From publisher's description **Inside the Painter's Studio** Joe Fig, 2012-06-19 Inside an art gallery, it is easy to forget that the paintings there are the end products of a process involving not only creative inspiration but also plenty of physical and logistical details. It is these cruder, more mundane aspects of a painter's daily routine that motivated Brooklyn artist Joe Fig to embark almost ten years ago on a highly unorthodox, multilayered exploration of the working life of the professional artist. Determined to ground his research in the physical world, Fig began constructing a series of diorama-like miniature reproductions of the studios of modern art's most legendary painters, such as Jackson Pollock and Willem de Kooning. A desire for firsthand references led Fig to approach contemporary artists for access to their studios. Armed with a camera and a self-made Artist's Questionnaire, Fig began a journey through the workspaces of some of today's most exciting contemporary artists. **Official Gazette of the United States Patent and Trademark Office**, 1988 *Once Upon a Sunset* Tif Marcelo, 2020-03-03 The author of *The Key to Happily Ever After*, a true gem filled with heart laughs and a cast of delightful characters, Nina Bocci, USA TODAY bestselling author, returns with a heartwarming and charming novel about a woman who travels to the Philippines to reconnect with her long-lost family and manages to find herself along the way. Diana Gallagher Cary is at a tipping point. As a Washington DC OB/GYN at a prestigious hospital, she uses her career to distract herself from her grief over her granny's death and her breakup from her long-term boyfriend after her free-spirited mother moves in with her. But when she makes a medical decision that disparages the hospital, she is forced to go on a short sabbatical. Never one to wallow, Diana decides to use the break to put order in her life when her mother Margo stumbles upon a box of letters from her grandfather Antonio Cruz to her grandmother from the 1940s. The two women always believed that Antonio died in World War II, but the letters reveal otherwise. When they learn that he lived through the war and that they have surviving relatives in the Philippines, Diana becomes determined to connect with the family that she never knew existed, though Margo refuses to face her history. But Diana pushes on and heads on a once-in-a-lifetime trip that challenges her identity, family history, and her idea of romantic love that could change her life forever. Infused with Tif Marcelo's signature sexy, adorable, and heartfelt style, Kate Meader, USA TODAY bestselling author, voice, *Once Upon a Sunset* is a moving and lyrical celebration of love, family, and second chances. **Once Upon a Rind in Hollywood** Rachel Riederman, 2023-02-14 Lights, Camera, Snacktion!
