## **One Angel Left:**

**When the Angels Left the Old Country** Sacha Lamb, 2022-10-18 For fans of Good Omens a queer immigrant fairytale about individual purpose the fluid nature of identity and the power of love to change and endure Uriel the angel and Little Ash short for Ashmedai are the only two supernatural creatures in their shtetl which is so tiny it doesn't have a name other than Shtetl. The angel and the demon have been studying together for centuries but pogroms and the search for a new life have drawn all the young people from their village to America. When one of those young emigrants goes missing Uriel and Little Ash set off to find her. Along the way the angel and demon encounter humans in need of their help including Rose Cohen whose best friend and the love of her life has abandoned her to marry a man and Malke Shulman whose father died mysteriously on his way to America. But there are obstacles ahead of them as difficult as what they've left behind: Medical exams and demons at Ellis Island, Corrupt officials, cruel mob bosses, murderers, poverty. The streets are far from paved with gold. P R A I S E Liars, lovers, grifters, a good angel and a wicked one, all held together with the bright red thread of unexpected romance, enduring friendship and America's history. You don't have to be Jewish to love Sacha Lamb; you only have to read New York Times Bestseller Amy Bloom. Steeped in Ashkenazi lore, custom and faith, this beautifully written story deftly tackles questions of identity, good and evil, obligation and the many forms love can take. Queerness and gender fluidity thread through both the human and supernatural characters, clearly depicted without feeling anachronistic. Gorgeous, fascinating and fun. Kirkus starred. Richly imagined and plotted, this inspired book has the timeless feeling of Jewish folklore which is further enhanced by the presence of two magical protagonists and not one but two dybbuks. In the end, of course, it's the author who has performed the mitzvah by giving their readers this terrific debut novel. Booklist starred. I LOVE THIS BOOK SO MUCH. I read it in two days and then I spent the next two weeks thinking about it. Literally forgot to take my lunch break at work because I was busy thinking about it. This book is SO fun and funny and beautiful. Inherently inextricably deeply queer and Jewish in a way that makes my brain buzz. I am obsessed. Piera Varela, Porter Square Books. I love this book more than I can say, but I'll try. I was delighted by the wry narrative voice of this book from the first paragraph. The author perfectly captures the voice of a Jewish folk tale within an impeccably researched early 20th century setting that includes Yiddish, striking factory workers and revolutionary coffee houses. It gave me so many feelings about identity, love and their obligations to the world, themselves and each other. This story will forever have a place in my heart and in my canon of favorite books. I can't wait to have it on my shelves. Marianne Wald, East City Bookshop. A beautiful story of an angel and demon set on helping an emigrant from their shtetl and the fierce girl that joins them on the way. A must read for all ages, one filled to the brim with heart. Mo Huffman, Changing Hands Bookstore. **Angel Secrets** Miriam Chaikin, 2005-09 Jewish teachings tell of the angels who link heaven and earth. Of all the books in our Most High God's blessed word it is the book of Revelation that gives the body of Christ 1 Corinthians 12:27 the most trepidation to study In part because the book of Revelation is the foretelling of events that have not taking place and it is in part due to the perception by a majority in the body of Christ that the book of Revelation is overly symbolic But in reality the book of Revelation is pretty straight forward The word of God is replete in the books chapters and verses of God's word that are either directly and or indirectly related to the book of Revelation      **On My Right Michael, On My Left Gabriel** Mika Ahuvia, 2021-06-08 Angelic beings can be found throughout the Hebrew Bible and by late antiquity the archangels Michael and Gabriel were as familiar as the patriarchs and matriarchs guardian angels were as present as one's shadow and praise of the seraphim was as sacred as the Shema prayer Mika Ahuvia recovers once commonplace beliefs about the divine realm and demonstrates that angels were foundational to ancient Judaism Ancient Jewish practice centered on humans relationships with invisible beings who acted as intermediaries role models and guardians Drawing on non canonical sources incantation bowls amulets mystical texts and liturgical poetry Ahuvia shows that when ancient men and women sought access to divine aid they turned not only to their rabbis or to God alone but often also to the angels On My Right Michael On My Left Gabriel spotlights these overlooked stories interactions and rituals offering a new entry point to the history of Judaism and the wider ancient Mediterranean and Near Eastern world in which it flourished      **The Truth about Angels** Terry Law, 2006 Christians and non Christians alike are encountering angelic beings more than ever but what does Scripture say about the appearance of angels In this revision of his eye opening book Terry Law presents fascinating biblical truths about both God's angels and evil angels while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings Exploring many real life stories of experiences with angels Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind The Truth About Angels will answer What are angels and where did they come from Are angels appearing more frequently around the world Do you have a guardian angel Are angels involved in healings or the working of miracles How do angels and the Holy Spirit work together      **Byzantine Art and Archaeology** Ormonde Maddock Dalton, 1911

Kathy C. Watson, 2006-10-01 For many many years you may have heard that God doesn't still perform miracles. A Mother In Mourning will restore your faith if you are among the many who don't believe. Kathy will tell you too of the many miracles God has given to her. One of the miracles was giving birth to her sons. Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place, her favorite coffee house. A Mother In Mourning is sure to be a best seller of its kind. Kathy delivers a truly powerful love story involving herself, her two sons, and her God. From the first day she gave birth to her sons, she held them close to her. To Aaron and Kendrick, she was a one-of-a-kind mother; she was their mentor, their right hand, their best friend, and their preparedness for this thing called life. Most importantly, she was Aaron's and Kendrick's overseer in making sure that without a doubt, their ultimate destination would be heaven. A Mother In Mourning will take you on a journey filled with nothing but love, joy, and the pain of being a mother. This heart-felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes. It's clear that Kathy understood from the very beginning what it took to be a good mother. You will also read how God gave her a premonition that something tragic was going to happen five months before his death. She didn't know what it was until a knock came on her door one early morning. She opened the door only to see two police officers standing there, and one of them was holding her son's driver's license. Through all of their years together, with his following closely in her footsteps, she never could have predicted that Aaron would have had such a short life. Kathy and her sons were so close it seemed to her that the sun would shine on them forever. One Wednesday evening, just as the sun was going down, God called Aaron's name. Even though she has always been a natural teacher of having faith in God, the devastation of losing her son has caused her faith to increase even more. You will read how God got her through the lowest stage of her life when no one else was there for her. A Mother In Mourning is not just for someone who has lost a loved one. It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey. Yes, it is a journey that we all must travel, and that will one day make no mistake about it, come to an end.
