Once Upon An Evil Time:

Once Upon a Time in Delaware Katharine Pyle, 2022-11-21 In *Once Upon a Time in Delaware* Katharine Pyle presents a meticulously curated anthology that blends factual accounts with the rich folklore of Delaware catering to the imaginative minds of young readers. The literary style is both enchanting and educational, effectively tailored to present a child-friendly panorama of the state's historical narrative. From its early settlement tales, pioneering figures to its role in the shaping of American history, the collection thoughtfully respects the juvenile readership it aims to engage. This is presented amidst a broader literary context that values the importance of accessible historical storytelling, which both educates and entertains, revealing Pyle's commitment to a durable and inviting depiction of Delaware's heritage without delving into the intricacies of historical debate. Katharine Pyle, an accomplished author with an innate sense of storytelling, brings to life the essence of Delaware's past through a tapestry of lore and memoir. Possessing an incisive understanding of historical narrative and how it can be adapted for youth, Pyle's background allows her to intersperse the factual with the traditional in a way that captures the imagination. With a nuanced appreciation of her audience, Pyle constructs a narrative that is both compelling and responsible, igniting a sense of curiosity and reverence for local history. *Once Upon a Time in Delaware* comes highly recommended for its unique ability to bridge the gap between history and story, offering children a delightful entry point into the heritage of their state. With its skillful blend of fact and folklore, the work stands as an invaluable educational resource that also promises a captivating reading experience. Pyle's effort to mold historical knowledge into engaging tales respects the intrigue of the next generation, making this book a must-have for school libraries, educators, and young historians alike.

Once Upon a Time Charles Knight, 1854 **Once Upon a Time** Brothers Grimm, 2011-12-27 *ONCE UPON A TIME* will be a re-issue of classic fairy tales by the Grimm brothers that will also function as a loose tie-in to the ABC fall 2011 show *Once Upon a Time* featuring 40 public domain translations of Grimm brother tales. The show has a 13 episode order for the fall 2011 season and premieres on October 23, running through mid-February. It will air on Sunday nights at 8pm. The show's story centers on a woman who is the long-lost daughter of Snow White and Prince Charming who must return to Storybrooke, Maine, to help break a curse the Evil Queen set on the world of fairy tales, causing all fairy tale characters to be transported to the modern world and forget their magical origins. The book will be small and gift-sized, like *LAST LECTURE*, and will feature original artwork and illustrations by artist Kevin Tong. Cover, full-page illustrations, series of decorative and thematic illustrations throughout. Tong worked as an artist on *LOST*'s art campaign and currently does amazing concert posters. His aesthetic is dark and edgy and lines up nicely with that of the show, exactly what we're going for with these illustrations. For our book, he'll illustrate the cover, six full-page interior pieces to go with the tales featured in both the book and the show: Snow White, Cinderella, Rumpelstiltskin, Rapunzel, Red Riding Hood, Sleeping Beauty, and between 20-30 small decorative images and spot pieces to adorn the interior pages. **Once Upon a Time in the Contemporary World** Elena

Polyudova,2016-04-26 This volume brings together a selection of streams present in modern mass media culture from classic cartoons to TV series The chapters form a rich mosaic of interconnecting themes and highlight the current process of transforming well known fairy tale plots The book considers recent media productions such as *Once Upon a Time* and *Beauty and the Beast* as modern fairy tales for children and adults showing these new versions of familiar characters to reflect the psychological demands of the contemporary audience in the post modernist cultural environment In addition the book explores new Internet fiction genres including fan fiction interactive fairy tales and fairy tale blogs As a part of cultural studies the book considers classic cartoons based on books such as *Mowgli* and *The Little Prince* from philosophical and cross cultural points of view *Once Upon a Time in Asia* James H.
