The New Age Magazine, 1927

Muslim and Jew Aaron W Hughes, 2018-11-06 Muslim and Jew Origins Growth Resentment seeks to show how and why Islam and Judaism have been involved in political and theological self definitions using the other since the seventh century This short volume provides a historical and comparative survey of how each religion has thought about the other and in so doing about itself It confines itself to those points at which Judaism and Islam intersect and cross pollinate and explores how this delicate process continues into the present with the Israeli Palestinian conflict Muslim and Jew thus seeks to move beyond the intersection of a monolithic Judaism and a monolithic Islam and instead examines and organizes the messiness of the encounter as both religions sought to define themselves within from and against the other

PULITZER PRIZE FINALIST Named a Top 10 Best Book of the Year by The New York Times The Wall Street Journal The

Atlantic Slate and People One of Barack Obama's Favorite Books of 2023 Brave and nuanced an act of tremendous compassion and a literary triumph The New York Times Immensely emotional and unforgettably haunting The Wall Street Journal Acclaimed author Jonathan Rosen's haunting investigation of the forces that led his closest childhood friend Michael Laudor from the heights of brilliant promise to the forensic psychiatric hospital where he has lived since killing the woman he loved A story about friendship love and the price of self-delusion The Best Minds explores the ways in which we understand and fail to understand mental illness When the Rosens moved to New Rochelle in 1973 Jonathan Rosen and Michael Laudor became inseparable Both children of college professors the boys were best friends and keen competitors and when they both got into Yale University seemed set to join the American meritocratic elite Michael blazed through college in three years graduating summa cum laude and landing a top flight consulting job But all wasn't as it seemed One day Jonathan received the call Michael had suffered a serious psychotic break and was in the locked ward of a psychiatric hospital Diagnosed with paranoid schizophrenia Michael was still battling delusions when he traded his halfway house for Yale Law School Featured in The New York Times as a role model genius he sold a memoir with film rights to Ron Howard But then Michael in the grip of an unshakeable paranoid fantasy stabbed his girlfriend Carrie to death and became a front page story of an entirely different sort Tender funny and harrowing by turns The Best Minds is Jonathan Rosen's magnificent and heartbreaking account of good intentions and tragic outcomes whose significance will echo widely
