One By One Preserving Values And Freedom In Heartland America:

One by One George Charles Roche,1990 *Why Conservatives Tell Stories and Liberals Don't* David M Ricci,2015-12-03 Why do conservatives tell stories Because it helps them win elections and assail liberal policies like health care reform and economic stimulus Why is important but the what and the how behind the stories that conservatives tell are equally interesting and in this new book David Ricci reveals all He shows how conservative activists and candidates tell many tales that come together to project a large scale story a cultural narrative a vision of what America is and what it should do to prosper socially economically and politically Liberals by contrast tend to look for theories rather than stories for mathematical explanations rather than theological axioms for data rather than anecdotes and for statistics rather than homilies The difference is paradoxical Liberals are unlikely to fashion sweeping narratives that capture the public s attention and commitment Yet conservatives may tell attractive stories like the ones that got us into Iraq that momentarily capture voter support but end up costing the country more than it can afford **The Coors Connection** Russ Bellant,1991 Journalist Russ Bellant examines the influential but little known role of the Coors beer family in American politics Through their philanthropic donations Joseph Coors and other family members have bankrolled a right wing agenda of union busting homophobia sexism racism and covert operations The Coors family has served as the cornerstone of the right wing movement known as the New Right The Coors Connection details the individuals organizations and causes supported by Coors philanthropy A picture emerges of a family s frighteningly narrow vision of the American dream and its willingness to support extremists who would undermine American democracy Russ Bellant is an investigative journalist whose work has appeared in the National Catholic Reporter the New York Times the Texas Observer and other publications In 1984 he contributed to an award winning NBC documentary on Lyndon LaRouche Mr Bellant was honored in 1989 for investigative reporting by the Catholic Press Association which said Tracking the historical roots of a group or movement is nothing short of a monumental task Bellant is obviously very much at home with investigative reporting Mr Bellant is also the author of Old Nazis The New Right and The Republican Party South End Press 1991 **How to Save Our Country** Mike Szilagyi,Miklós Szilágyi,1993 *Discerning Images* Derek C. Weber,1991 The End of the Line Russell John Gardinier,1993 The earliest ancestor in America was Jacob Jans van Amsterdam who was also known as Jacob Jansen Gardinier He traveled from his native Holland in 1636 to what later became known as New York One of his many descendants was Russell John Gardinier 1920 who was born in Milwaukee Wisconsin In 1944 he married Rebecca Pauline Culpepper 1921 who was born in Palmyra Arkansas She descends from the Cupepper family of Virginia who were early settlers in both Virginia and the Carolinas and were among the nobility of England **Why America Doesn't Work** Charles W. Colson,Jack Eckerd,1992-10 In this uncompromising bestseller two veterans of public service and private business reveal how America s work ethic has been stripped of its true meaning Readers are then given the critical steps necessary to halt America s declining work ethic through an infusion of

unique programs hard work and a renewed sense of integrity Colson founded the Board of Prison Fellowship Ministries and Eckerd founded the Eckerd drugstore chain *Historic Hillsdale College* Arlan K.
