Once Through The New Testament:

Once Through the New Testament Thomas McCall, Zola Levitt, 2015-01-29 A most readable and clear survey of the New Testament. The theology is understandable and treated with thoroughness in this concise but complete study. Zola's view is fresh as always. The New Testament ... in the original Greek: with notes and introductions by C. Wordsworth. Christopher Wordsworth (bp. of Lincoln), 1875. The New Testament ... in the original Greek: with notes by C. Wordsworth. [With] An index to the introductions and notes, by J. Twycross. 2 vols. [in 5 pt.]. The New Testament of our Lord and Saviour Jesus Christ, 1862. *The New Testament ... in the original Greek: with introductions and notes, by Chr. Wordsworth ... Fifth edition*, 1868. **The Catholic Comparative New Testament** Oxford University Press, 2005. The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume. This edition includes both word for word translations of the scripture as well as thought for thought translations. Readers can compare verses at a glance with facing page translations. Four translations per page in a clear easy to read typeface. The CCNT features four word for word translations: Douay Rheims Revised Standard Version Catholic Bible, New Revised Standard Version Catholic Bible, and the New American Bible. These translations follow as closely as possible the New Testament's original wording, making them perfect for close readings of the text. The Jerusalem Bible, the Good News Bible, the New Jerusalem Bible, and the Christian Community Bible represent the thought for thought school of Bible translation. These translations emphasize the intended meaning of the original vocabulary, adapting it to English syntax and grammar, making it easier to understand for the lay reader. The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations. Beautifully printed on the highest quality material, the CCNT is an excellent study guide for the value.

The New Testament of Our Lord and Saviour Jesus Christ, in the Original Greek, 1864. **The New Testament ... in the original Greek: with notes and introductions, by Chr. Wordsworth ... Keener presents fascinating, wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the New Testament. *Commentary on the New Testament* Robert H. Gundry, 2010-07-01. Verse by verse explanations with a literal translation. Shouldn't a Bible commentary clarify what God's Word actually says? Going beyond questions of authorship, date, sources, and historicity, respected linguist and teacher Gundry offers a one-volume exposition of the New Testament that focuses on what is most useful for preaching, teaching, and individual study: what the biblical text really means.

Providing interpretive observations in a breezy style that's easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings

SAMPLE TEXT OF TRANSLATION JOHN'S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1:1-8:13 The beginning of the gospel of Jesus Christ God's Son according as it's written in Isaiah the prophet Behold I'm sending my messenger before your face ahead of you who'll pave your way the road you'll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God's Word

SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52:7 Non Jews would think of the good news of an emperor's accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel
