Once More with Love Kathryn Kaleigh ,2020-02-17 Autumn McKenzie never wavered from her life's dream A dream that cost her so many sacrifices in her personal life But when home beckons she discovers that some things merely fade into the background Waiting for their time to solo A sweet story of second chance romance The Monthly magazine Monthly literary register,1808 A 1970s Childhood Derek Tait,2011-09-30 Do you remember glam rock flares cheesecloth shirts and chopper bikes Then it sounds like you were lucky enough to grow up during the 1970s Who could forget all the glam rock bands of that era like Slade Wizard Mud and Sweet or singers like Alvin Stardust Marc Bolan and David Bowie What about those wonderful TV shows like Starsky and Hutch Kojak Kung Fu and Happy Days Fashion included platform shoes we all had a pair flared trousers brightly patterned shirts with huge collars and colourful kipper ties And everyone remembers preparing for power cuts and that long hot summer of 1976 So dust off your space hopper and join us on this fascinating journey through a childhood during the seventies with hilarious illustrations and a nostalgic trip down memory lane for all those who grew up in this memorable decade Derek Tait has written over a dozen books most of them about his early childhood in Singapore or the area of Plymouth in which he lives He is now a full time writer but previous jobs have included a photographer and a cartoonist All In With Love James Gardiner,2022-08-19 Imagine stepping into the spotlight of New York and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn't seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life Once More,
