectual discussions in play across disciplinary divisions Featuring contributions from key thinkers in the field including Ulrich Beck David Held and Martha Nussbaum this comprehensive volume will be a valuable resource for all academics and students working within this

area of study

FAQs About On Writing Politics 1967 1983 Books

What is a On Writing Politics 1967 1983 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a On Writing Politics 1967 1983 PDF?** There are several ways to create a PDF: Use

software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a On Writing Politics 1967 1983 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a On Writing Politics 1967 1983 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a On Writing Politics 1967 1983 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
