One Dead Preacher:

One Dead Preacher Tony Lindsay, 2000 Things couldn't be better for David Price That is until he meets sexy vixen Sugar Greer a married woman with a dark history that she must hide and he vows to protect When it's all over David and his client are left with blood on their hands Caught in a cultic web of abuse theft and murder David must get back on the streets to clear his name a journey that will lead him to One Dead Preacher **The Preacher's Guide to Suicide** H. C.

Johnson, 2022-03-18 This book makes the startling claim that the pulpit is the appropriate place to address suicide In *A Preacher's Guide to Suicide* Johnson chisels through the rusty prison bars of cultural pretense and the oppressive myths of suicide Using history the social and behavioral sciences and biblical inquiry over the centuries of varied Christian voices Johnson demonstrates that suicide is part of the very fabric of Christian identity And to preach suicide awareness is to preach life into the very act of dying While grappling with the contemporary understanding of neuroscience psychopathology societal values and individualism Johnson seeks to present suicide in a hopeful light as we all approach death in those daily moments of confession forgiveness and prayer Johnson hopes to provoke further conversation within the Christian community about the richness of suicide within the Scriptures and seeks to be a source of inspiration for preachers

Preacher's Journey William W. Johnstone, 2011-10-24 Nothing is as it seems on the snowy frontier Preacher returns in a hoof pounding adventure by the New York Times bestselling author of *Preacher's Justice* Before he became a legend Preacher was a trapper peacefully plying his trade in the Rocky Mountains But people needed a hero and Preacher was the only one around Now a wagon train of pioneers is struggling westward toward Oregon through the howling winter and a band of Arikara warriors are hot on their trail Little do the Arikaras suspect that they're about to come face to face and gun to gun with a ferocious fight they never expected courtesy of a wily mountain man As Preacher struggles to bring the settlers to safety he learns the real reason they were attacked and begins to suspect that the secrets they've been keeping equal a worse kind of danger With treachery in the air more Arikaras on the warpath and a deadly deep freeze bearing down trust is a thing of the past and survival is all that matters Praise for the novels of William W.
