ONCE UPON A TIME IN THE FLORIDA KEYS Gene Thornton,2014-03-19 The author grew up in South Eastern PA graduated from high school in 1950 and after several part time jobs he completed a course at Temple U He found a job with

one of this country's first foreign car dealerships in Exton PA. Later married and self-employed for ten years now with three children. Both the author and his wife were tired of the cold winters, sold their business and moved to the Florida Keys. The Keys then being very laid back, sparsely populated and warm all year around was deeply appreciated. After buying a restaurant bar with a marina in Key Largo, the author got to meet all sorts of people, people of the nature he had never experienced. Actually even at the age of 37, I would feel safe in saying I grew up in the Keys just in a manner of speaking. There were all sorts of experiences here, many unexpected. None really harmful but amusing and many times hilarious. It just was the character and nature of the residents and those passing through. The author having actually participated or witnessed some of these events, events that would likely never happen on the mainland. Life in the Keys was anything but dull and it sure was different. Sometimes more like an adventure.

Once Upon a Time in Singhpur Abhinav Kumar, 2015-12-23. What are the attributes of a god? Is it a cross or a lotus flower? Is it a crown of thorns or one of gold? And what if you're not lucky enough to worship a great god? Because there are places in the world where there are lesser

gods too And for those who are stuck there lesser gods demand worship too In reality these may not even be gods But in truth they still need to be worshipped Follow the happenings in a mystical place where the timeless elements of fate grace power love and many others play their parts in the story of human beings Discover the closed doors of belief that men of science may never enter and see for yourself which is the lesser story and which the greater Are the human beings that perform these acts the real tale or are they merely providing a context for the unfolding of something quite different
