Rick Blanchard

Once A Patricia Memoirs Of A Junior Infantry Officer In World War II:

Once a Patricia C. Sydney Frost, 2004-01-01 **Crerar's Lieutenants** Geoffrey Hayes, 2017-07-12 In 1943 General Harry Crerar penned a memorandum in which he noted that there was still much confusion as to what constitutes an Officer His words reflected the army's preoccupation with creating an ideal officer who would not only meet the immediate demands of war but also be able to conform to notions of social class and masculinity Drawing on a wide range of sources and exploring the issue of leadership through new lenses this book looks at how the army selected and trained its junior officers after 1939 to embody the new ideal It finds that these young men through the mentors they copied the correspondence they left even the songs they sang practised a temperate heroism that distinguished them from the idealized heroic visions of officership from the First World War Fascinating and highly original this book sheds new light on the challenges many junior officers faced during the Second World War not only on the battlefield but from Canadians often conflicted views about social class and gender **The Soldiers' General** Douglas E. Delaney, 2007-10-01 By the end of the Second World War Bert Hoffmeister had risen from Captain to Major General and won more awards than any Canadian officer in the war This native Vancouverite earned a reputation as a fearless commander on the battlefield one who led from the front one well loved by those he led With an astute analytical eye Delaney carefully dissects Hoffmeister's numerous battles to reveal how he managed and how he led how he directed and how he inspired **The River Battles** Mark Zuehlke, 2019-11-09 The Canadians called it the Promised Land In late September 1944 the Emilia Romagna plain before I Canadian Corps stretched to the far horizon a deceptively wide open space where the tanks could run free Throughout British Eighth Army hopes ran high that once it entered the plain the Germans could be driven from Italy As soon as the advance began however the plain's true nature was revealed the land was criss crossed by rivers canals and drainage ditches over which all bridges had been demolished With higher command urging haste the Canadians entered a long and nightmarish series of battles to win crossings over each waterway whose high banks provided the Germans with perfect defensive positions Early fall rains caused rivers to spill their banks and transformed the countryside into the worst quagmire the soldiers had ever seen More than five months of battle followed with weeks of hard fighting required to advance from one river to the next Each month conditions only worsened and the casualty rates rose appallingly As their comrades fell one by one most soldiers sought merely to survive Doing that much required every measure of stamina courage and fighting skill they possessed The fifth and final Canadian Battle Series volume set in Italy The River Battles tells the story of this campaign's last and hardest months In riveting detail and with his trademark you are there style Mark Zuehlke shines a light on this forgotten chapter of Canada's World War II experience World War II in Europe, Africa, and the Americas, with General Sources Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the

related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

Cinderella Army Terry Copp,2007-01-01 Except for a brief period during the Rhineland battle the First Canadian Army was the smallest to serve under Eisenhower s command The Canadian component never totalled more than 185 000 of the four million Allied troops serving in Northwest Europe It is evident however that the divisions of 2nd Canadian Corps played a role disproportionate to their numbers Their contribution to operations designed to secure the channel ports and open the approaches to Antwerp together with the battles in the Rhineland place them among the most heavily committed and sorely tried divisions in the Allied armies By the end of 1944 3rd Canadian Division had suffered the highest number of casualties in 21 Army Group with 2nd Canadian Division ranking a close second In the armoured divisions 4th Canadian was at the top of the list as was 2nd Canadian Armoured Brigade among the independent tank brigades Overall Canadian casualties were 20 per cent higher than in comparable British formations This was a direct result of the much greater number of days that Canadian units were involved in close combat Jacket *The Chief's Footsteps* Rick Blanchard,2014-12-01 This book recounts the remarkable life of Roy Peck a quintessential yet extraordinary Canadian Born into an austere rural situation he stuck by home and family through tough times and discovered the fun of living and the benefits of choosing well He received Canada s and Quebec s top honours for his chosen genres in the shooting sports of target archery and rifle The young athletes of the Northeast Pontiac and Central Gatineau nicknamed him The Chief for his winning ways as their coach and mentor and they still call him The Chief And anyone who hired him as their carpenter or builder will testify that all his doors still work very well

On to Victory Mark Zuehlke,2010-08-01 The eighth Canadian Battle Series volume is the little told story of the tense final days of World War II remembered in the Netherlands as the sweetest of springs which saw the country s liberation from German occupation The Liberation Campaign a series of fierce desperate battles during the last three months of the war was bittersweet A nation s freedom was won and the war concluded but these final hostilities cost Canada 6 298 casualties including 1 482 dead With his trademark you are there style that draws upon official records veteran memories and a keen understanding of the combat experience Mark Zuehlke brings to life this concluding chapter in the story of Canada in World War II May 4 2010 will mark the 65th anniversary of the Netherlands liberation

Operation Husky Mark Zuehlke,2009-07-01 On July 10 1943 two great Allied armadas of over 2 000 ships readied to invade Sicily This was Operation Husky the first step toward winning a toehold in fascist occupied

