Edwards JR.,2016-04-25 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church s twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1 s narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching s role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC s Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches **A Nation with the Soul of a Church** O. C. Edwards Jr.,James Dunkly,2013-08-12 From the very beginning religious leaders have influenced the course of American history sometimes for better sometimes for worse

This book examines those Christian sermons that set or changed the course of the nation What did 18th century preacher Jonathan Edwards really mean to convey with his Sinners in the Hands of an Angry God sermon What Southern minister did most to encourage secession of the Southern states from the Union And why does Martin Luther King Jr need to be remembered for more than his I Have a Dream speech This book examines the sermons that have shaped American history from the Massachusetts Bay Colony to the Obama administration It provides extended biographical treatments of those who preached them thereby providing readers with the historical context of the sermon an explanation of what made these orations so effective and an understanding of the role of religion in American history Author O C Edwards Jr supplies insightful and interesting coverage of Christian preachers and sermons that will engage anyone interested in America s religious or social history The book addresses the religious philosophies and speeches of individuals such as William Sloan Coffin Jr Russell Conwell Charles Coughlin Ralph Waldo Emerson Billy Graham Anne Hutchinson Martin Luther King Jr Patricia Merchant John Winthrop and Jeremiah Wright *A History of Preaching* Otis Carl Edwards, 2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church s twenty centuries Each chapter in volume two is geared to its companion chapter in volume one s narrative history *The Works of the Rev. R. Hawker ... With a Memoir of His Life and Writings by the Rev. J. Williams* Robert Hawker, 1831 **Confronting the War Machine** Michael S.
