Timrod have been long known and appreciated at the South Nor are they wholly unknown at the North I have before me a letter from the Quaker poet Whittier in which he warmly commends the poems of Timrod he had seen while expressing a regret for his early death Frequently in his critical essays Richard Henry Stoddard has referred to Timrod as in his opinion the ablest poet the South had yet produced a verdict fully sustained by some other Northern writers of high position to whose notice the poems had been brought These facts may prove in some sort an introduction to the present volume so far as the Northern public is concerned They may win for it a candid examination all that is necessary doubtless for its success Meanwhile I purpose to give a sketch of Timrod s life which though comparatively brief and to an exceptional degree uneventful is still of interest as throwing much light upon the character of his verses and the development of his genius About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