Europe Among the invaders were 20 000 Canadian troops serving in the First Canadian Infantry Division and First Canadian Tank Brigade in their first combat experience Over the next 28 days the Allied troops carved a path through the rugged land despite fierce German opposition Drawing on firsthand accounts of veterans and official military records Operation Husky offers a gripping meticulous account of this seminal operation and the young men who fought died and survived it

Strangers in Arms Robert C. Engen,2016-04-04 Why do soldiers fight What keeps them going What compels them to face death when their long time comrades have fallen around them Strangers in Arms addresses these questions in a groundbreaking study of the behaviour morale and motivations of Canadian infantrymen on the front lines of the Second World War Canada's army has long faced intense criticism for its combat performance during the war and Canada's official history has presented Canadian soldiers as deficient inexperienced and unprepared in comparison with their enemies Questioning entrenched views Robert Engen explores a trove of contemporaneous documents to create a remarkable new portrait of Canadians at war Rather than the popular band of brothers image of soldier cohesion in battle he finds staggering casualty rates and personnel turmoil that left Canadian infantrymen often working with and fighting beside men they hardly knew Yet these strangers in arms continued to fight effectively and in good spirits against a tenacious and deadly enemy triumphing in the face of heartrending loss and sacrifice Challenging old narratives about the Canadian soldier and supported by cutting edge empirical and qualitative research Strangers in Arms crafts a new understanding of what happens at the sharp end of battle

Intrepid Warriors Bernd Horn,2007-11-15 Command and leadership are very personal endeavours The manner in which an individual commands others and exercises leadership speaks more to the character and personality of the individual in question than it does to the concept of command or leadership in and of themselves Intrepid Warriors takes an intimate look at a number of Canada's finest military commanders and leaders during the crucible of war Collectively the chapters in this volume offer invaluable insights into different command and leadership approaches behaviours and styles They also reinforce the timeless truth that the character and presence of courageous leaders are critical to military outcomes particularly during times of ambiguity uncertainty and chaos

The War North Of Rome Thomas R. Brooks,R Brooks,2009-09-09 The British had a song for it Oh we are the D Day Dodgers based on a comment from a female member of Parliament that dismissed all those not on the beaches at Normandy as draft evaders Indeed after the invasion of France the Allied armies in Italy found themselves in a forgotten theater of war Until now their eleven month saga of bitter combat and gallant sacrifice has been ignored The problem for the Allies was that the fall of the Italian capital on June 4 1944 although a spectacular public relations triumph did not end the campaign The Germans had simply conducted a short strategic withdrawal conceding one objective while proceeding to fortify additional defense lines From Salerno to Rome and most famously at Cassino the Germans took advantage of the mountains ridges and rivers that crisscross Italy to exact every drop of blood from the Allied forces Although the press was no longer paying attention in the north of Rome the

process of continued Allied offensives met by a German resistance that alternated between ferocity and flexibility A notable feature of the combat in Italy was the large mixture of Allied nationalities involved Although the American Fifth and the British Eighth Armies were the major forces on different parts of the line fought South Africans Canadians Greeks Nisei Jews Poles French Gurkhas Indians and others The first U S black division fought here as well as the Brazilian contingent a curiosity to the Germans who constantly probed their front The War North of Rome features a forward by Senator Bob Dole who fought in this neglected theater of war He was one of 364 wounded 98 killed in his regiment s attack on a series of German held hills Though he barely survived the battle he states I always felt I was fortunate By the time Allied forces vanquished the enemy in Italy Russian soldiers were already dancing on Hitler s grave Nevertheless our young men north of Rome fought as bravely and suffered as much as troops on any front in WWII Their record of courage and sacrifice is described here in a long overdue comprehensive account Always a Patricia Charles Sydney Frost,2004 **Monte Cassino** Peter Caddick-Adams,2013 Waged deep in the Italian mountains beneath a mediaeval monastery the battle of Monte Cassino was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst This book provides a vivid account of how an array of men from across the globe fought the most lengthy and devastating engagement of the Italian campaign in an ancient monastery town The Journal of Military History ,1990 Includes scholarly articles and book reviews on topics in military history **Saints, Sinners, and Soldiers** Jeffrey A. Keshen,2007-10-01 The first ever synthesis of both the patriotic and the problematic in wartime Canada Saints Sinners and Soldiers shows how moral and social changes and the fears they generated precipitated numerous and often contradictory legacies in law and society From labour conflicts to the black market to prostitution and beyond Keshen acknowledges the underbelly of Canada s Second World War and demonstrates that the Good War was a complex tapestry of social forces not all of which were above reproach **One Day in a Very Long War** John Ellis,1998 He the author describes a world wide conflict from the viewpoint of those who took part on all fronts in both Allied and Axis forces field marshal or private president prime minister prisoner of war or munitions worker just as they saw it on 25th October 1944 Blurb **The Dragon and the Maple Leaf** Marjorie Wong,1994 The Journal of Military History Cumulative Index Henry Stover Bausum,David Bausum,1995 **Neue Forschungen zum Zweiten Weltkrieg** Jürgen Rohwer,Hildegard Müller,1990

The Top Books of the Year Once A Patricia Memoirs Of A Junior Infantry Officer In World War Ii The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Once A Patricia Memoirs Of A Junior Infantry Officer In World War Ii : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
