African American Life in the Rural South, 1900-1950 R. Douglas Hurt, 2003 During the first half of the twentieth century degradation poverty and hopelessness were commonplace for African Americans who lived in the South's countryside either on farms or in rural communities Many southern blacks sought relief from these conditions by migrating to urban centers Many others however continued to live in rural areas Scholars of African American rural history in the South have been concerned primarily with the experience of blacks as sharecroppers tenant farmers textile workers and miners Less attention has been given to other aspects of the rural African American experience during the early twentieth century *African American Life in the Rural South 1900-1950* provides important new information about African American culture social life and religion as well as economics federal policy migration and civil rights The essays particularly emphasize the efforts of African Americans to negotiate the white world in the southern countryside Filling a void in southern studies this outstanding collection provides a substantive overview of the subject Scholars students and teachers of African American southern agricultural and rural history will find this work invaluable

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as *The Birth of a Nation* 1915 *Roots* 1977 *Apocalypse Now* 1979 and *Saving Private Ryan* 1998 how much is entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject *The Columbia Companion to American History on Film* is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain

true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message **Signs of the Times** Elizabeth Abel,2010-05-06 The George Gund Foundation imprint in African American studies Page i of preliminary pages **Real Teacher Talk** Norma J.
