Austin,2010-07 It is the first week of July in the year 1956 and four teenaged siblings are spending time on a rural farm in Arkansas bored and restless They along with their parents are just beginning their summer vacation paying the obligatory visit to the grandparents and Uncle Romey the adult son with Down s syndrome Instead of spending their time searching for four leafed clovers in the grass the youngsters would rather be going to the beach every day and hanging out with their friends back home in Long Beach California The vacation seems as though it will be the same as the last one and the one before that But at least the arrival of an aunt and uncle and cousin makes things a little more fun for the youngsters as they find ways to entertain themselves which of course translates as getting into mischief Also with the arrival of the aunt and

uncle tensions begin to escalate between the adults when a long held secret previously known only to the grandparents is brought to light Then with the unexpected arrival of the argumentative prodigal daughter who has decided to join the family in the Fourth of July celebration things really begin to heat up within the household and the dissention magnifies What was expected to be a routine holiday celebration turns into an extraordinary adventure With the discovery of long buried human remains the story unfolds into one of dark secrets assault deception lies dead bodies ghosts and murder and the life of each remaining family member is affected forever Petty vs. Pearson Mike Hembree,2025-05-20 Get the detailed inside story on the legendary rivalry that helped propel NASCAR from regional curiosity to national phenomenon The battle for NASCAR dominance was never more pronounced than when Richard Petty and David Pearson met on the track In 551 head to head races between 1960 and 1986 they finished one two an astounding 63 times Pearson won 33 Petty 30 Each showdown attracted more media attention and new fans helping the sport to evolve evermore rapidly Petty vs Pearson is the only book to examine this storied relationship beginning with their pre Winston Cup careers Award winning motorsports journalist Mike Hembree details The drivers backgrounds Petty earning his way up through a racing dynasty led by his father Lee Pearson honing his skills as a DIY racer on local South Carolina dirt tracks Their first meeting in a Cup event in 1960 The memorable battles including their legendary wild finish at the 1976 Daytona 500 Parallel careers that coincided with seismic changes to NASCAR the advent of superspeedways the aero wars the injection of corporate money and a new generation of star drivers in the 1980s While their rivalry produced amazing finishes and tense moments Petty and Pearson were friends throughout Petty vs Pearson examines that relationship including their retirements in 1986 Pearson and 1992 Petty and their lives in NASCAR beyond the driver s seat Throughout the riveting text Hembree draws on original interviews with both drivers including interviews conducted with Petty in early 2024 those who witnessed the rivalry and NASCAR figures who came later The result is an entertaining and essential account of two storied drivers and friends who bridged NASCAR s rollicking early years and the sophisticated entertainment concern it is today Featuring a foreword by Terry Labonte a legendary driver in his own right Petty vs Pearson is a must have for every fan s collection **Hearings** United States.
