One Finger Too Many:

One Finger Too Many Alfred Brendel, Richard Stokes, 1999 This deceptively slight volume is proof that not only good but excellent things often come in small packages A master of the piano Alfred Brendel here turns in a deft performance as poet building fantastic little word machines of extraordinary tensile strength We are drawn immediately into a fun house world of suspicious but wondrous goings on The supernumerary index finger of the pianist in the title poem we re told sometimes pointed out an obstinate cougher in the hall or emerged from beneath his tailcoat beckoning a lady in the third row Elsewhere Beethoven disguised as Salieri poisons a sleeping Mozart and skulks away clutching forever Mozart s greatest possession the key of C minor And the conceptual artist Christo wraps the Three Tenors on the balcony of La Scala These constantly surprising poems enchant even as they sting revealing the light and dark side of Alfred Brendel one of the world s greatest musicians His followers will have to have this book but so will anyone who enjoys readable poetry touched by a divine madness
